
TITLE 312 NATURAL RESOURCES COMMISSION**Provisional Rule**
LSA Document #24-371**DIGEST**

Temporarily supersedes LSA Document # 24-225, SECTION 5 concerning antlerless deer populations affected by epizootic hemorrhagic disease by lowering the bonus antlerless deer limit in Allen County and Porter County, under the Interim Final Rule posted at [20240828-IR-312240225IFA](#), from two (2) to one (1), and continues the county bonus antlerless deer limit imposed for Wabash County. Effective September 26, 2024. Expires March 26, 2025.

HISTORY

Interim Final Rule, LSA Document #24-225: [20240828-IR-312240225IFA](#)

Provisional Rule, LSA Document #24-330: [20241002-IR-312240330ERA](#)

ADDITIONAL DOCUMENTS

Regulatory Analysis: [20241009-IR-312240371RAA](#)

Governor's Approval: [20241009-IR-312240371GAA](#)

SECTION 1. (a) This SECTION supersedes [312 IAC 9-3-4](#) posted at DIN: [20240717-IR-312240225INA](#) [sic, [20240828-IR-312240225IFA](#)].

(b) Except as provided SECTION 3 [sic, of LSA Document #24-225], which supersedes [312 IAC 9-3-2](#) posted at DIN: [20240717-IR-312240225INA](#) [sic, [20240828-IR-312240225IFA](#)], and in addition to the decrease in the county bonus antlerless deer limit in Wabash County to one (1) deer under LSA document #24-330, an individual may not take more than one (1) deer with a license to hunt deer.

(c) The special youth deer season is two (2) consecutive days beginning on the Saturday immediately before October 1, or as approved annually by the director of the division of fish and wildlife as follows:

(1) The seasonal limit for taking a deer under this subsection is one (1) antlered deer, and the number of antlerless deer under subsection (h). A youth hunter may take not more than one (1) antlerless deer under this subsection on the following properties operated by the department of natural resources:

- (A) A property operated by the division of fish and wildlife.
- (B) Salamonie Lake.
- (C) Mississinewa Lake.
- (D) Patoka Lake.

(2) A youth hunter who takes an antlered deer under this subsection may not take another antlered deer during the:

- (A) archery season under subsection (d);
- (B) firearm season under subsection (f); or
- (C) muzzleloader season under subsection (g).

(3) A youth hunter who takes a deer under this subsection must be accompanied by an individual at least eighteen (18) years of age who:

- (A) does not possess a firearm, bow and arrow, or crossbow while in the field, except for a handgun carried lawfully under [IC 35-47-2](#);
- (B) possesses a license to hunt a wild animal that is not an apprentice license, unless the individual is exempt from needing a license to hunt under [IC 14-22-11-1](#) and [312 IAC 9-2-14](#);
- (C) may not accompany more than two (2) youth hunters at one (1) time; and
- (D) is in proximity and able to communicate with the youth hunter during the hunt.

(d) The archery deer season begins October 1 and ends the first Sunday in January. An individual may take not more than two (2) deer, of which only one (1) may be antlered under this subsection.

(e) The deer reduction season is as follows:

(1) Begins September 15 and ends January 31 in a deer reduction zone.

(2) Under this subsection, an individual:

- (A) may take not more than ten (10) deer, of which only one (1) deer may be an antlered deer; and
- (B) shall take at least one (1) antlerless deer in a deer reduction zone before taking an antlered

deer.

- (3) A deer taken under this subsection does not count against a bag limit for deer under this SECTION.
- (4) The Evansville deer reduction zone is the portion of Vanderburgh County south of East Boonville-New Harmony Road, except for the following areas:
- (A) The area south of Interstate 164/Veterans Memorial Parkway from the Warrick County line to the east to where it intersects Main Street along the Ohio River Shore to the west.
 - (B) The area south of the intersection of Broadway Avenue and the Posey County line to the west, extending east to Bayou Creek Road and east to the Ohio River with Bayou Creek Road and extending east to the Ohio River.
- (5) The Lafayette deer reduction zone is the portion of Tippecanoe County as follows:
- (A) The area to the east, beginning at the intersection of Interstate 65 and County Road 600 North following Interstate 65 south to the junction with State Road 38.
 - (B) The area along State Road 38 from the intersection of Interstate 65 and State Road 38 west to Veterans Memorial Parkway/County Road 350 South, then south along Veterans Memorial Parkway west to the junction with U.S. Highway 231/State Road 52.
 - (C) The area from the intersection of Veterans Memorial Parkway/County Road 350 South and U.S. Highway 231 following U.S. Highway 231/State Road 52 north to the junction with State Road 25.
 - (D) The area from the intersection of State Road 25 and U.S. Highway 231 south along State Road 25 to the intersection of County Road 300 South and State Road 25 South.
 - (E) The area from the intersection of State Road 25 South and County Road 300 South to the west along County Road 300 South to the intersection of County Road 300 South and County Road 700 West.
 - (F) The area from the intersection of County Road 700 West and County Road 300 South to the north along County Road 700 West to the intersection of County Road 700 West and Division Road/South River Road.
 - (G) The area from the intersection of County Road 700 West and Division Road/South River Road to the east along Division Road/South River Road to the intersection of Division Road/South River Road and South Newman Road.
 - (H) The area from the intersection of South Newman Road and Division Road/South River Road to the north along South Newman Road to the intersection of South Newman Road and State Road 26/State Street.
 - (I) The area from the intersection of South Newman Road and State Road 26/State Street to the east along State Road 26/State Street to the intersection of State Road 26/State Street and U.S. Highway 231/State Road 52.
 - (J) The area to the north along U.S. Highway 231 from the intersection of State Road 26/State Street and U.S. Highway 231/State Road 52 to the intersection of U.S. Highway 231/State Road 52 and State Road 52/U.S. Highway 231.
 - (K) The area to the west along State Road 52 from the intersection of State Road 52 and U.S. Highway 231/State Road 52 to the intersection of State Road 52 and County Road 400 West.
 - (L) The area to the north along County Road 400 West from the intersection of State Road 52/U.S. Highway 231 to the intersection of County Road 400 West and County Road 375 West.
 - (M) The area to the north along County Road 375 West from the junction with County Road 400 West to the intersection of County Road 375 West and County Road 600 North.
 - (N) The area to the east along County Road 600 North from the junction with County Road 375 West to the intersection of County Road 600 North and Interstate 65.
- (6) The Michigan City/LaPorte deer reduction zone is the portion of LaPorte County between Lake Michigan and the following boundary:
- (A) The area from the junction of the Porter/LaPorte County line and Interstate 94 to the east to the intersection of Interstate 94 and Johnson Road.
 - (B) The area from the intersection of Interstate 94 and Johnson Road to the south to the intersection of Johnson Road and County Road 500 West.
 - (C) The area from the south along County Road 500 West from the intersection at Johnson Road to the intersection of County Road 500 West and State Road 2.
 - (D) The area from the east along State Road 2 from the intersection at County Road 500 West to the intersection of State Road 2 and State Road 39/Longwood Drive.
 - (E) The area to the south along State Road 39/Longwood Drive from the intersection at State Road 2 to the intersection at County Road 400 South.
 - (F) The area to the east along County Road 400 South from the intersection at State Road 2 to the intersection at County Road 300 East.
 - (G) The area to the north along County Road 300 East from the intersection at County Road 400

South to the intersection at Division Road.

(H) The area to the west along Division Road from the intersection at County Road 300 East to the intersection at County Road 250 East.

(I) The area to the north along County Road 250 East from the intersection at Division Road to the intersection at County Road 150 North.

(J) The area to the west along County Road 150 North from the intersection at County Road 250 East to the intersection at Fail Road.

(K) The area to the north along North Fail Road from the intersection at County Road 150 North to the intersection at U.S. Highway 20.

(L) The area to the west along U.S. Highway 20 from the intersection at North Fail Road to the intersection of U.S. Highway 20 and Interstate 94.

(M) The area to the north along Interstate 94 from the intersection at U.S. Highway 20 to the junction with the Indiana/Michigan state line.

(7) The Muncie deer reduction zone is the portion of Delaware County as follows:

(A) The area at the intersection of Yorktown-Gaston Pike/County Road 600 West, extending east along State Road 332 East to the intersection at Nebo Road.

(B) The area to the north along Nebo Road from the intersection at State Road 332 to the intersection at County Road 500 North/Royerton Road.

(C) The area to the east along County Road 500 North/Royerton Road from the intersection at North Nebo Road to the intersection at U.S. Highway 35.

(D) The area to the south along U.S. Highway 35 from the intersection at County Road 500 North/Royerton Road to the intersection at State Road 67.

(E) The area to the south along State Road 67 from the intersection at U.S. Highway 35 to the intersection at County Road 400 South.

(F) The area to the west along County Road 400 South from the intersection at State Road 67 to the intersection at South Marsh Avenue/County Road 600 West.

(G) The area to the north along Marsh Avenue/County Road 600 West from the intersection at County Road 400 South to intersection at State Road 32.

(H) The area to the east along State Road 32 from the intersection at Marsh Avenue to the intersection at Tiger Drive/County Road 575 West.

(I) The area to the north along Tiger Drive/County Road 575 West from the intersection at State Road 32 to the intersection at River Road.

(J) The area to the west along River Road from the intersection at Tiger Drive to the intersection at Yorktown-Gaston Pike/County Road 600 West.

(K) The area to the north along Yorktown-Gaston Pike/County Road 600 West to the intersection at State Road 332.

(8) The South Bend/Mishawaka/Elkhart deer reduction zone is the portion of St. Joseph County and Elkhart County south of the Michigan state line as follows:

(A) The area at the junction of U.S. Highway 31 and the Indiana/Michigan state line to the south along U.S. Highway 31 to the intersection at U.S. Highway 20.

(B) The area to the east along U.S. Highway 20/U.S. Highway 31 to the intersection at County Road 17.

(C) The area to the north along County Road 17 from the intersection at U.S. Highway 20 to the junction with the Indiana/Michigan state line.

(9) The Warsaw deer reduction zone is the portion of Kosciusko County as follows:

(A) The area at the intersection of State Road 15 and Levi Lee Road, extending east to the intersection of Levi Lee Road and County Road 100 East.

(B) The area to the south along County Road 100 East from the intersection at Levi Lee Road to the intersection at County Road 450 North.

(C) The area to the east along County Road 450 North from the intersection at County Road 100 East to the intersection at Chapman Lake Drive.

(D) The area to the south along Chapman Lake Drive from the intersection at County Road 450 North to the intersection at County Road 300 East.

(E) The area to the south along County Road 300 East from the intersection at Chapman Lake Road to the intersection at Old U.S. Highway 30/E. Old Road 30.

(F) The area to the east on Old U.S. Highway 30/E. Old Road 30 from the intersection at County Road 300 East to the intersection at County Road 450 East.

(G) The area to the south along County Road 450 East from the intersection at Old U.S. Highway 30/E. Old Road 30 to the intersection at U.S. Highway 30.

(H) The area to the east on U.S. Highway 30 from the intersection at County Road 450 East to the intersection at Van Ness Road.

- (I) The area to the south along Van Ness Road from the intersection at U.S. Highway 30 to the intersection at Wooster Road.
 - (J) The area to the west along Wooster Road from the intersection at Van Ness Road to the intersection at County Road 500 East.
 - (K) The area to the south along County Road 500 East from the intersection at Wooster Road to the intersection at County Road 350 South.
 - (L) The area to the west along County Road 350 South from the intersection at County Road 500 East to the intersection at County Road 450 East.
 - (M) The area to the south along County Road 450 East from the intersection at County Road 350 South to the intersection at County Road 400 South.
 - (N) The area to the west along County Road 400 South from the intersection at County Road 450 East to the intersection at State Road 15.
 - (O) The area to the north along State Road 15 from the intersection at County Road 400 South to the intersection at County Road 350 South.
 - (P) The area to the west along County Road 350 South from the intersection at State Road 15 to the intersection at County Road 450 West.
 - (Q) The area to the north along County Road 450 West from the intersection at County Road 350 South to the intersection at County Road 400 West.
 - (R) The area to the north along County Road 400 West from the intersection at County Road 450 West to the intersection at Crystal Lake Road.
 - (S) The area to the east along Crystal Lake Road from the intersection at County Road 400 West to the intersection at Zimmer Road.
 - (T) The area to the north along Zimmer Road from the intersection at Crystal Lake Road to the intersection at Lincoln Highway/Old U.S. Highway 30.
 - (U) The area to the west along Lincoln Highway/Old U.S. Highway 30 from the intersection at Zimmer Road to the intersection at County Road 350 West.
 - (V) The area to the north along County Road 350 West from the intersection at Lincoln Highway/Old U.S. Highway 30 to the intersection at U.S. Highway 30.
 - (W) The area to the east along U.S. Highway 30 from the intersection at County Road 350 West to the intersection at County Road 150 West/Silveus Crossing.
 - (X) The area to the north along County Road 150 West/Silveus Crossing from the intersection at U.S. Highway 30 to the intersection at County Road 400 North.
 - (Y) The area to the east along County Road 400 North from the intersection at County Road 150 West/Silveus Crossing to the intersection at State Road 15.
 - (Z) The area to the north along State Road 15 from the intersection at County Road 400 North to the intersection at Levi Lee Road.
- (10) The Allen County deer reduction zone is the portion of Allen County as follows:
- (A) The area between Interstate 69 and Interstate 469.
 - (B) The area to the west of Interstate 69 that extends north of Lafayette Center Road and south of State Road 14.
 - (C) The area west of Interstate 69 to the:
 - (i) north of U.S. Highway 30;
 - (ii) east of O Day Road to the intersection at State Road 33;
 - (iii) south of State Road 33 to the intersection at Johnson Road;
 - (iv) east of Johnson Road north to the intersection at West Shoaff Road;
 - (v) south of West Shoaff Road east to the intersection at State Road 3; and
 - (vi) east of State Road 3 north to the junction with the DeKalb County line.
 - (D) The area to the east of Interstate 69, to the north of Interstate 469, to the west of the St. Joseph River, and to the south of Schlatter Road.
- (11) The Cordry-Sweetwater deer reduction zone is the portion of Brown County contained within the Cordry-Sweetwater Conservancy District.
- (12) The Brown County deer reduction zone is the portion of Brown County as follows:
- (A) The area not more than one-half (1/2) mile on either side of the centerline of State Road 46 from the Monroe County line to the Bartholomew County line.
 - (B) The area of Monroe Lake located not more than one-half (1/2) mile from the centerline of State Road 46.
 - (C) The area that is the management units of Yellowwood State Forest contained within the following tracts:
 - (i) Compartment 2, Tracts 2 and 40.
 - (ii) Compartment 3, Tracts 1 and 2.
 - (iii) Compartment 4, Tract 2.

- (iv) Compartment 5, Tracts 5, 9, 10, 11, and 15.
- (v) Compartment 8, Tract 27.
- (vi) Compartment 9, Tract 1.

The Brown County deer reduction zone does not include any portion of Brown County State Park.
(13) The Dearborn County deer reduction zone is the portion of Dearborn County that includes a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of the following road segments:

- (A) The area of U.S. 50 from the Dearborn/Ripley County line east to the Indiana state line.
- (B) The area of State Road 148 from the intersection at State Road 48, extending south to the intersection at U.S. 50.
- (C) The area of State Road 48 from the intersection at State Road 148, extending south to the intersection at U.S. 50.

(14) The DeKalb County deer reduction zone is the portion of DeKalb County that includes a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of Interstate 69 from the DeKalb/Steuben County line south to the DeKalb/Allen County line.

(15) The Fulton County deer reduction zone is a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of U.S. Highway 31 from the Fulton/Marshall County line to the south to the intersection at State Road 14.

(16) The LaGrange County deer reduction zone is a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of the following road segments:

- (A) The area of U.S. Highway 20 from the intersection at State Road 9 to the east to the LaGrange/Steuben County line.
- (B) The area of State Road 9 from the intersection at U.S. Highway 20 to the south to the LaGrange/Noble County line.
- (C) The area of State Road 3 from the intersection at U.S. Highway 20 to the south to the LaGrange/Noble County line.

(17) The Lake County deer reduction zone is the portion of Lake County as follows:

- (A) The area from north of the junction of the Indiana state line and 151st Avenue.
- (B) The area from 151st Avenue east to the intersection at U.S. Highway 41.
- (C) The area from U.S. Highway 41 south to the intersection at State Road 2.
- (D) The area from State Road 2 east to the intersection at Interstate 65.
- (E) The area from Interstate 65 north to the intersection at 145th Avenue.
- (F) The area from 145th Avenue east to the intersection at U.S. Highway 231.
- (G) The area from U.S. Highway 231 south to the junction with the Porter County line.

(18) The Madison County deer reduction zone is the portion of Madison County that includes a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of Interstate 69 from the Madison/Hamilton County line east to the Madison/Delaware County line.

(19) The Griffy Lake Nature Preserve deer reduction zone is the portion of Monroe County contained in the Griffy Lake Nature Preserve.

(20) The Monroe County deer reduction zone is the portion of Monroe County that includes a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of State Road 37 from the Interstate 69 split south to the junction with the Monroe/Lawrence County line.

(21) The Porter County deer reduction zone is the portion of Porter County as follows:

- (A) The area from north of the junction of U.S. Highway 231 and the Porter/Lake County line.
- (B) The area to the east along U.S. Highway 231 to the intersection at State Road 2.
- (C) The area to the north along State Road 2 north to the intersection at Division Road.
- (D) The area to the east along Division Road to the junction with the LaPorte County line.

(22) The Steuben County deer reduction zone is the portion of Steuben County that includes a privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of the following road segments:

- (A) The area of Interstate 69 from the Indiana state line south to the junction with the Steuben/DeKalb County line.
- (B) The area of Interstate 80/90 Toll Road from the Steuben/LaGrange County line east to the intersection at Interstate 69.
- (C) The area of U.S. Highway 20 from the Steuben/LaGrange County line east to the intersection at Interstate 69.

(23) The Wabash County deer reduction zone is the portion of Wabash County that includes a

privately owned parcel of land that has a portion located not more than one-half (1/2) mile on either side of the centerline of State Road 114 from the junction with the Wabash/Fulton County line east to the intersection at State Road 13.

(24) The Warrick County deer reduction zone is the portion of Warrick County extending south of State Road 62 from the junction with the Warrick/Vanderburgh County line, then to the intersection at State Road 61 as follows:

- (A) The area to the south along State Road 61 to the intersection at State Road 66.
- (B) The area to the west along State Road 66 to the intersection at the French Island Trail.
- (C) The area to the west along the French Island Trail to the intersection at Jennings Street.
- (D) The area to the west along Jennings Street to the intersection at Old State Road 662.
- (E) The area to the west along Old State Road 662 to the intersection at State Road 662.
- (F) The area to the west along State Road 662 to the junction with the Warrick/Vanderburgh County line.

(25) The deer reduction zones in central Indiana are as follows:

- (A) Marion County.
- (B) The area in Johnson County to the south from the Marion County line as follows:
 - (i) The area to the west of Interstate 65 and south to the intersection of Interstate 65 and Whiteland Road.
 - (ii) The area to the west along Whiteland Road to the intersection at State Road 144.
 - (iii) The area to the west along State Road 144 to the intersection at State Road 37.
 - (iv) The area to the south along State Road 37 to the junction with the Johnson/Morgan County line.
- (C) The area in Morgan County to the north of the junction of State Road 37 and the Morgan/Johnson County line as follows:
 - (i) The area to the west of State Road 37 South to the intersection of State Road 37 and State Road 39/Morton Avenue.
 - (ii) The area to the north along State Road 39/Morton Avenue from the intersection at State Road 37 to the intersection at State Road 67.
 - (iii) The area to the north along State Road 67 from the intersection at State Road 39 to the intersection at Indiana Street/State Road 267.
 - (iv) The area to the north along Indiana Street/State Road 267 from the intersection at State Road 67 to the intersection at State Road 42/High Street.
 - (v) The area to the west along State Road 42/High Street from the intersection at Indiana Street/State Road 267 to the intersection at State Road 267.
 - (vi) The area to the north along State Road 267 to the junction with the Morgan/Hendricks County line.
- (D) The area in Hendricks County to the east of State Road 267 from the Morgan County line north to the Boone County line.
- (E) The area in Boone County to the east of State Road 267 from the Hendricks County line north to the intersection at Interstate 65 as follows:
 - (i) The area from Interstate 65 south to the intersection at State Road 334.
 - (ii) The area to the east to the intersection at Ford Road/County Road 975 East/Pleasantview Road.
 - (iii) The area to the north to the intersection at County Road 300 South.
 - (iv) The area from County Road 300 South east to the junction with the Hamilton County line.
- (F) The area in Hamilton County to the south of State Road 32 from the Boone County line east to the junction with U.S. Highway 31 as follows:
 - (i) The area to the north along U.S. Highway 31 to the intersection at 236th Street.
 - (ii) The area to the east along 236th Street to the intersection at State Road 19.
 - (iii) The area to the south along State Road 19 to the intersection at State Road 32.
 - (iv) The area to the east along State Road 32 to the junction with the Madison County line.

(f) The firearms deer season begins the first Saturday after November 11 and ends after an additional fifteen (15) days. An individual may take not more than one (1) antlered deer under this subsection with a firearms license.

(g) The deer hunting season to use a muzzleloading long gun or muzzleloading handgun begins the first Saturday after the closing day of firearms season under subsection (f) and ends after an additional fifteen (15) days. An individual may take not more than one (1) deer of either sex under this subsection.

(h) The bag limit by county to take a bonus antlerless deer is as follows:

- (1) One (1) deer in Adams County.
- (2) One (1) deer in Allen County.
- (3) Two (2) deer in Bartholomew County.
- (4) One (1) deer in Benton County.
- (5) One (1) deer in Blackford County.
- (6) Two (2) deer in Boone County.
- (7) Three (3) deer in Brown County.
- (8) Two (2) deer in Carroll County.
- (9) Two (2) deer in Cass County.
- (10) Three (3) deer in Clark County.
- (11) Three (3) deer in Clay County.
- (12) Two (2) deer in Clinton County.
- (13) Three (3) deer in Crawford County.
- (14) Two (2) deer in Daviess County.
- (15) One (1) deer in Dearborn County.
- (16) Two (2) deer in Decatur County.
- (17) Two (2) deer in DeKalb County.
- (18) Two (2) deer in Delaware County.
- (19) Two (2) deer in Dubois County.
- (20) Two (2) deer in Elkhart County.
- (21) One (1) deer in Fayette County.
- (22) Three (3) deer in Floyd County.
- (23) Two (2) deer in Fountain County.
- (24) One (1) deer in Franklin County.
- (25) Two (2) deer in Fulton County.
- (26) Two (2) deer in Gibson County.
- (27) Two (2) deer in Grant County.
- (28) Three (3) deer in Greene County.
- (29) Two (2) deer in Hamilton County.
- (30) Two (2) deer in Hancock County.
- (31) Three (3) deer in Harrison County.
- (32) Two (2) deer in Hendricks County.
- (33) One (1) deer in Henry County.
- (34) Two (2) deer in Howard County.
- (35) Two (2) deer in Huntington County.
- (36) Three (3) deer in Jackson County.
- (37) Two (2) deer in Jasper County.
- (38) One (1) deer in Jay County.
- (39) Three (3) deer in Jefferson County.
- (40) Two (2) deer in Jennings County.
- (41) Two (2) deer in Johnson County.
- (42) Two (2) deer in Knox County.
- (43) Two (2) deer in Kosciusko County.
- (44) Three (3) deer in LaGrange County.
- (45) Two (2) deer in Lake County.
- (46) Two (2) deer in LaPorte County.
- (47) Three (3) deer in Lawrence County.
- (48) Two (2) deer in Madison County.
- (49) Two (2) deer in Marion County.
- (50) Two (2) deer in Marshall County.
- (51) Three (3) deer in Martin County.
- (52) Two (2) deer in Miami County.
- (53) Three (3) deer in Monroe County.
- (54) Two (2) deer in Montgomery County.
- (55) Three (3) deer in Morgan County.
- (56) Two (2) deer in Newton County.
- (57) Three (3) deer in Noble County.
