SECTION 2: CONTACT LOG

If a listed agency was contacted for this environmental review, place a check mark in the ☒ Contacted column next to that agency in the list. Provide the date the consultation was initiated (i.e. when you first emailed, submitted the online form, or postmarked your initial outreach). If the agency responded, place a check mark in the ☒ Responded column. Once consultation is complete (i.e. a concurrence has been received and no more follow-up is needed), provide the date of the agency's final response in the Date Final Response column. Consultation guidance is provided on the subsequent pages. Attach copies of the initial consultation request/outreach and any responses received.
