Anderson Municipal Power & Light Rate Case: Public Comments Invited

IURC Hearing July 20 in Anderson

The Indiana Office of Utility Consumer Counselor (OUCC) is inviting public comments on the City of Anderson's pending electric rate request through Jul. 24, 2026.

In addition, the Indiana Utility Regulatory Commission (IURC) will hold a public field hearing in Anderson on Jul. 20, 2026.

The OUCC – the state agency representing consumer interests in cases before the IURC – is using its technical and legal resources to review the utility's proposal. Formal testimony from the OUCC is due Jul. 31, 2026.

Written Consumer Comments

Consumers who wish to submit written comments for the case record may do so via the form on the OUCC's website at www.in.gov/oucc/2361.htm, or by mail at:

Public Comments
Indiana Office of Utility Consumer Counselor (OUCC)
115 W. Washington St., Suite 1500 SOUTH
Indianapolis, IN 46204

Consumer comments will be included in the formal case record for Commission review. Comments **should not** contain sensitive or personal information as comments will become viewable and searchable online once posted to the IURC's online case file. Consumers with questions about commenting can contact the OUCC's consumer services staff at 1-888-441-2494.

The OUCC needs to receive all written consumer comments **no later than Thursday, Jul. 20, 2026**, so that it can: 1) Consider comments in preparing its testimony and 2) File them with the Commission to be included in the case's formal evidentiary record. Comments should include the consumer's name, city, zip code, and a reference to either "**IURC Cause No. 46397**" or "**Anderson Power & Light**." Consumers with questions about submitting written comments can contact the OUCC's consumer services staff toll-free at 1-888-441-2494.

Public Field Hearing

The IURC has scheduled a public field hearing in this case for Thursday, Jul. 20, 2026, in the Anderson City Hall Auditorium (120 East Eighth Street).

The hearing will begin at **6:00 p.m.** Consumers are encouraged to arrive by 5:45 p.m. for an overview of field hearing procedures and the rate case process. No final decisions about the case will be made at the hearing.

(Continued)

The sole purpose of a field hearing is to receive public testimony. A final decision is expected in early 2027.

- Consumers can speak directly to the Commission under oath and on the record.
- Oral comments presented during the field hearing will become part of the case record. They will carry the same weight as written consumer comments submitted to the OUCC.
- Utilities do not make presentations or answer questions during field hearings. The focus, again, is on public input. In this case, the city filed its testimony and exhibits in April 2026.
- Commissioners are not allowed to answer questions about the case. They will ultimately render a decision after weighing evidence from the utility, the OUCC, and intervening parties. OUCC staff will be available to answer questions at the hearing.

Case Overview

The City of Anderson's electric utility is seeking a \$12.0 million increase in its annual operating revenues, resulting in a 12.58% increase.

The utility is seeking approval to issue up to \$5.3 million in long-term debt in this case, along with the rate increase. According to its testimony, the city is seeking changes due to higher operating and maintenance costs and to pay for infrastructure repairs and improvements to transmission and distribution systems.

According to the utility the proposed rate increase would cause the average 1,000 kWh residential bill to rise by \$17.53 per month in early 2027.

A settlement agreement is possible in any legal proceeding; such an agreement, if reached, would require IURC approval.

The OUCC is posting case updates online at www.in.gov/oucc/electric/key-cases-by-utility/anderson-municipal-electric-rates/. Case updates are also available through the agency's monthly electronic newsletter. Consumers can subscribe at www.in.gov/oucc/news/.

(IURC Cause No. 46397)

The Indiana Office of Utility Consumer Counselor (OUCC) represents Indiana consumer interests before state and federal bodies that regulate utilities. As a state agency, the OUCC's mission is to represent all Indiana consumers to ensure quality, reliable utility services at the most reasonable prices possible through dedicated advocacy, consumer education, and creative problem solving.
