DISCUSSION

Rule Review:

Ann brought up that she feels that they need to add addition continuing education credits for those that supervise CFY's and for those that teach continuing education classes.

It was also brought up and discussed that school-based speech-language pathologists should have a workload limit.

Ann and Katherine indicated they would work together to come up with some proposed language for both sections for the Board to consider in January.

Compact Update:

Ann gave an update on the compact. Currently there are thirty-four (34) states interested in joining the compact. Currently IL and MI are not joining. We also will need to determine an application fee for Indiana applicants.

The Board set their next meeting at July 18, 2024 at 10:30a.m.

There being no further business the Board adjourned at 12:22 p.m.
