FULL BOARD APPEARANCES

Tim Koch, R.Ph., CHC, Senior Director, U.S. Ethics & Compliance, Health & Wellness Practice Compliance, Wal-Mart – Suspicious Order Monitoring:

Participating Members: Donna Wall, R.Ph., Mark Smosna, R.Ph., Steve Anderson, R.Ph., Del Fanning, R.Ph.

Mr. Koch and Steve Harps both appeared regarding this matter.

At the August 2019 board meeting the following hearings were held:

Lauren Colip, R.Ph., License No. 26025664A, Cause No. 2019 IBP 0017 and Katherine Morrow, R.Ph., License No. 26026634A, Cause No. 2019 IBP 0016

Both Respondents appeared in person and were represented by counsel, Mike Grubbs, J.D. regarding a Joint Final Hearing scheduled before the Board. The State of Indiana was represented by Tim Weber, Deputy Attorney General and the court reporter sworn in for this matter was Heather Orbaugh with Accurate Reporting Services.

Dana McClanahan, former technician was sworn in as a witness for the State.

The State indicated that both Ms. Colip and Ms Morrow failed to log out of their computers while acting as the PIC which allowed Ms. McClanahan to divert medications from the pharmacy.

Ms. McClanahan testified that she would use the computer that was still logged in by the PIC to divert the medications. She was giving it to another person who would then sell the medications.

Ms. McClanahan diverted hundreds of Alprazolam 2mg tables, Suboxone 8-2mg film and several bottles of Promethazine/Codeine 6.25/10mg syrup.

Ms. Colip was PIC at this WalMart store from November 2015 to September 2017 when she went on maternity leave.

Ms. Morrow was PIC during Ms. Colip's maternity leave. She did not have any formal training as a PIC but did have the opportunity to follow Ms. Colip prior to her going on leave.

Ms. Colip testified that she did not log out of her computer when she stepped over to do a counseling or went to the drive up window to assist. She indicated that if she logged out it would stop all functions in the pharmacy. She indicated she didn't know she could simply lock the computer by hitting control K.

Ms. Morrow testified that she too did not log out of the computer when she stepped over to do counseling or went to the drive up window to assist. She also indicated that all functions would stop in the pharmacy if she logged out and she too did not know she could simply lock the computer by hitting control K.

The Board requested to discuss the monitoring that Walmart has in place to assist in preventing this from happening.

Mr. Koch indicated that part of the issue was the trust the Pharmacist had with the technician and allowed the technician to ring up her own items. The Pharmacist was not checking individual bags and coat pockets as was required.

He indicated that they have limited the controlled substances to all come from one (1) _____

warehouse as prior they could come from multiple warehouses. They have also put in a hard halt password so the Pharmacist has to put in their password to change an order.

They have reiterated to all staff that when leaving a terminal they must use the "control K" to lock the computer. This went out to all staff again in August 2019 and is being written into Wal-Mart's policies so if it is violated they can point it out in the policies.

The Board thanked Mr. Koch and Mr. Harps for appearing.

Harpers Pharmacy d/b/a Ameripharma – Non Resident App:

Participating Members: Donna Wall, R.Ph., Mark Smosna, R.Ph., Steve Anderson, R.Ph., Del Fanning, R.Ph.

Staff notified Harpers Pharmacy of the appearance and this is the second time they have not shown for a scheduled appearance.

After discussion, the Board moved to DENY Harpers Pharmacy's non resident application.

Mark Haywood, R.Ph., PIC and Casey Whipple, Technician in Training at Haywood Rx, LLC d/b/a Optimum Wellness Pharmacy – Training without an approved program:

Participating Members: Donna Wall, R.Ph., Mark Smosna, R.Ph., Steve Anderson, R.Ph., Del Fanning, R.Ph.

Recently, Ron Henderliter, Compliance Officer completed a routine inspection at Haywood Rx, LLC d/b/a Optimum Wellness Pharmacy on September 24, 2019, where he discovered that Ms. Whipple had been training at this pharmacy as a technician and the facility did not have a Board approved technician training program.

Ms. Whipple's technician in training license also expired on August 15, 2019. She indicated that she did work through September this year but was only working about ten (10) hours per week and was doing book training for the PTCB exam.

Mr. Haywood indicated that he thought if they were doing the book training for PTCB they could do the experiential training in any pharmacy.

Mr. Haywood submitted a partial training program. The Board indicated they would review

it after it was complete.

Kraig Kinney, Deputy General Counsel, DHS – ambulance CSR rule:

Participating Members: Donna Wall, R.Ph., Mark Smosna, R.Ph., Steve Anderson, R.Ph., Del Fanning, R.Ph.

The Board and Mr. Kinney went over the changes to the proposed rules for ambulances.

Mr. Covington indicated that he will put together a final draft of the rules for the Board to vote on at next month's meeting.

Respondent appeared in person and was not represented by counsel regarding an Order to Show Cause scheduled before the Board. The state of Indiana was represented by Ryan Eldridge, Deputy Attorney General and the court reporter sworn in for this matter was Heather Orbaugh with Accurate Reporting Services.

Darren Covington, Board Director was sworn in as a witness.

The order to show cause is to determine if the Respondent violated the following

probationary terms of the Board's order.

g) Applicant shall submit to an evaluation with the Indiana Professionals Recovery Program (IPRP), and if recommended for monitoring, she shall sign a recovery monitoring agreement and comply with its terms.

h) Applicant shall not violate any laws regulating the practice of being a pharmacist and shall report any arrests, substance abuse relapses, or discipline at work, and shall comply with the terms of her criminal probation.

She did sign a contract with IPRP but two (2) weeks ago she had a positive PETH test for alcohol.

Mr. Covington testified that he received a copy of the PETH test from Tracy Traut with IPRP. He received an email from Ms. Traut indicating that Ms. Branchfield had not had a drug screen since January 2019. Ms. Traut scheduled Ms. Branchfield to do a PETH test as it captures a longer period of time.

Due to the positive PETH test Ms. Traut extended Ms. Branchfields PRP contract for three (3) months.

Federal Grants

- IPLA has submitted a budget for year 1 of the CDC's Overdose Data to Action grant. INSPECT will receive \$675,000 for each year of the three year grant.
- As a condition of the CDC's grant, INSPECT is required to connect to the Bureau of Justice Assistance RxCheck system. IPLA completed a cost analysis, statement of work, and timeline for implementation of the RxCheck system connection.

Training and Education

- The 2019 Tableau conference is taking place November 12-15 in Las Vegas. IPLA would like to send two staff members to the conference this year. INSPECT will be investing in advance data analytics dashboards in 2020. The Tableau conference will provide additional training to the INSPECT staff in preparation for development of the new dashboards.
- INSPECT is developing a new on-site training program for college seniors who are seeking a degree in pharmaceutical sciences or Veterinary medicine. Our compliance team will train future Pharmacists and Veterinarians on how to use INSPECT for reporting controlled substance dispensations and checking patient prescription histories.

Compliance

- INSPECT sent out another PMP announcement this month, reminding dispensers to report the identification number of individuals who are picking up controlled substances from their facility, in accordance with State law.

The VA MISSION ACT

- Section 134 of the VA MISSION Act sets requirements for VA providers to query their State PDMP. The VA requested proposals for integrating PDMP data into their VISTA EMR until they are able to complete their transition to a Cerner Millennium system. Appriss Health won the bid for this project and has reached out to State PDMP Administrators for input on state laws and policies that outline the rules for sharing PDMP data.

NABP

- The NABP scheduled a conference call with PDMP Administrators on October 3rd to discuss the release of their new website, PDMP Works, which is dedicated to sharing successful State-led efforts to stem opioid and prescription drug abuse.

There is a conference in November 2019 regarding Tableau which is used daily in INSPECT. Ms. Slusser is requesting the Board for \$5,000 from the INSPECT fund to pay for two (2) staff member to attend the conference.

After discussion, the Board moved to approve the request for funding.
