Re: Administrative Complaint

#### **Parties Present:**

Respondent present with counsel Michael Gearte  
Brittany McMann, Deputy Attorney General for the State of Indiana  
Margie Addington, Court Reporter, Accurate Reporting

#### **Participating Board Members:**

Robert D. Findley, D.D.S., (Hearing Officer)  
Annette J. Williamson, D.D.S.  
Richard R. Nowakowski, D.D.S.  
R. Daron Sheline, D.D.S.

**Case Summary:** On or about June 20, 2023 an Administrative Complaint was filed against Dr. Ringenberg with allegations that he performed a treatment or procedure that violates acceptable standards of dental practice, and resulted in failure or was detrimental to the patient. On or about June 4, 2024 the State and Dr. Ringenberg agreed to Joint Stipulation of Facts in the matter. The hearing today is to determine if any further sanctions need to be imposed on Dr. Ringenberg's license.

Ms. McMann stated that there are agreed mitigating factors in this matter. Mr. Gearte stated that Dr. Ringenberg is not arguing on the facts of his violation, but requests that the Board not place Dr. Ringenberg on probation as that would be detrimental to his practice. Mr. Gearte submitted Exhibits A-D, which are certified records of the presurgical procedure records, CE course summary, Copies of the CE certificates of completion, and a letter from Matthew Dass, Chief Operating Officer of Dr. Ringenberg's employment. The Board and State had no questions on the exhibits.

Dr. Ringenberg discussed his current practice in Anderson and the extraction procedure, which led to the complaint. Dr. Ringenberg outlined that to address the complaint, he has completed 94 additional CE training courses, and outlined his new policy and procedures on how extractions occur in his office. Ms. McMann stated that one of the mitigating factors that the State considered is the financial impact it would have to complete all 94 CE training courses. The Board discussed the extraction procedure with Dr. Ringenberg.

**Board Action:** A motion was made and seconded to accept the Joint Stipulations of Facts and issue a Letter of Reprimand in the matter of Dr. Ringenberg.

5-5-0  
Sammons, Rader, Williamson, Nowakowski and Kolkman- nay  
Motion failed.

The Board re-opened the hearing to ask Dr. Ringenberg how many violations were imposed against his license. Mr. Gearte noted that there were originally 4 violation counts; however, it was reduced to one. He stated that his client and he are amenable to say 4 counts if the Board would like them to waive that issue. The Board counsel stated that the statute does not allow the Board to waive the violation issue of fines. The Board can only impose \$1,000 per found violation. The Board discussed if they could require volunteer contributions, but Board counsel stated that the Board does not have the statutory authority to request volunteer contributions for this case. Ms. McMann stated that the State could include the investigation costs with the letter of reprimand. Mr. Gearte stated that they would not object to that stipulation. Ms. McMann stated that if the Board wished to go the probation route, it would be difficult for Dr. Ringenberg to demonstrate he remedied the incident since he has already shown that with his completed CE and changes in policy.

A motion was made and seconded to accept the Joint Stipulations of Facts and issue a Letter of Reprimand and impose a \$1,000 fine in the matter of Dr. Ringenberg.
