ADMINISTRATIVE HEARINGS

Christopher Haseker, R.Ph., License No. 26028631A, Cause No. 2021 IBP 0049

Respondent appeared telephonically and was represented by counsel, Laura Iosue, regarding a Petition for Summary Suspension scheduled before the Board. The State of Indiana was represented by Tim Weber, Deputy Attorney General and the court reporter sworn in for this matter was Heather Orbaugh, with Accurate Reporting Services also

appeared telephonically.

Zaneta Nunnally, Compliance Director was sworn in as a witness for the State.

Ms. Nunnally testified that Mr. Haseker did not graduate from an accredited university. She contacted Creighton University where Mr. Haseker indicated he went to from 2010 to 2015 and graduated with a Doctorate of Pharmaceutical Sciences. The school has no record of the Respondent attending or completing a Doctor of Pharmacy Program. In checking with NABP the Respondent's score was invalidated by NABP once they investigated and found he failed to graduate from an accredited school of pharmacy and falsified his application.

In April 2019, Missouri placed the Respondent's pharmacy technician license on Employee Disqualification for a period of five (5) years.

In February Illinois Board denied the Respondent's application for multiple reasons, including the fact that the Respondent previously plead guilty to a criminal felony possession of a controlled substance. Illinois Board also determined that the Respondent failed to meet the requirements for licensure as a Registered Pharmacist because he did not receive a professional degree in pharmacy at a recognized and approved school.

States Exhibits:

A – Copy of his Indiana Application

B – Copy of his Illinois Application

Respondent's Exhibits:

1 – Letter and documents from the MO Board

2 – Copy of Temporary Pharmacist license in Illinois

3 – Indiana Application & correspondence

4 – Feb 2021 employee evaluation

5 – Concordia College Transcript

6 – Concordia College Diploma

7 – CE Certificates

8 – Immunization Certificate

9 – NABP's CPE Monitor listing of CE

10 – Education record

11 – NABP member manual

After having considered the evidence presented, testimony of the witness, and taking official, judicial notice of the pleadings, evidence and orders in this matter, the Board moved to place the Respondent's license on SUMMARY SUSPENSION for Ninety (90) days.
