Criminal background checks must be obtained after you apply for your dental license with the Board and prior to the issuance of a license.

JURISPRUDENCE EXAMINATION

After the approval of your application by the Board, you will be notified by email that you are eligible to take the jurisprudence examination. Upon notification from the applicant that they are ready to take the jurisprudence examination, the examination and instructions will be emailed to you. You will have fourteen (14) days from the date the email is sent to you with the Jurisprudence Examination and Instructions in order to complete the examination and return the required information to our office.
All applicants will be examined on the statutes and rules of Indiana related to the practice of dentistry and dental hygiene, universal precautions, and infectious wastes. This is a 50 question true-false and multiple-choice examination. Passing criteria is 75%. Statutes and Administrative Rules are available to download at www.pla.in.gov.

The jurisprudence examination is based on the following:
- Ind. Code 25-13 Dental Hygiene Law
- Ind. Code 25-14 Dental Law
- Title 828 IAC Dental and Dental Hygiene Rules
- Title 410 IAC 1-3 and 1-4 Infectious Waste and Universal Precautions

TRANSCRIPTS, CERTIFICATES OF COMPLETION, EXAMINATION SCORE REPORTS & STATE VERIFICATIONS MUST BE SENT DIRECTLY FROM EACH ENTITY

The Board will not accept any transcripts, certificates of completion, examination score reports or state verifications directly from the applicant. All transcripts, certificates of completion, examination score reports and state verifications must be sent directly from those entities.

You have the right to challenge, correct, or explain information maintained by this agency. The information you provide will become public record. Your examination scores and grade transcripts are confidential except in circumstances where their release is required by law, in which case you will be notified.

MANDATORY DISCLOSURE OF U.S. SOCIAL SECURITY NUMBER

Your social security number is being requested by this state agency in accordance with Ind. Code 4-1-8-1, 25-1-5-11(a), and 828 IAC 1-1-2(d). Disclosure is mandatory, and this record cannot be processed without it.

Failure to disclose your U.S. social security number will result in the denial of your application. Application fees are not refundable.

ABANDONED APPLICATIONS

If an applicant does not submit all requirements within one (1) year after the date on which the application is filed, the application for licensure is abandoned without any action of the Board. An application submitted subsequent to an abandoned application shall be treated as a new application.

CONTROLLED SUBSTANCE REGISTRATION (CSR)

The application for a CSR and instructions are available on the Board’s website at www.pla.in.gov. Please read the CSR instructions on how to complete the form and the fee required.

Applicants must have an active Indiana dental license before they can obtain an Indiana CSR. Dentists must hold one CSR in order to prescribe controlled substances in the State of Indiana. An additional, separate registration is required for each practice address at which a dentist physically possesses controlled substances to administer or dispense. A separate registration is NOT required for each place where a dentist merely prescribes controlled substances. One valid CSR is sufficient for a dentist to prescribe controlled substances throughout the State.

Applicants must use an Indiana practice address when applying for a CSR. The CSR can only be mailed to the address submitted on the application. A CSR will only be issued to a street address; post office boxes will not be acceptable unless accompanied by a street address. An application with an incomplete or out of state address will be returned. Dentists must notify the Indiana Professional Licensing Agency in writing of any change of address.

Applicants may apply for a CSR at the same time they apply for their dental license. However a CSR will not be issued until the applicant has met all criteria as listed within the CSR Instructions.
DRUG ENFORCEMENT ADMINISTRATION (DEA)
DEA applications may be obtained by contacting the following address or telephone number:

DRUG ENFORCEMENT ADMINISTRATION

ANESTHESIA AND SEDATION PERMITS
State law requires that dentists hold a permit to administer general anesthesia, deep sedation, or light parenteral conscious sedation. Applications are available on the Board’s website at www.pla.in.gov.

ISSUANCE OF LICENSE
Upon issuance of your license by the Board, you will be sent an email notifying you that your license has been issued. There will be instructions on how to purchase a blue license card to be mailed to you or how to download a free license card for immediate printing.

Ind. Code 25-14-1-10(b) and 828 IAC 4-3-5(c) requires that a dental license shall be properly displayed at all times in the office of the person named as the holder of the license, and a person may not be considered to be in legal practice if the person does not possess the license and renewal card.

Therefore, you must either download the free license card or purchase a blue license card to post. IPLA staff cannot print license cards to be mailed or for walk-ins to our office.

This service is available on our website at www.in.gov/pla/license.htm.

You are not required to complete continuing education within the renewal period of which your license is issued.

CRIMINAL BACKGROUND CHECK INSTRUCTIONS

**Please wait for the Email notice.** Do not submit to a criminal background check until you receive an email notifying you that the board has received your application. A criminal background check (CBC) completed prior to the submission of an application for licensure will not be considered valid. An application is not considered “received” until it is manually entered into the IPLA licensing system by board staff. An email is sent out notifying you that the application is in our system and you are eligible for the CBC. If an application is not received before scheduling a CBC, the applicant will be required to submit to another check resulting in additional fees. As stated, you will receive an email from your board notifying you that you are eligible for the CBC.

**Fingerprint rejections may lead to delay.** If your fingerprints are rejected two (2) times by the FBI, you will be required to submit a written verification to complete your criminal background check. This written verification process can take up to six (6) weeks or longer to complete once the written verification form is received. Fingerprint rejections occur for different reasons including the prolonged use of hand sanitizer and the wearing of latex gloves. IPLA does not conduct or administer the criminal background checks and cannot assist you with expediting the process.

**Applicants who reside out of state, or are physically unable to go to a location to be fingerprinted may use MorphoTrust Card Scan Processing Program.** To view step-by-step instructions, please go to http://www.l1enrollment.com/state/forms/in/53110e81122f7.pdf.
