### General Testing Information

The Indiana Plumbing Commission oversees the licensing process for contractors. The State has contracted with Prov, Inc. to develop and administer its licensing examination program for contractors. Participating in the Indiana Plumbing Exam Program does not guarantee that the State will award you a license. However, the Indiana Plumbing Examination Program serves as an independent appraisal of your competency in the plumbing field and your test results are used by the State to satisfy the requirements for testing. This bulletin has been developed to help explain the rules and processes candidates will need to undertake to complete the testing requirement for their plumbing licenses.

You must first complete the appropriate application with the Indiana Plumbing Commission. Applications are posted online. Once you have been approved, the IPC will notify you to contact Prov to schedule your examination. You may attempt to pass the exam up to seven times within a two-year period, however you have one year from your approval date to take the exam for the first time. If you do not take the exam within a year, you must reapply.

Prov is not authorized to make the determination of which examination candidates must take. If you are unsure which exam is needed for the license being sought, resolve this question with the Indiana Plumbing Commission before scheduling. If you take the wrong exam, the exam fee will not be refunded.

The written instructions for computerized exams are included in this bulletin. Please refer to the CBT Candidate Notice for these instructions and a visual of the screen layout.

For an opportunity to preview Prov's computer-based testing system before arriving at the test center, candidates can watch a demonstration video by visiting <https://www.provexam.com/Movies/CBT2.swf>. This short movie provides a basic demonstration of how to take a test on Prov's computer system.

## Scheduling Process

Once you have been approved to test by the IPC, you can then schedule your test session. Candidates are required to schedule in advance for their examinations in order to ensure that a testing seat will be available. There are a limited number of seats at each testing facility and seating availability is based on a first-come, first-served basis.

To schedule an examination candidates must first confirm and select the test they were approved to take. Next, the candidates must **find available seats** in their area. During this second step candidates will select the date and location where they wish to test. The third and final step is to **make payment** for those examinations. The scheduling process is not complete until payment has been made to Prov. Once the scheduling process is complete, candidates will be sent an appointment letter which includes their testing session details.

### Advance Scheduling

Prov offers several convenient methods to allow candidates to schedule their examination(s). Candidates may use any of these methods to schedule their testing appointments and there are no extra fees charged for use of any of these methods.

The scheduling methods available are:

- Online
- Over the phone
- By Mail
- By Fax

For most testing locations in Indiana candidates must complete the scheduling process by **four** business days prior to testing.

### Scheduling Methods

#### Online Scheduling

If you have any difficulties with online scheduling, give us a call at (866) 720-7768.

To schedule online, Candidates must go to Prov’s home page at [www.2Prove.com](http://www.2Prove.com). Then they must select the CANDIDATE LOGIN link found under the Test Taker heading (left-side of home-page). Once candidates have accessed Arkiv (Prov’s information management

system), they must select Indiana as their Program Name and click NEXT STEP.

#### Login

Candidates should enter their CANDIDATE IDENTIFIER (provided by the Indiana Plumbing Commission). Candidates logging in for the first time should enter their pre-assigned password which is the first three letters of their last name and the last four numbers of their Candidate ID. The first letter of their last name should be an upper case letter and the other two letters are lower case.

Example: An individual named John Tucker, with a Candidate ID of 2000012345 would enter the following as a password: Tuc2345.

If you are a returning user enter the password that was created the last time the candidate entered. Then press NEXT STEP.

Before entering Arkiv the Candidate should confirm that they are entering the correct account and then click the ENTER button.

#### Password

To access the candidate information inside of Arkiv, the candidate will need to set up a password. If candidates

have forgotten their Arkiv password, they may press the FORGOT PASSWORD button and their passwords will be emailed to the email address the candidates have provided when their testing profile was initially created. If candidates still encounter difficulties, they must contact Prov staff during business hours to receive help.

**Schedule a Testing Session**

It is recommended that all candidates read their candidate information bulletin prior to scheduling. If they have not yet read the candidate bulletin, they may access it by selecting the PROGRAM DOCUMENTS tab.

Once a candidate is logged into Arkiv, they should select the SCHEDULE button listed in the Action Items next to their exam name.

One the next page Candidates will be asked to complete four steps in order to select a testing session.

Step 1: Select Examination - Use the mouse to select an unscheduled exam from the list to the left. (Note: If only one exam is shown, it will automatically be the selected exam.)

Step 2: Enter Search Criteria – Enter the date when the candidate would like to test. Enter a ZIP Code where the candidate would like to search from. Select the maximum distance the candidate will travel to a testing center. Select or confirm the testing method. Then press FIND AVAILABLE SEATS.

Step 3: Select Testing Dates, Times and Location – Using the mouse, click on one of the rows listed containing the testing date, time and location wanted and the press SELECT SEAT. If the candidate only has one exam to schedule they will automatically be taken to the payment

screen. If the candidate has more exams to schedule return to step 1 and select the next test.

Step 4: Click the PAY FOR EXAM button

**Paying Online**

To pay for a specific registration event, select the invoice number on the left. If the billing address or name on the card is different from the information previously provided, press the USE DIFFERENT BILLING ADDRESS checkbox to enter the new information. Finally, enter the credit card or debit card payment information, and press SUBMIT PAYMENT.

Candidates can choose not to pay for the exam immediately by clicking the EXIT WITHOUT PAYMENT button. The seat will be held until midnight. At that time the seat will be released for anyone to schedule. When returning to the website to make a payment before the end of the day the candidate should select the MAKE PAYMENT tab.

Once payment is received the testing session is reserved. Candidates should print or email their confirmation letters for their own reference.

If a mistake is made, a candidate can unschedule an exam by selecting the VIEW MY SCHEDULE link from the candidate console, then requesting to cancel the selected test.

If you have any problems with online scheduling, give us a call at (866) 720-7768.

**Phone Scheduling**

To schedule for an examination by phone, candidates should contact Prov toll free at 866-720-7768. Prov scheduling staff is available 8:00 a.m. through 6:00 p.m. ET, Monday through Friday.

Candidates should be prepared to provide the Prov scheduling staff with their name, Candidate ID (their

Social Security number), and their ZIP code. Once Prov confirms the candidate's identity, Prov staff will search the database for the next available testing session at the candidate's preferred testing location and will provide candidates with any alternate locations that may be in close proximity to their address. Once candidates are scheduled, Prov staff will email them information regarding their testing schedule.

### **Cancel/Rescheduling Policy**

If candidates need to change or cancel their testing appointment, they must contact Prov at least three business days prior to their scheduled date. Changes will be made at no cost if candidates notify Prov by the deadline.

If candidates fail to appear for their test or fail to cancel or reschedule their testing session by the close of business three days prior to their scheduled test date, they will forfeit their exam fees.

### **Retesting Policy**

If candidates fail their initial exam, they are permitted to retake the exam another six times within their eligibility period. Candidates must pay the exam fee for each test they schedule. After a failed attempt there is a waiting period of ten days and candidates can schedule a new testing session for the first available testing date. Candidates cannot retake an exam once they have passed that exam unless required by the State of Indiana.

### **Results Reporting**

Each test will be uniformly graded following the completion of the testing process. Grades will be distributed to you based on the information found in the subsequent sections.

If you receive a PASSING grade, this means that you have been deemed to be competent in a particular trade or craft by means of successful test completion. It does not, however, mean that you are licensed to practice. Licensure is typically awarded by a governmental board or agency that will require these testing results as one component of the licensure process. Upon successful test completion you should contact your local licensing agency regarding any additional steps necessary to complete the licensure process.

### **Computer Testing Results**

When you complete your test, the proctor will print out and provide you with a score report. This score report will be your official score letter although passing candidates can return to Prov's scoring website to print additional copies of score results from the following web link:

[www.2prove.com](http://www.2prove.com)

To access your passing results, you will need to provide your candidate ID and Last Name. Your candidate ID will be your ID provided on your original score letter.

### **Scoring Detail**

Candidates that are **successful** in passing their examinations will be provided with a score letter that indicates a **PASS** status. No numerical grade or subject area breakdown is provided to passing candidates.

The reason behind the non-disclosure of numeric grades to passing candidates is that Prov's tests are designed to merely assess whether an individual is above or below a designated competency level (cut-point). Thus passing a test by a huge margin or passing by a small margin has no impact on Prov's decision of whether you have satisfied the minimum requirements for certification. Hence, providing numeric scores might mistakenly lead some to conclude that the scores provide a means of ranking the passing candidates, which it does not. Given this rationale, any requests for providing details regarding a numeric grade for passing candidates will be denied.

Candidates that are **unsuccessful** in passing their tests will receive a **numeric** grade as well as a **subject area breakdown** of the test that describes the areas where the candidate performed well or poorly.

Candidates that would like duplicate copies of their passing score result may log onto Prov's registration site and print a duplicate copy at no cost.

### **Reviews**

Reviews are intended to help candidates audit their testing results by allowing them to see which questions were missed on the most recently taken exam. Prov encourages those taking reviews to comment upon questions they feel were unfairly graded or which they

feel may be incorrect. All comments from reviews will be analyzed by Prov staff with summary results distributed following the expert analysis of your comments.

To be eligible for a review, you must have **failed** an examination and have scored within **10 points** of the required passing score. Reviews must be scheduled no more than **ninety (90)** days following your most recent testing session.

During the review you will be provided with a copy of the test questions you missed and the answer you provided for those questions. You will also be provided with a comment form that you can use to challenge any test question. You will not be able to change any answers on the exam.

The cost of the review is \$70 for each test reviewed. You will request or schedule a review using the same methods described earlier for Test Registration or Scheduling.

### Exam Challenge Process

If during an exam or review, the candidates encounter a question they think is inaccurate or otherwise incorrect, they are encouraged to submit an Exam Comment form to Prov detailing why they feel the question is in error.

Candidates testing on computer may make their comments in the testing system. Candidates who are reviewing an exam will automatically be provided with an Exam Comment form.

Prov staff will review each comment within two weeks of receipt by Prov and will make scoring adjustments should any comment result in a change to a test question. Candidates will be notified by mail if their comments result in a score change. Candidates can also check for a score change online through their candidate account. Candidates can log into Arkiv by going to our website at [www.2Prove.com](http://www.2Prove.com) and entering their Candidate ID and password. When candidates reach the candidate home page inside of Arkiv, they can select the MY ACCOUNT Tab and then the EXAM HISTORY button and see the results of all the exams they have taken with Prov.

Any changes made to a grade will be reflected on the score result within two weeks of submitting the Exam Comment form. Detailed answers to questions or comments are not provided for security purposes.

Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

### Check-in Deadline

The doors to each testing center will open at least 30 minutes before all scheduled testing appointments in

order to check candidates into the testing center. Candidates should plan to arrive early to make sure they are seated by the time the testing begins. If candidates are late in arriving, AND the testing session has already begun, CANDIDATES WILL BE TURNED AWAY and will forfeit their exam fees and will be required to reschedule for a future testing date.

### **Proof of Identity**

Upon arriving at the testing center, candidates will be required to show government-issued, photo-bearing identification. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. Candidates will also be required to sign a test center log, and will be photographed by the test center staff. If candidates cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, they will be dismissed from the testing center and forfeit all testing fees for that testing session.

### **Prohibited Items**

No cameras, recorders, cell phones or other communication devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

- **Approved References.** (See information below).

### **Reference Material Rules**

All examinations are designed to allow candidates to use **authorized** references while taking their exams. For a list of what reference materials are authorized for the exams, please refer to the exam description for the candidate's exam. All candidates' reference materials will be checked by the Prov test administrator prior to the candidates being permitted access to the testing room.

Candidates should prepare their reference materials using ONLY the following methods.

- Highlighting
- Attaching permanent tabs

Reference materials which do not meet the following guidelines will not be allowed in the testing room. These guidelines are in place to ensure that every candidate is tested fairly and that no candidate has access to unapproved resources.

- Handwritten notes are NOT allowed in any portion of a reference book.
- Moveable tabs are NEVER permitted in a reference book.
- A reference book CANNOT contain Post-it notes.
- Photocopied documents CANNOT be added to a reference book.
- Photocopied versions of a reference are only allowed when listed as permitted in the exam description.

Prov asks that candidates leave all unauthorized materials in their vehicle. If candidates are caught using unauthorized materials during testing, these materials will be confiscated, their testing will be terminated with fees forfeited, and the Board will be notified of their actions. During the testing process candidates MUST NOT:

- Share reference materials during testing.
- Highlight, underline, mark or write any kind of information in their reference materials during testing.

### **Visitor Policy**

No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

### **Prov's Non-Discrimination Statement**

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin,

gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 866-720-7768 or write to: Prov, Inc., 13614 Progress Blvd. Alachua, FL 32615

## Special Accommodations

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If candidates feel that they qualify for a special accommodation during testing, they should contact Prov at (866) 720-7768. When prompted by the automated attendant, candidates may press #3 to be transferred directly to Indiana staff that will handle their request. Prov will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then work directly with the candidates to make the accommodations they will need in order to complete their examination.

## Preparing for Your Exams

### Studying for your Exam

The examination you will take is designed to test what qualified individuals should know as they begin operations in the plumbing field at the particular skill level being tested (i.e. Contractor or Journeyman). The test questions used on your examination have been prepared by practitioners like yourself and cover the wide range of topics you would normally encounter as you work in your particular field.

If you have worked in your field for some period in a variety of different settings, you likely have experienced much of what will be found on your examination. On the other hand, if your experience is limited (not only in years but also in the variety of work performed), then it is likely you may want to spend time increasing your knowledge by studying areas in which you are less familiar. For all candidates, the reality is that you forget those things you do not use and over time your knowledge in some areas may have decreased.

In preparation for your examinations, we recommend that you study the recommended references so that you are familiar with them prior to testing. While the tests are OPEN BOOK for certain references, there generally is insufficient time to learn what is in the reference book while testing. You are encouraged to place permanent tabs in your references and highlight those areas with which you are less familiar. These simple steps will help you better prepare for their use while the testing is underway.

Prior to starting your exam, you will be presented with a tutorial instruction screen that tells you how to answer questions, navigate through the test, make comments, etc. Please review this page carefully to ensure that you are familiar with these functions. These instructions are also listed on the back of this handout for your review. If you have any questions regarding these instructions, please notify your proctor.

During the test, you may find that you have a question or concern about a particular test question. **The proctor cannot answer questions about test content at any time;** however, you can send a comment to Prov's Test Development Department by clicking the 'Make Comment' button. Your comments will be reviewed by Prov staff members. If your comment results in a change in your test status, you will be notified by mail several weeks following the test.

Your time will be indicated on the screen once testing begins. Please make note of the time you have available for your test. Once the time expires, you will not be permitted to answer any additional questions. If you finish the exam before your time expires, press the red *END TEST* button on the upper right hand side of your screen. Confirm that you are finished. Then, gather all your belongings including scratch paper and graphics and raise your hand. You will not be permitted to leave the room until all testing materials given to you have been accounted for and collected by a proctor. **Please be courteous and leave the testing room without disturbing others who may be testing.**

If your licensing board has authorized you to receive your scores today, they will be provided to you within 20 minutes of completing the test. If you are uncertain as to whether you may receive your scores today, please check with us following your testing session.

If at any point during the exam you have a technical problem (e.g., computer freezes or shuts down, test will not proceed to next question, etc.) please notify your proctor immediately.

Please return these instructions to the proctor and let them know that you are ready to begin.
