Final Hearing/Proposed Settlement Agreement

DAG: Ryan Eldridge
Respondent: None
Exhibit(s): None
Witness(es): None

Court reporter sworn in.

The State opened. The assigned DAG is unavailable. The State asked that the Board review and approve the Proposed Settlement Agreement. The Board asked what changed from the prior settlement agreement that was denied. The hearing was reopened so the State could explain what changed including what remediation occurred. The Board asked why it took three years to investigate the case in what appears to be an open and shut case about a miss fill. The incident occurred four years ago and the complaint was filed three years ago. The Board believes this is a serious miss fill. The miss fill occurred three times involving two different technicians.

After having considered the evidence presented and taking official, judicial notice of the pleadings, evidence and orders in this matter the Board moved to DENY the settlement agreement and set for a Final Hearing in July.
