LOGIN PAGE: Prescription Monitoring Program Login or you may visit www.in.gov.inspect and click the INSPECT logo to be taken to the login page.

Have your username (ex: jones) and password ready

1. Login to the WebCenter with your username and password.

   If you do not know your password, you may reset it by clicking Forgot Password? You will be asked to provide your username and the answers to your security questions, which are case-sensitive. If you do not know your username, please email: inspect@pla.in.gov.

2. Click the Requests tab in the upper left corner, then click New Request to submit a request for a new report. You can also view previous requests made by this account by clicking View Request.
3. Enter the patient information you wish to search for. Best results are obtained by using the first name, last name and date of birth.

The default time period to search is 1 year but you may change the date range by unchecking the box and entering new information. The time period for requests is limited to 365 days, but you may make multiple requests for different years if you wish. (Ex. 1/1/2010-12/31/2010, 6/1/2009-6/1/2010)

4. In the Request to State(s) region, you may check the box next to OHIO to send your request to the Ohio system as well as to INSPECT.

(In the contact details you can leave the state selection at the default of IN or change it to OH or blank – correct results will be returned with any option chosen as long as the OH box is checked in the Requests to State(s) area)

5. You must check the authorization box at the bottom of the screen to continue.

6. Click Create when you have completed your request. It may take a few moments to process before you see the new page.

7. Click the orange button that says “Display All Results”. This will return complete results from all states queried in one report. The report will start on page 2 of the .PDF document.

Please contact inspect@pla.in.gov with any questions.
