The State Budget Committee members independently considered the following items on August 16, 2019.

Review Items

1. Family and Social Services Administration – Child Care Development Fund (CCDF)

The Indiana Family and Social Services Administration intends to accept a federal grant award increase from the United States Department of Health and Human Services Administration for Children and Families. This Grant Award Notification (GAN) reflects the total award of \$113,269,130 for federal fiscal year 2019. The purpose of the CCDF grant is to increase the availability, affordability, and quality of child care. By execution of this document, the CCDF GAN is hereby considered to have been received and reviewed by the State Budget Committee.

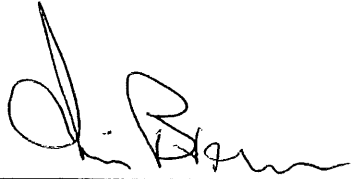

Pursuant to the provisions of IC 4-12-1, the State Budget Committee has reviewed this item.

2. Indiana School for the Blind and Visually Impaired/Indiana School for the Deaf/Indiana Department of Administration (550/560/61) \$ 180,000
Facility Assessments

In order to assist the task force created by HEA 1443, the Indiana Department of Administration requests funding to proceed with facility assessments on behalf of the Indiana School for the Blind and Visually Impaired (ISBVI) and the Indiana School for the Deaf (ISD). The facility assessments will bring an Architectural and Engineering firm to the campuses to inspect all existing building envelopes including windows, roofing, and masonry. The assessments will also examine the mechanical, electrical, and structural components of all buildings on each campus. In addition, the assessments will look at the programming at each of the schools to ensure existing spaces meet the needs of the student populations. When completed, the reports will

give a clear understanding of the current and future capital needs of the both ISBVI and ISD and will be shared with the Indiana Schools for the Deaf and Blind and Visually Impaired Task Force.
