INGMC Quarterly Meeting - December 4, 2025

Join us at the next Quarterly Meeting of the Indiana Grants Management Collaborative: an organization created in April 2025 by and for Indiana's grants management professionals.

The December 4 meeting will feature Luke Kenworthy, the Indiana State Budget Agency's Director of Federal Grants Policy and Management, as he shares details on the **upcoming transition to Euna Grants powered by AmpliFund**.

(A Microsoft Teams join link can be found at the end of this newsletter.)

Why "Euna Grants Powered by AmpliFund"?

AmpliFund offers enhanced capabilities that better serve the State's needs:

-  **Custom Form Creation** for more tailored grant workflows
-  **Greater Detail from Subrecipients**, improving transparency and reporting
-  **Built-in Integrations** not available in Euna Grants

This upgrade is designed to support more robust grant management across agencies.

Change is coming to Euna Grants
