Subject: IC 4-2-1-5 Annual Report Concerning Travel and Travel Expenses

The Office of Indiana State Comptroller has compiled the attached travel report for fiscal year 2025 per [IC 4-2-1-5](#). The report follows the format provided by the State Budget Agency.

State vehicle business travel was calculated using the IDOA mileage rate. During our review, we learned mileage to Marion County events was calculated incorrectly. This procedure has been updated and training has been provided.

We are at your service. For questions or concerns, please reach out to Chief of Staff Staci Schneider at stschneider@comptroller.in.gov or 317-233-6010.
