  is adjourned sine die. However, after five (5) consecutive days of recess, the legislative
- business per diem allowance is to be made on an individual voucher basis until the
  recess concludes.
- 47
- 48 Each member of the general assembly is entitled, when authorized by the speaker of the
- 49 house or the president pro tempore of the senate, to the legislative business per diem

1 allowance for every day the member is engaged in official business.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

8

2

9 In addition to the legislative business per diem allowance, each member of the general 10 assembly shall receive the mileage allowance in an amount equal to the standard mileage 11 rates for personally owned transportation equipment established by the federal Internal 12 Revenue Service for each mile necessarily traveled from the member's usual place 13 of residence to the state capitol. However, if the member traveled by a means other 14 than by motor vehicle, and the member's usual place of residence is more than one 15 hundred (100) miles from the state capitol, the member is entitled to reimbursement 16 in an amount equal to the lowest air travel cost incurred in traveling from the usual 17 place of residence to the state capitol. During the period the general assembly is 18 convened in regular or special session, the mileage allowance shall be limited to 19 one (1) round trip each week per member.

20

21 Any member of the general assembly who is appointed by the governor, speaker of 22 the house, president or president pro tempore of the senate, house or senate minority 23 floor leader, or Indiana legislative council to serve on any research, study, or survey 24 committee or commission, or who attends any meetings authorized or convened under 25 the auspices of the Indiana legislative council, including pre-session conferences and 26 federal-state relations conferences, is entitled, when authorized by the legislative 27 council, to receive the legislative business per diem allowance for each day the 28 member is in actual attendance and is also entitled to a mileage allowance, at the 29 rate specified above, for each mile necessarily traveled from the member's usual 30 place of residence to the state capitol, or other in-state site of the committee, 31 commission, or conference. The per diem allowance and the mileage allowance 32 permitted under this paragraph shall be paid from the legislative council appropriation 33 for legislator and lay member travel unless the member is attending an out-of-state 34 meeting, as authorized by the speaker of the house of representatives or the president 35 pro tempore of the senate, in which case the member is entitled to receive:

36 (1) the legislative business per diem allowance for each day the member is engaged
37 in approved out-of-state travel; and

(2) reimbursement for traveling expenses actually incurred in connection with the
member's duties, as provided in the state travel policies and procedures established
by the legislative council.

41

42 Notwithstanding the provisions of this or any other statute, the legislative council 43 may adopt, by resolution, travel policies and procedures that apply only to members 44 of the general assembly or to the staffs of the house of representatives, senate, and 45 legislative services agency, or both members and staffs. The legislative council may 46 apply these travel policies and procedures to lay members serving on research, study, 47 or survey committees or commissions that are under the jurisdiction of the legislative 48 council. Notwithstanding any other law, rule, or policy, the state travel policies and 49 procedures established by the Indiana department of administration and approved

1 by the budget agency do not apply to members of the general assembly, to the staffs 2 of the house of representatives, senate, or legislative services agency, or to lay members 3 serving on research, study, or survey committees or commissions under the jurisdiction 4 of the legislative council (if the legislative council applies its travel policies and 5 procedures to lay members under the authority of this SECTION), except that, until 6 the legislative council adopts travel policies and procedures, the state travel policies 7 and procedures established by the Indiana department of administration and approved 8 by the budget agency apply to members of the general assembly, to the staffs of the house 9 of representatives, senate, and legislative services agency, and to lay members serving 10 on research, study, or survey committees or commissions under the jurisdiction of the 11 legislative council. The executive director of the legislative services agency is responsible for the administration of travel policies and procedures adopted by the legislative 12 13 council. The auditor of state shall approve and process claims for reimbursement of travel 14 related expenses under this paragraph based upon the written affirmation of the speaker 15 of the house of representatives, the president pro tempore of the senate, or the executive 16 director of the legislative services agency that those claims comply with the travel 17 policies and procedures adopted by the legislative council. If the funds appropriated 18 for the house and senate expenses and legislative salaries are insufficient to pay all 19 the necessary expenses incurred, including the cost of printing the journals of the 20 house and senate, there is appropriated such further sums as may be necessary to pay 21 such expenses. 22 23 LEGISLATORS' SUBSISTENCE 24 **LEGISLATORS' EXPENSES - HOUSE** 25 **Total Operating Expense** 2,520,929 2,620,929 26 **LEGISLATORS' EXPENSES - SENATE Total Operating Expense** 27 1,054,277 932,277 28 29 Each member of the general assembly is entitled to a subsistence allowance of forty 30 percent (40%) of the maximum daily amount allowable to employees of the executive 31 branch of the federal government for subsistence expenses while away from home in 32 travel status in the Indianapolis area for: 33 (1) each day that the general assembly is not convened in regular or special session; 34 and 35 (2) each day after the first session day held in November and before the first session 36 day held in January. 37 38 However, the subsistence allowance under subdivision (2) may not be paid with respect 39 to any day after the first session day held in November and before the first session 40 day held in January with respect to which all members of the general assembly are 41 entitled to a legislative business per diem. 42 43 The subsistence allowance is payable from the appropriations for legislators' subsistence. 44 45 The officers of the senate are entitled to the following amounts annually in addition 46 to the subsistence allowance: president pro tempore, \$7,000; assistant president 47 pro tempore, \$3,000; majority floor leader, \$5,500; assistant majority floor leaders, 48 \$3,500; majority caucus chair, \$5,500; assistant majority caucus chairs, \$1,500; 49 appropriations committee chair, \$5,500; tax and fiscal policy committee chair, \$5,500;

37	This act does not authorize any rehabilitation and repairs to any state buildings,
38	nor does it allow that any obligations be incurred for lands and structures, without
39	the prior approval of the budget director or the director's designee. This SECTION
40	does not apply to contracts for the state universities supported in whole or in part
41	by state funds.

43	SECTION 22. [EFFECTIVE JULY 1, 2011]
44	
45	If an agency has an annual appropriation fixed by law, and if the agency also receives
46	an appropriation in this act for the same function or program, the appropriation in
47	this act supersedes any other appropriations and is the total appropriation for the
48	agency for that program or function.
49

2 3 4	The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided
5	in this act placed to the credit of any division of the state of Indiana, the powers,
6	duties, and functions whereof are assigned and transferred to any department for
7	salaries, maintenance, operation, construction, or other expenses in the exercise
8	of such powers, duties, and functions, shall be transferred to the credit of the
9 10	department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

12	SECTION 24. [EFFECTIVE JULY 1, 2011]
13	
14	The director of the division of procurement of the Indiana department of administration,
15	or any other person or agency authorized to make purchases of equipment, shall not
16	honor any requisition for the purchase of an automobile that is to be paid for from any
17	appropriation made by this act or any other act, unless the following facts are shown
18 19	to the satisfaction of the commissioner of the Indiana department of administration or the commissioner's designee:
20	(1) In the case of an elected state officer, it shall be shown that the duties of the
21	office require driving about the state of Indiana in the performance of official duty.
22	(2) In the case of department or commission heads, it shall be shown that the statutory
23	duties imposed in the discharge of the office require traveling a greater distance
24	than one thousand (1,000) miles each month or that they are subject to official duty
25	call at all times.
26	(3) In the case of employees, it shall be shown that the major portion of the duties
27	assigned to the employee require travel on state business in excess of one thousand
28 29	(1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment.
<b>3</b> 0	part of the job assignment.
31	In computing the number of miles required to be driven by a department head or an
32	employee, the distance between the individual's home and office or designated official
33	station is not to be considered as a part of the total. Department heads shall annually
34	submit justification for the continued assignment of each vehicle in their department,
35	which shall be reviewed by the commissioner of the Indiana department of administration,
36	or the commissioner's designee. There shall be an insignia permanently affixed on
37	each side of all state owned cars, designating the cars as being state owned. However,
38 39	this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or
39 40	the commissioner's designee determines that affixing insignia on state owned cars
41	would hinder or handicap the persons driving the cars in the performance of their
42	official duties.

SECTION 27. [EFFECTIVE JULY 1, 2011]
Federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).
SECTION 28. [EFFECTIVE JULY 1, 2011]
A contract or an agreement for personal services or other services may not be entered into by any agency or department of state government without the approval of the budget agency or the designee of the budget director.

SECTION 30. [EFFECTIVE JULY 1, 2011]
Subject to SECTION 25 of this act as it relates to the budget committee, the budget agency with the approval of the governor may withhold allotments of any or all appropriations contained in this act for the 2011-2013 biennium, if it is considered necessary to do so in order to prevent a deficit financial situation.

19 20	If the budget director determines at any time during the biennium that the executive

22	funds in the general fund, then notwithstanding IC 4-10-18, the budget agency, with
23	the approval of the governor and after review by the budget committee, may transfer
23 24	from the counter-cyclical revenue and economic stabilization fund to the general
25	fund any additional amount necessary to maintain a positive balance in the general
26	fund.
27	SECTION 36. IC 4-10-22 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ
28	AS FOLLOWS [EFFECTIVE JULY 1, 2011]:
29	Chapter 22. Income Tax Reduction Reserve Fund
30	Sec. 1. As used in this chapter, "budget bill" refers to a budget bill (as defined in IC 4-12-1-2)
31	that is enacted in an odd-numbered year.
32	Sec. 2. As used in this chapter, "fund" refers to the income tax reduction reserve fund
33	established by section 8 of this chapter.
34	Sec. 3. As used in this chapter, "state general fund appropriations" refers to the sum of the
35	specific amounts appropriated by a budget bill from the state general fund for expenditure in a
36	particular state fiscal year, excluding transfers to the income tax reduction reserve fund. The term
37	includes any amount appropriated in a budget bill for a period exceeding one (1) state fiscal year
38	that is allocated by the budget agency to a particular state fiscal year in a list of appropriations prepared under IC 4-12-1-12.
39 40	Sec. 4. As used in this chapter, "general revenue fund" refers to the following:
40 41	(1) Counter-cyclical revenue and economic stabilization fund (IC 4-10-18-2).
42	(2) State general fund, including the Medicaid contingency and reserve account of the state
43	general fund (IC 4-12-1-15.5).
44	(3) State tuition reserve fund (IC 4-12-1-15.7).
45	Sec. 5. As used in this chapter, "resident" refers to an individual who resides in Indiana on
46	January 1 of the calendar year in which the individual's taxable year commences.
47	Sec. 6. As used in this chapter, "state fiscal year" means a period beginning July 1 in one (1)
48	calendar year and ending on June 30 in the immediately succeeding calendar year.

1	Sec. 7. As used in this chapter, "taxable year" has the meaning set forth in IC 6-3-1-16.
2	Sec. 8. (a) An income tax reduction reserve fund is established. The fund is established to:
3	(1) replace revenue lost from granting credits under IC 6-3-3-13; and
4	(2) pay or reimburse other funds for refunds paid under IC 6-3-3-13.
5	(b) The budget agency shall administer the fund.
6	(c) The fund consists of money transferred to the fund under section 9 of this chapter.
7	(d) The treasurer of state shall invest the money in the fund not currently needed to meet the
8	obligations of the fund in the same manner as other public funds may be invested.
9	(e) The money in the fund at the end of a state fiscal year does not revert to the general revenue
10	fund but remains in the fund to be used exclusively for the purposes of the fund.
11	Sec. 9. Not later than thirty-one (31) days after the end of a state fiscal year, the auditor of state,
12	after reviewing the recommendation of the budget agency, shall transfer an amount from the
13	general revenue fund to the fund. The total amount transferred under this section must equal the
14	amount by which the year-end general revenue fund balance for the immediately preceding state
15	fiscal year exceeds ten percent (10%) of the general revenue fund appropriations for the current
16	state fiscal year.
17	Sec. 10. In each state fiscal year, the budget agency shall calculate the tax reduction amount that
18	will apply under IC 6-3-3-13 to taxable years ending in that state fiscal year. The tax reduction
19	amount for a state fiscal year must equal the amount determined under STEP THREE of the
20	following formula:

22	section 9 of this chapter.

25	taxable year that ends in the state fiscal year described in STEP ONE on which the
26	individual filing the return is an Indiana resident.
27	(B) The number of joint tax returns that are likely to be filed under IC 6-3 for a taxable
28	year that ends in the state fiscal year described in STEP ONE on which only an individual
29	filing the return or the individual's spouse is a resident of Indiana.
30	(C) The product of:
31	(i) the number of joint tax returns that are likely to be filed under IC 6-3 for a taxable
32	year that ends in the state fiscal year described in STEP ONE on which both an individual
33	filing the return and the individual's spouse are residents of Indiana; multiplied by
34	(ii) two (2).
35	STEP THREE: Determine the result of:
36	(A) the STEP ONE amount; divided by
37	(B) the STEP TWO amount.
38	The budget agency shall certify the tax reduction amount to the department of state revenue.
39	Sec. 11. The department of state revenue shall report to the auditor of state and the budget
40	agency the total amount of credits granted under IC 6-3-3-13 on returns processed by the
41	department of state revenue. The information shall be reported in the manner and on the schedule
42	specified by the budget agency.
43	Sec. 12. The auditor of state shall transfer amounts equal to the credits granted under
44 45	IC 6-3-3-13 from the fund to the general revenue fund on the schedule designated by the budget

IC 27-8-10-2.1, AS AMENDED BY P.L.1-2007, SECTION 186, IS AMENDED TO 10 READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 2.1. (a) There is established a nonprofit legal 11 entity to be referred to as the Indiana comprehensive health insurance association, which must assure that 12 health insurance is made available throughout the year to each eligible Indiana resident applying to the 13 association for coverage. All carriers, health maintenance organizations, limited service health 14 maintenance organizations, and self-insurers providing health insurance or health care services in Indiana 15 must be members of the association. The association shall operate under a plan of operation established 16 and approved under subsection (c) and shall exercise its powers through a board of directors established 17 under this section. 18 (b) The board of directors of the association consists of nine (9) members whose principal residence 19 is in Indiana selected as follows: 20 (1) Four (4) members to be appointed by the commissioner from the members of the association, one 21 (1) of which must be a representative of a health maintenance organization. 22 (2) Two (2) members to be appointed by the commissioner shall be consumers representing 23 policyholders. 24 (3) Two (2) members shall be the state budget director or designee and the commissioner of the 25 department of insurance or designee. 26 (4) One (1) member to be appointed by the commissioner must be a representative of health care 27 providers. 28 The commissioner shall appoint the chairman of the board, and the board shall elect a secretary from its 29 membership. The term of office of each appointed member is three (3) years, subject to eligibility for 30 reappointment. Members of the board who are not state employees may be reimbursed from the 31 association's funds for expenses incurred in attending meetings. The board shall meet at least 32 semiannually, with the first meeting to be held not later than May 15 of each year. 33 (c) The association shall submit to the commissioner a plan of operation for the association and any 34 amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration 35 of the association. The plan of operation becomes effective upon approval in writing by the commissioner 36 consistent with the date on which the coverage under this chapter must be made available. The 37 commissioner shall, after notice and hearing, approve the plan of operation if the plan is determined to 38 be suitable to assure the fair, reasonable, and equitable administration of the association and provides for 39 the sharing of association losses on an equitable, proportionate basis among the member carriers, health 40 maintenance organizations, limited service health maintenance organizations, and self-insurers. If the 41 association fails to submit a suitable plan of operation within one hundred eighty (180) days after the 42 appointment of the board of directors, or at any time thereafter the association fails to submit suitable 43 amendments to the plan, the commissioner shall adopt rules under IC 4-22-2 necessary or advisable to 44 implement this section. These rules are effective until modified by the commissioner or superseded by 45 a plan submitted by the association and approved by the commissioner. The plan of operation must: 46 (1) establish procedures for the handling and accounting of assets and money of the association; 47 (2) establish the amount and method of reimbursing members of the board;

2011

1 (3) establish regular times and places for meetings of the board of directors;

2 (4) establish procedures for records to be kept of all financial transactions and for the annual fiscal
 3 reporting to the commissioner;

- 4 (5) establish procedures whereby selections for the board of directors will be made and submitted
  5 to the commissioner for approval;
- 6 (6) contain additional provisions necessary or proper for the execution of the powers and duties of
  7 the association; and

8 (7) establish procedures for the periodic advertising of the general availability of the health9 insurance coverages from the association.

(d) The plan of operation may provide that any of the powers and duties of the association be delegated
to a person who will perform functions similar to those of this association. A delegation under this section
takes effect only with the approval of both the board of directors and the commissioner. The
commissioner may not approve a delegation unless the protections afforded to the insured are
substantially equivalent to or greater than those provided under this chapter.

(e) The association has the general powers and authority enumerated by this subsection in accordance
with the plan of operation approved by the commissioner under subsection (c). The association has the
general powers and authority granted under the laws of Indiana to carriers licensed to transact the kinds
of health care services or health insurance described in section 1 of this chapter and also has the specific
authority to do the following:

- 20 (1) Enter into contracts as are necessary or proper to carry out this chapter, subject to the approval
  21 of the commissioner.
- (2) Subject to section 2.6 of this chapter, sue or be sued, including taking any legal actions necessary
   or proper for recovery of any assessments for, on behalf of, or against participating carriers.

- 26 (4) Establish a medical review committee to determine the reasonably appropriate level and extent27 of health care services in each instance.
- (5) Establish appropriate rates, scales of rates, rate classifications and rating adjustments, such rates
   not to be unreasonable in relation to the coverage provided and the reasonable operational expenses
   of the association.
- **31** (6) Pool risks among members.
- 32 (7) Issue policies of insurance on an indemnity or provision of service basis providing the coverage33 required by this chapter.
- 34 (8) Administer separate pools, separate accounts, or other plans or arrangements considered35 appropriate for separate members or groups of members.

- **41** (11) Hire an independent consultant.
- 42 (12) Develop a method of advising applicants of the availability of other coverages outside the43 association.

- 45 (A) health maintenance organizations; and
- **46** (B) preferred provider plans.
- 47 (14) Solicit bids directly from providers for coverage under this chapter.

(15) Subject to section 3 of this chapter, negotiate reimbursement rates and enter into contracts with
 individual health care providers and health care provider groups.

(f) Rates for coverages issued by the association may not be unreasonable in relation to the benefits
provided, the risk experience, and the reasonable expenses of providing the coverage. Separate scales of
premium rates based on age apply for individual risks. Premium rates must take into consideration the
extra morbidity and administration expenses, if any, for risks insured in the association. The rates for a
given classification may must be equal to

- 8 (1) not more than one hundred fifty percent (150%) of the average premium rate for that class charged by the five (5) carriers with the largest premium volume in the state during the preceding calendar year. for an insured whose family income is less than three hundred fifty-one percent

than three hundred fifty percent (350%) of the federal income poverty level for the same size family.
In determining the average rate of the five (5) largest carriers, the rates charged by the carriers shall be
actuarially adjusted to determine the rate that would have been charged for benefits substantially identical
to those issued by the association. All rates adopted by the association must be submitted to the
commissioner for approval.

- 22 (g) Following the close of the association's fiscal year, the association shall determine the net 23 premiums, the expenses of administration, and the incurred losses for the year. Twenty-five percent (25%) 24 of any net loss shall be assessed by the association to all members in proportion to their respective shares 25 of total health insurance premiums as reported to the department of insurance, excluding premiums for 26 Medicaid contracts with the state of Indiana, received in Indiana during the calendar year (or with paid 27 losses in the year) coinciding with or ending during the fiscal year of the association. Seventy-five percent 28 (75%) of any net loss shall be paid by the state. In sharing losses, the association may abate or defer in 29 any part the assessment of a member, if, in the opinion of the board, payment of the assessment would 30 endanger the ability of the member to fulfill its contractual obligations. The association may also provide 31 for interim assessments against members of the association if necessary to assure the financial capability 32 of the association to meet the incurred or estimated claims expenses or operating expenses of the 33 association until the association's next fiscal year is completed. Net gains, if any, must be held at interest 34 to offset future losses or allocated to reduce future premiums. Assessments must be determined by the 35 board members specified in subsection (b)(1), subject to final approval by the commissioner.
- 36 (h) The association shall conduct periodic audits to assure the general accuracy of the financial data
  37 submitted to the association, and the association shall have an annual audit of its operations by an
  38 independent certified public accountant.
- 39 (i) The association is subject to examination by the department of insurance under IC 27-1-3.1. The
  40 board of directors shall submit, not later than March 30 of each year, a financial report for the preceding
  41 calendar year in a form approved by the commissioner.
- (j) All policy forms issued by the association must conform in substance to prototype forms developed
  by the association, must in all other respects conform to the requirements of this chapter, and must be
  filed with and approved by the commissioner before their use.
- (k) The association may not issue an association policy to any individual who, on the effective dateof the coverage applied for, does not meet the eligibility requirements of section 5.1 of this chapter.
- 47 (1) The association and the premium collected by the association shall be exempt from the premium

1 tax, the adjusted gross income tax, or any combination of these upon revenues or income that may be 2 imposed by the state. 3 (m) Members who, during any calendar year, have paid one (1) or more assessments levied under this 4 chapter may include in the rates for premiums charged for insurance policies to which this chapter applies 5 amounts sufficient to recoup a sum equal to the amounts paid to the association by the member less any 6 amounts returned to the member insurer by the association, and the rates shall not be deemed excessive 7 by virtue of including an amount reasonably calculated to recoup assessments paid by the member. 8 (n) The association shall provide for the option of monthly collection of premiums. 9 (o) The association shall periodically certify to the budget agency the amount necessary to pay 10 seventy-five percent (75%) of any net loss as specified in subsection (g). SECTION 64. IC 27-8-10-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: 11 12 Sec. 3. (a) An association policy issued under this chapter may pay an amount for medically necessary 13 eligible expenses related to the diagnosis or treatment of illness or injury that exceed the deductible and coinsurance amounts applicable under section 4 of this chapter. Payment under an association policy must 14 15 be based on one (1) or a combination of the following reimbursement methods, as determined by the 16 board of directors: 17 (1) The association's usual and customary fee schedule in effect on January 1, 2004. If payment is 18 based on the usual and customary fee schedule in effect on January 1, 2004, the rates of 19 reimbursement under the fee schedule must be adjusted annually by a percentage equal to the 20 percentage change in the Indiana medical care component of the Consumer Price Index for all Urban 21 Consumers, as published by the United States Bureau of Labor Statistics during the preceding 22 calendar year. 23 (2) A health care provider network arrangement. If payment is based on a health care provider 24 network arrangement, reimbursement under an association policy must be made according to: 25 (A) a network fee schedule for network health care providers and nonnetwork health care 26 providers; and 27 (B) any additional coinsurance that applies to the insured under the association policy if the 28 insured obtains health care services from a nonnetwork health care provider. 29 (3) Reimbursement for an eligible expense in an amount equal to not less than the federal 30 Medicare reimbursement rate for the eligible expense plus ten percent (10%). 31 (b) Eligible expenses are the charges for the following health care services and articles to the extent 32 furnished by a health care provider in an emergency situation or furnished or prescribed by a physician: 33 (1) Hospital services, including charges for the institution's most common semiprivate room, and 34 for private room only when medically necessary, but limited to a total of one hundred eighty (180) 35 days in a year. 36 (2) Professional services for the diagnosis or treatment of injuries, illnesses, or conditions, other than 37 mental or dental, that are rendered by a physician or, at the physician's direction, by the physician's 38 staff of registered or licensed nurses, and allied health professionals. 39 (3) The first twenty (20) professional visits for the diagnosis or treatment of one (1) or more mental 40 conditions rendered during the year by one (1) or more physicians or, at their direction, by their staff 41 of registered or licensed nurses, and allied health professionals. 42 (4) Drugs and contraceptive devices requiring a physician's prescription. 43 (5) Services of a skilled nursing facility for not more than one hundred eighty (180) days in a year. 44 (6) Services of a home health agency up to two hundred seventy (270) days of service a year. 45 (7) Use of radium or other radioactive materials. 46 (8) Oxygen.

14	An association policy may also include comparable benefits for those who rely upon spiritual means
15	through prayer alone for healing upon such conditions, limitations, and requirements as may be
16 17	determined by the board of directors. (c) A managed care organization that issues an association policy may not refuse to enter into an
17 18	agreement with a hospital solely because the hospital has not obtained accreditation from an accreditation
10 19	organization that:
20	(1) establishes standards for the organization and operation of hospitals;
21	(2) requires the hospital to undergo a survey process for a fee paid by the hospital; and

26	(2) do not rely upon a survey process for a fee charged to the hospital to evaluate performance.
27	(e) For purposes of this section, if benefits are provided in the form of services rather than cash
28	payments, their value shall be determined on the basis of their monetary equivalency.
29	(f) The following are not eligible expenses in any association policy within the scope of this chapter:

Those procedures may take the form of preadmission review for 12 nonemergency hospitalization, case management review to verify that covered individuals are aware of 13 treatment alternatives, or other forms of utilization review. Any cost containment techniques of this type 14 must be adopted by the board of directors and approved by the commissioner. 15 SECTION 65. IC 27-8-10-5.1, AS AMENDED BY P.L.3-2008, SECTION 213, IS AMENDED TO 16 READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 5.1. (a) A person is not eligible for an 17 association policy if the person is eligible for Medicaid. any of the coverage described in subdivisions 18 (1) and (2). A person other than a federally eligible individual may not apply for an association policy 19 unless the person has applied for: 20 (1) Medicaid; and 21 (2) coverage under the: 22 (A) preexisting condition insurance plan program established by the Secretary of Health 23 and Human Services under Section 1101 of Title I of the federal Patient Protection and 24 Affordable Care Act (P.L. 111-148); and 25 (B) Indiana check-up plan under IC 12-15-44.2; 26 not more than sixty (60) days before applying for the association policy. 27 (b) Except as provided in subsection (c), a person is not eligible for an association policy if, at the 28 effective date of coverage, the person has or is eligible for coverage under any insurance plan that equals 29 or exceeds the minimum requirements for accident and sickness insurance policies issued in Indiana as 30 set forth in IC 27. However, an offer of coverage described in IC 27-8-5-2.5(e) (expired July 1, 2007, and 31 removed), IC 27-8-5-2.7, IC 27-8-5-19.2(e) (expired July 1, 2007, and repealed), or IC 27-8-5-19.3 does 32 not affect an individual's eligibility for an association policy under this subsection. Coverage under any 33 association policy is in excess of, and may not duplicate, coverage under any other form of health 34 insurance. 35 (c) Except as provided in IC 27-13-16-4 and subsection (a), a person is eligible for an association 36 policy upon a showing that: 37 (1) the person has been rejected by one (1) carrier for coverage under any insurance plan that equals 38 or exceeds the minimum requirements for accident and sickness insurance policies issued in Indiana, 39 as set forth in IC 27, without material underwriting restrictions; 40 (2) an insurer has refused to issue insurance except at a rate exceeding the association plan rate; or 41 (3) the person is a federally eligible individual. 42 For the purposes of this subsection, eligibility for Medicare coverage does not disqualify a person who 43 is less than sixty-five (65) years of age from eligibility for an association policy. 44 (d) Coverage under an association policy terminates as follows: 45 (1) On the first date on which an insured is no longer a resident of Indiana. 46 (2) On the date on which an insured requests cancellation of the association policy. 47 (3) On the date of the death of an insured.

1 (4) At the end of the policy period for which the premium has been paid.

- 2 (5) On the first date on which the insured no longer meets the eligibility requirements under this 3 section.
- 4 (e) An association policy must provide that coverage of a dependent unmarried child terminates when 5 the child becomes nineteen (19) years of age (or twenty-five (25) years of age if the child is enrolled full 6 time in an accredited educational institution). The policy must also provide in substance that attainment 7 of the limiting age does not operate to terminate a dependent unmarried child's coverage while the 8 dependent is and continues to be both:
- 9
- (1) incapable of self-sustaining employment by reason of mental retardation or mental or physical 10 disability; and
- 11
- (2) chiefly dependent upon the person in whose name the contract is issued for support and 12 maintenance.
- 13 However, proof of such incapacity and dependency must be furnished to the carrier within one hundred 14 twenty (120) days of the child's attainment of the limiting age, and subsequently as may be required by 15 the carrier, but not more frequently than annually after the two (2) year period following the child's

16 attainment of the limiting age.

- 17 (f) An association policy that provides coverage for a family member of the person in whose name the 18 contract is issued must, as to the family member's coverage, also provide that the health insurance benefits 19 applicable for children are payable with respect to a newly born child of the person in whose name the 20 contract is issued from the moment of birth. The coverage for newly born children must consist of 21 coverage of injury or illness, including the necessary care and treatment of medically diagnosed 22 congenital defects and birth abnormalities. If payment of a specific premium is required to provide 23 coverage for the child, the contract may require that notification of the birth of a child and payment of the 24 required premium must be furnished to the carrier within thirty-one (31) days after the date of birth in 25 order to have the coverage continued beyond the thirty-one (31) day period.
- 26 (g) Except as provided in subsection (h), an association policy may contain provisions under which 27 coverage is excluded during a period of three (3) months following the effective date of coverage as to 28 a given covered individual for preexisting conditions, as long as medical advice or treatment was 29 recommended or received within a period of three (3) months before the effective date of coverage. This 30 subsection may not be construed to prohibit preexisting condition provisions in an insurance policy that 31 are more favorable to the insured.
- 32 (h) If a person applies for an association policy within six (6) months after termination of the person's 33 coverage under a health insurance arrangement and the person meets the eligibility requirements of 34 subsection (c), then an association policy may not contain provisions under which:
- 35 (1) coverage as to a given individual is delayed to a date after the effective date or excluded from 36 the policy; or
- 37 (2) coverage as to a given condition is denied;
- 38 on the basis of a preexisting health condition. This subsection may not be construed to prohibit preexisting 39 condition provisions in an insurance policy that are more favorable to the insured.
- 40 (i) For purposes of this section, coverage under a health insurance arrangement includes, but is not 41 limited to, coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985.
- 42 SECTION 66. [EFFECTIVE JULY 1, 2011] (a) The budget agency shall transfer two hundred
- 43 million dollars (\$200,000,000) from the public deposits insurance fund to the state general fund
- 44 before December 31, 2011.
- 45 (b) This SECTION expires January 1, 2012.
- 46 SECTION 67. An emergency is declared for this act.
