The Euna Grants Update

Changes to eCivis effective July 8, 2025

In an effort to serve state agencies most effectively, the SBA Grants Management Team has made the following changes ahead of FFY26.

Notice something new at gn.ecivis.com?

- eCivis, now owned by Euna Solutions, has rebranded its Grants Management System to “Euna Grants”.
- For Indiana State Agencies serving as Grant Makers: the Applicant & Subrecipient Portal is now called the “Euna Grants Subrecipient Portal”.

Post-Award Changes to Grantee (State Match)

State Match Request and Euna Project

- **Starting July 8, 2025:** Agency Euna Users should add SBA-created State Match Organization Funding to their existing Federal Euna Grants Project, per [Section 5 - Submit State Match Fund Request](#).

Pre-Award Changes to Grantee

One Pursuance Approval Task

- Good news! Grant Seekers will now only need to submit *one* task to obtain SBA pursuance approval to apply for a federal award via Euna Grants.
- This task automatically notifies your **Fiscal Analyst** and **SBA Grants**, and you'll receive an email once all approvals are complete.
