Dear Members of the State Budget Committee,

IEDC is submitting the Secretary of Commerce's travel report for State Fiscal Year 2026. The travel detailed in the attached spreadsheet was supported in part by the IEDC's state appropriation for administrative services and in part by federal funds received from DWD. The report also includes travel by Jacob Harkin, who provided transportation support for Secretary Adams for several official events. These expenses were minimal and were covered by federal funds.

Sincerely,

Clinton Bohm
