GENERAL GOVERNMENT

A. LEGISLATIVE

FOR THE GENERAL ASSEMBLY

LEGISLATORS' SALARIES - HOUSE		
Total Operating Expense	6,198,756	6,198,756
HOUSE EXPENSES		
Total Operating Expense	10,299,328	10,700,339
LEGISLATORS' SALARIES - SENATE		
Total Operating Expense	2,055,318	2,055,318
SENATE EXPENSES		
Total Operating Expense	10,293,712	11,692,594

Included in the above appropriations for house and senate expenses are funds for a legislative business per diem allowance, meals, and other usual and customary expenses associated with legislative affairs. Except as provided below, this allowance is to be paid to each member of the general assembly for every day, including Sundays,

during which the general assembly is convened in regular or special session, commencing with the day the session is officially convened and concluding with the day the session is adjourned sine die. However, after five (5) consecutive days of recess, the legislative business per diem allowance is to be made on an individual voucher basis until the recess concludes.

Each member of the general assembly is entitled, when authorized by the speaker of the house or the president pro tempore of the senate, to the legislative business per diem allowance for every day the member is engaged in official business.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

In addition to the legislative business per diem allowance, each member of the general assembly shall receive the mileage allowance in an amount equal to the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service for each mile necessarily traveled from the member's usual place of residence to the state capitol. However, if the member traveled by a means other than by motor vehicle, and the member's usual place of residence is more than one hundred (100) miles from the state capitol, the member is entitled to reimbursement in an amount equal to the lowest air travel cost incurred in traveling from the usual place of residence to the state capitol. During the period the general assembly is convened in regular or special session, the mileage allowance shall be limited to one (1) round trip each week per member.

Any member of the general assembly who is appointed by the governor, speaker of the house, president or president pro tempore of the senate, house or senate minority floor leader, or Indiana legislative council to serve on any research, study, or survey committee or commission, or who attends any meetings authorized or convened under the auspices of the Indiana legislative council, including pre-session conferences and federal-state relations conferences, is entitled, when authorized by the legislative council, to receive the legislative business per diem allowance for each day the member is in actual attendance and is also entitled to a mileage allowance, at the rate specified above, for each mile necessarily traveled from the member's usual place of residence to the state capitol, or other in-state site of the committee, commission, or conference. The per diem allowance and the mileage allowance permitted under this paragraph shall be paid from the legislative council appropriation for legislator and lay member travel unless the member is attending an out-of-state meeting, as authorized by the speaker of the house of representatives or the president pro tempore of the senate, in which case the member is entitled to receive:

(1) the legislative business per diem allowance for each day the member is engaged in approved out-of-state travel; and

HEA 1001 — CC 1+

(2) reimbursement for traveling expenses actually incurred in connection with the member's duties, as provided in the state travel policies and procedures established by the legislative council.

Notwithstanding the provisions of this or any other statute, the legislative council may adopt, by resolution, travel policies and procedures that apply only to members of the general assembly or to the staffs of the house of representatives, senate, and legislative services agency, or both members and staffs. The legislative council may apply these travel policies and procedures to lay members serving on research, study, or survey committees or commissions that are under the jurisdiction of the legislative council. Notwithstanding any other law, rule, or policy, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency do not apply to members of the general assembly, to the staffs of the house of representatives, senate, or legislative services agency, or to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council (if the legislative council applies its travel policies and procedures to lay members under the authority of this SECTION), except that, until the legislative council adopts travel policies and procedures, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency apply to members of the general assembly, to the staffs of the house of representatives, senate, and legislative services agency, and to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council. The executive director of the legislative services agency is responsible for the administration of travel policies and procedures adopted by the legislative council. The auditor of state shall approve and process claims for reimbursement of travel related expenses under this paragraph based upon the written affirmation of the speaker of the house of representatives, the president pro tempore of the senate, or the executive director of the legislative services agency that those claims comply with the travel policies and procedures adopted by the legislative council. If the funds appropriated for the house and senate expenses and legislative salaries are insufficient to pay all the necessary expenses incurred, including the cost of printing the journals of the house and senate, there is appropriated such further sums as may be necessary to pay such expenses.

(1) each day that the general assembly is not convened in regular or special session;

and

(2) each day after the first session day held in November and before the first session day held in January.

However, the subsistence allowance under subdivision (2) may not be paid with respect to any day after the first session day held in November and before the first session day held in January with respect to which all members of the general assembly are entitled to a legislative business per diem.

If the senate or house of representatives eliminates a committee or officer referenced in this SECTION and replaces the committee or officer with a new committee or position, the foregoing appropriations for subsistence shall be used to pay for the new committee or officer. However, this does not permit any additional amounts to be paid under this SECTION for a replacement committee or officer than would have been spent for the eliminated committee or officer. If the senate or house of representatives creates a new, additional committee or officer, or assigns additional duties to an existing officer, the foregoing appropriations for subsistence shall be used to pay for the new committee or officer, or to adjust the annual payments made to the existing officer, in amounts determined by the legislative council.

The sums herein appropriated to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech Community College, and the Indiana Higher Education Telecommunications System (IHETS) are in addition to all income of said institutions and IHETS, respectively, from all permanent fees and endowments and from all land grants, fees, earnings, and receipts, including gifts, grants, bequests, and devises, and receipts from any miscellaneous sales from whatever source derived.

All such income and all such fees, earnings, and receipts on hand June 30, 2011, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and IHETS and may be expended for any necessary expenses of the respective institutions and IHETS, including university hospitals, schools of medicine, nurses' training schools, schools of dentistry, and agricultural extension and experimental stations. Total Operating Expense	6,262,800,000	6,308,700,000
--------------------------------	----------------------	----------------------

The foregoing appropriations for distribution for tuition support are to be distributed for tuition support, special education programs, career and technical education programs, honors grants, Mitch Daniels early graduation scholarships, and the primetime program in accordance with a statute enacted for this purpose during the 2011 session of the general assembly.

If the above appropriations for distribution for tuition support are more than are required under this SECTION, any excess shall revert to the general fund.

The above appropriations for tuition support shall be made each calendar year under a schedule set by the budget agency and approved by the governor. However, the schedule shall provide for at least twelve (12) payments, that one (1) payment shall be made at least every forty (40) days, and the aggregate of the payments in each calendar year shall equal the amount required under the statute enacted for the purpose referred to above.

The above appropriation for tuition support includes an amount for the department of education to make a special distribution to each school corporation and charter school (other than a virtual charter school). The department shall determine the amount of the distribution for each year as follows:

STEP ONE: Determine the total amount distributed in the year to all individuals for a scholarship under the choice scholarship program described in House Bill 1003-2011 or a similar program for eligible students who enroll in a private school.

STEP TWO: Determine the total amount of state tuition support that all school corporations and charter schools (other than virtual charter schools) would have received in the year if those individuals who received a scholarship and who were enrolled in a public school during the preceding two (2) semesters before first receiving the scholarship had instead remained enrolled in public schools and had not enrolled in private schools.

STEP THREE: Determine the result of:

HEA 1001 — CC 1+

- (A) the STEP TWO result; minus
- (B) the STEP ONE amount.

STEP FOUR. Determine each school corporation's percentage and each charter school's (other than a virtual charter school) percentage of the total state tuition support that will be distributed to school corporations and charter schools (other than virtual charter schools).

STEP FIVE: Multiply the result determined in STEP THREE by the school corporation's percentage or the charter school's (other than a virtual charter school) percentage determined under STEP FOUR.

If the above appropriations are insufficient to make the full distribution under this provision, the amount each school corporation and charter school (other than a virtual charter school) receives shall be proportionately reduced. The special distributions may be made only after review by the state budget committee and approval by the budget agency.

Total Operating Expense	39,000,000	39,000,000

Total Operating Expense	81,900,000	81,900,000
--------------------------------	-------------------	-------------------

The above appropriations for full-day kindergarten are available to school corporations and charter schools that apply to the department of education for funding of full-day kindergarten. The amount available to a school corporation or charter school equals the amount appropriated divided by the total full day kindergarten enrollment of all participating school corporations and charter schools (as defined in IC 20-43-1-4) for the current year, and then multiplied by the school corporation's or charter school's full day kindergarten enrollment of eligible pupils (as defined in IC 20-43-1-11) for the current year. However, a school corporation or charter school may not receive more than \$2,500 dollars per student for full day kindergarten. A school corporation or charter school that is awarded a grant must provide to the department of education a financial report stating how the funds were spent. Any unspent funds at the end

of the biennium must be returned to the state by the school corporation or charter school.

To provide full day kindergarten programs, a school corporation or charter school that determines there is inadequate space to offer a program in the school corporation's or charter school's existing facilities may offer the program in any suitable space located within the geographic boundaries of the school corporation or, in the case of a charter school, a location that is in the general vicinity of the charter school's existing facilities. A full day kindergarten program offered by a school corporation or charter school must meet the academic standards and other requirements of IC 20.

A school corporation or charter school that receives a grant must meet the academic standards and other requirements of IC 20.

In awarding grants from the above appropriations, the department of education may not refuse to make a grant to a school corporation or reduce the award that would otherwise be made to the school corporation because the school corporation used federal grants or loans, including Title I grants, to fund part or all of the school corporation's full day kindergarten program in a school year before the school year in which the grant will be given or because the school corporation intends to use federal grants or loans, including Title I grants, to fund part of the school corporation's full day kindergarten program in a school year in which the grant will be given.

The state board and department shall provide support to school corporations and charter schools in the development and implementation of child centered and learning focused programs using the following methods:

(1) Targeting professional development funds to provide teachers in kindergarten through grade 3 education in:

- (A) scientifically proven methods of teaching reading;
- (B) the use of data to guide instruction; and
- (C) the use of age appropriate literacy and mathematics assessments.

(2) Making uniform, predictively valid, observational assessments that:

- (A) provide frequent information concerning the student's progress to the student's teacher; and
- (B) measure the student's progress in literacy;

available to teachers in kindergarten through grade 3. Teachers shall monitor students participating in a program, and the school corporation or charter school shall report the results of the assessments to the parents of a child completing an assessment and to the department.

(3) Undertaking a longitudinal study of students in programs in Indiana to determine the achievement levels of the students in kindergarten and later grades.

The school corporation or charter school may use any funds otherwise allowable under state and federal law, including the school corporation's general fund, any

funds available to the charter school, or voluntary parent fees, to provide full day kindergarten programs.

Prior to notification of local school corporations of the formula and components of the formula for distributing funds for remediation and graduation exam remediation, review and approval of the formula and components shall be made by the budget agency.

The above appropriation for testing and remediation shall be used by school corporations to provide remediation programs for students who attend public and nonpublic schools. For purposes of tuition support, these students are not to be counted in the average daily membership. SECTION 14. [EFFECTIVE JULY 1, 2011]

The budget agency, under IC 4-10-11, IC 4-12-1-13, and IC 4-13-1, in cooperation with the Indiana department of administration, may fix the amount of reimbursement for traveling expenses (other than transportation) for travel within the limits of Indiana. This amount may not exceed actual lodging and miscellaneous expenses incurred. A person in travel status, as defined by the state travel policies and procedures established by the Indiana department of administration and the budget agency, is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service.

All appropriations provided by this act or any other statute, for traveling and hotel expenses for any department, officer, agent, employee, person, trustee, or commissioner, are to be used only for travel within the state of Indiana, unless those expenses are incurred in traveling outside the state of Indiana on trips that previously have received approval as required by the state travel policies and procedures established by the Indiana department of administration and the budget agency. With the required approval, a reimbursement for out-of-state travel expenses may be granted in an amount not to exceed actual lodging and miscellaneous expenses incurred. A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. In the case of the state supported institutions of postsecondary education, approval for out-of-state travel may be given by the chief executive officer of the institution, or the chief executive officer's authorized designee, for the chief executive officer's respective personnel.

Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation from any fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new

state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

SECTION 18. [EFFECTIVE JULY 1, 2011]

In case of loss by fire or any other cause involving any state institution or department, the proceeds derived from the settlement of any claim for the loss shall be deposited in the state treasury, and the amount deposited is hereby reappropriated to the institution or department for the purpose of replacing the loss. If it is determined that the loss shall not be replaced, any funds received from the settlement of a claim shall be deposited into the state general fund.

SECTION 19. [EFFECTIVE JULY 1, 2011]

If an agency has computer equipment in excess of the needs of that agency, then the excess computer equipment may be sold under the provisions of surplus property sales, and the proceeds of the sale or sales shall be deposited in the state treasury. The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.

SECTION 20. [EFFECTIVE JULY 1, 2011]

If any state penal or benevolent institution other than the Indiana state prison, Pendleton correctional facility, or Putnamville correctional facility shall, in the operation of its farms, produce products or commodities in excess of the needs of

the institution, the surplus may be sold through the division of industries and farms, the director of the supply division of the Indiana department of administration, or both. This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the state universities supported in whole or in part by state funds.

SECTION 22. [EFFECTIVE JULY 1, 2011]

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

SECTION 23. [EFFECTIVE JULY 1, 2011]

The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

The director of the division of procurement of the Indiana department of administration, or any other person or agency authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the Indiana department of administration or the commissioner's designee:

- (1) In the case of an elected state officer, it shall be shown that the duties of the office require driving about the state of Indiana in the performance of official duty.**
- (2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.**
- (3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment.**

In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

SECTION 25. [EFFECTIVE JULY 1, 2011]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

SECTION 27. [EFFECTIVE JULY 1, 2011]

Except in those cases where a specific appropriation has been made to cover the payments for any of the following, the auditor of state shall transfer, from the personal services appropriations for each of the various agencies and departments, necessary payments for Social Security, public employees' retirement, health insurance, life insurance, and any other similar payments directed by the budget agency.

SECTION 30. [EFFECTIVE JULY 1, 2011]

Subject to SECTION 25 of this act as it relates to the budget committee, the budget agency with the approval of the governor may withhold allotments of any or all appropriations contained in this act for the 2011-2013 biennium, if it is considered necessary to do so in order to prevent a deficit financial situation.

(A) who are candidates for promotion or transfer; or

(B) who, because of a low service rating, are candidates for demotion or dismissal.

Sec. 37. (a) An appointing authority shall report to the director each appointment, transfer, promotion, demotion, dismissal, change of salary rate, absence from duty, and other temporary or permanent change in the status of an employee in the appointing authority's division of the service.

(b) The director shall prescribe the submission deadline, the form, and the supporting or pertinent information required for the report.

Sec. 38. (a) The director shall maintain a perpetual roster that includes at least the following information for each employee in the state civil service system:

(1) Whether the employee is in the state classified service or the unclassified service.

(2) The title of the position the employee holds.

(3) The department, state agency, or state institution to which the employee is assigned.

(4) The employee's pay rate.

(5) The employee's date of appointment.

(6) Any other information that the director considers pertinent.

(b) The director shall maintain any other personnel records that the director considers desirable.

(c) The director shall provide tabulations and analyses of state employee personnel data that are available to the director to:

(1) the governor;

(2) the general assembly in the electronic format required by IC 5-14-6;

(3) the budget director;

(4) department and institution directors; and

(5) other persons to the extent required by and in accordance with IC 5-14-3.

(d) All officers and employees shall, during usual business hours:

(1) grant to the director, or any agent or employee of the department designated by the director, unlimited access to the premises and records pertaining to personnel matters that are under the officers' or employees' control; and

(2) furnish to the director, or the director's agent, the facilities, assistance, and information required to administer this chapter.

Sec. 39. Rules adopted by the department for state civil service employees must provide for the hours of work and leaves of absence.

Sec. 40. (a) An appointing authority has the authority to lay off or furlough employees or to reduce hours of employment for any of the following reasons:

(1) Lack of funds.

(2) A reduction in spending authorization.

(3) Lack of work.

(4) Efficiency.

(b) The appointing authority has the authority to determine the extent, effective dates, and length of a layoff, furlough, or reduction in hours taken under subsection (a).

(c) The appointing authority shall determine the classifications affected and the number of employees laid off in each classification and county to which a layoff applies.

(d) In determining a layoff, the appointing authority must consider all employees under the same appointing authority, within the classification affected, and within the county affected, and consider service ratings first. Thereafter, consideration may be given to the following relevant factors:

- (1) Disciplinary record.
- (2) Knowledge, skill, and ability.
- (3) Seniority.

Sec. 41. (a) As used in this section, "state seniority" means the length of an employee's unbroken, continuous state employment.

(b) A former employee in the state civil service system has a right of recall to the classification from which the employee was laid off. Recall rights under this section are to positions under the same appointing authority and in the same or a contiguous county from which a former employee was laid off.

(c) A former employee must assert in a timely manner the claim of entitlement to recall in response to the official posting of a vacancy.

(d) A recall under this section is contingent upon the former employee having the knowledge, skill, and ability to perform the duties of the position for which the former employee is applying.

(e) The appointing authority shall recall former employees in the order of the employees' service ratings. In the event of a tie in service ratings, the right to recall is determined by state seniority. If there is a tie in state seniority, the former employee with the highest number comprised of the last four (4) digits of the employee's Social Security number is the employee recalled.

(f) The right to recall under this section expires on the earlier of:

- (1) one (1) year after date the employee is laid off; or
- (2) the date the employee is reemployed in a permanent position.

(g) For state seniority purposes, an employee who becomes reemployed within one (1) year after the date the employee is laid off is considered to have unbroken, continuous state employment, except that the time that the employee spent in out-of-pay status as a result of the layoff must be deducted from the employee's total seniority.

Sec. 42. (a) An employee in the state civil service system may file a complaint concerning the application of a law, rule, or policy to the complainant. However, a gubernatorial appointee does not have standing to file a complaint under this section.

(b) A complaint filed under this section must identify the law, rule, or policy that was allegedly violated.

(c) An employee who files a complaint under this section must initiate the complaint procedure as soon as possible after the occurrence of the act or condition complained of, and not later than thirty (30) calendar days after the date the employee became aware, or by the exercise of reasonable diligence should have been aware, of the occurrence giving rise to the complaint. An employee who does not initiate the complaint procedure within the thirty (30) day period waives the right to file that complaint.

(d) A remedy granted under this section may not extend back more than thirty (30) calendar days before the complaint was initiated.

(e) The following complaint procedure is established:

Step I: The complainant shall reduce the complaint to writing and present the complaint to the appointing authority or the appointing authority's designated representative. The appointing authority or designee shall conduct any investigation considered necessary and issue a decision, in writing, not later than fifteen (15) calendar days after the date the appointing authority receives the complaint.

Step II: If the appointing authority or the appointing authority's designated representative does not find in favor of the complainant, the complainant may submit the complaint to the director not later than fifteen (15) calendar days after the date of the appointing authority's

finding. The director or the director's designee shall review the complaint and issue a decision not later than thirty (30) calendar days after the date the complaint is submitted to the director.

Step III: If the employee is not satisfied with the director's decision, the employee may submit an appeal in writing to the commission not later than fifteen (15) calendar days after the date the employee receives notice of the action taken by the director or the director's designee. The commission shall determine whether all previous steps were completed properly and in a timely manner, and, subject to subsection (f), whether the employee and subject of the complaint meet the jurisdictional requirements. If a procedural or jurisdictional requirement is not met, the commission shall dismiss the appeal. If the procedural and jurisdictional requirements have been met, the commission shall conduct proceedings in accordance with IC 4-21.5-3.

(f) An unclassified employee must establish that the commission has subject matter jurisdiction to hear the employee's wrongful discharge claim by establishing that a public policy exception to the employment at will doctrine was the reason for the employee's discharge. The former employee has the burden of proof on this issue.

(g) In a disciplinary case involving a classified employee, the commission shall defer to the appointing authority's choice as to the discipline imposed, if the appointing authority establishes that there was just cause for the imposition of the discipline. The appointing authority has the burden of proof on this issue.

(h) Decisions of the commission are subject to judicial review in accordance with IC 4-21.5-3.

(i) An employee who is suspended or terminated after a hearing held by the state ethics commission is not entitled to use the procedure set forth in this section. An employee who seeks further review of a suspension or termination imposed by the state ethics commission must seek judicial review of the state ethics commission's decision in accordance with IC 4-21.5-3.

Sec. 43. (a) An employee covered by this chapter:

- (1) is eligible for;
- (2) must participate in; and
- (3) receives the benefits of;

the public employees' retirement fund under IC 5-10.2 and IC 5-10.3.

- (2) commit or attempt to commit in any manner fraud that prevents the impartial implementation or administration of this chapter or rules adopted under this chapter.

Sec. 47. A person may not, directly or indirectly, give, render, pay, offer, solicit, or accept money, service, or other valuable consideration:

- (1) for, or in connection with, an appointment, a proposed appointment, a promotion, or a proposed promotion to; or

- (2) The witness has information that is material to the examination.

in connection with an investigation or hearing under this chapter.

(e) It is unlawful to knowingly give false testimony at an investigation or hearing under this chapter.

Sec. 49. The refusal or failure of an employee in the state classified service to do any of the following is sufficient grounds for the employee's dismissal by the appointing authority:

Sec. 50. The director may enter into an agreement with a political subdivision (as defined in IC 36-1-2-13) to furnish services related to or involving the administration of the political subdivision's personnel system. The agreement must provide for the reimbursement to the state of

the reasonable cost, as determined by the director, of the services and facilities furnished. All political subdivisions are authorized to enter into such agreements.

Sec. 51. This chapter may not be construed so as to result in the delay or stoppage of grants-in-aid to the state by agencies of the federal government.

However, at the end of each fiscal year, if the amount in any reserve fund exceeds the required debt service reserve, any amount representing earnings or income received on account of any money appropriated to the reserve fund that exceeds the expenses of the bank for that fiscal year may be transferred to the general fund of the state.

(6) The instrument governing the qualified entity's duties with respect to the security (as defined in IC 5-1.5-1-10) will include, to the extent the budget director determines is possible, a provision that money payable to the qualified entity by the state may be withheld by the auditor of state to recover any funds provided by the state, if subsection (a) is applied in connection with the qualified entity's securities.

(g) If the bank proposes that a reserve fund be established under subsection (a) for a project or purpose, the bank shall provide to the budget committee and the budget agency at or before the time of the bank's request, the following information in writing:

STEP FIVE: Subject to subsection (g), from the amount calculated under STEP FOUR, allocate to a hospital established and operated under IC 16-22-8 an amount not to exceed one hundred percent (100%) of the difference between:

(b) For a state fiscal year ending after June 30, 2003, and before July 1, 2007, in addition to reimbursement received under section 1 of this chapter, a hospital eligible under this section is entitled to reimbursement in an amount calculated as follows:

STEP ONE: The office shall identify the total inpatient hospital services and the total outpatient hospital services, reimbursable under this article and under the state Medicaid plan, that were provided during the state fiscal year by the hospitals described in subsection (a).

STEP TWO: For the total inpatient hospital services and the total outpatient hospital services identified under STEP ONE, the office shall calculate the aggregate payments made under this article and under the state Medicaid plan to hospitals described in subsection (a), excluding payments under IC 12-15-16, IC 12-15-17, and IC 12-15-19.

STEP THREE: The office shall calculate a reasonable estimate of the amount that would have been paid in the aggregate by the office for the inpatient hospital services and the outpatient hospital services identified in STEP ONE under Medicare payment principles.

STEP FOUR: Subtract the amount calculated under STEP TWO from the amount calculated under STEP THREE.

STEP FIVE: Distribute an amount equal to the amount calculated under STEP FOUR to the eligible hospitals described in subsection (a) as follows:

(A) Subject to the availability of funds under IC 12-15-20-2(8)(D) to serve as the nonfederal share of such payment, the first ten million dollars (\$10,000,000) of the amount calculated under STEP

FOUR for a state fiscal year shall be paid to a hospital described in subsection (a) that has more than sixty thousand (60,000) Medicaid inpatient days.

(B) Following the payment to the hospital under clause (A) and subject to the availability of funds under IC 12-15-20-2(8)(D) to serve as the nonfederal share of such payments, the remaining amount calculated under STEP FOUR for a state fiscal year shall be paid to all hospitals described in subsection (a). The payments shall be made on a pro rata basis based on the hospitals' Medicaid inpatient days or other payment methodology approved by the Centers for Medicare and Medicaid Services. For purposes of this clause, a hospital's Medicaid inpatient days are the hospital's in-state and paid Medicaid fee for service and managed care days for the state fiscal year for which services are identified under STEP ONE, as determined by the office.

(C) Subject to IC 12-15-20.7, in the event the entirety of the amount calculated under STEP FOUR is not distributed following the payments made under clauses (A) and (B), the remaining amount may be paid to hospitals described in subsection (a) that are eligible under this clause. A hospital is eligible for a payment under this clause only if the nonfederal share of the hospital's payment is provided by or on behalf of the hospital. The remaining amount shall be paid to those eligible hospitals:

- (i) on a pro rata basis in relation to all hospitals eligible under this clause based on the hospitals' Medicaid inpatient days; or
- (ii) other payment methodology determined by the office and approved by the Centers for Medicare and Medicaid Services.

(c) As used in this subsection, "Medicaid supplemental payments" means Medicaid payments for hospitals that are in addition to Medicaid fee-for-service payments, Medicaid risk-based managed care payments, and Medicaid disproportionate share payments, and that are included in the Medicaid state plan, including Medicaid safety-net payments, and payments made under this section and sections 1.1, 1.3, 9, and 9.5 of this chapter. For a state fiscal year ending after June 30, 2007, in addition to the reimbursement received under section 1 of this chapter, a hospital eligible under this section is entitled to reimbursement in an amount calculated as follows:

STEP ONE: The office shall identify the total inpatient hospital services and the total outpatient hospital services reimbursable under this article and under the state Medicaid plan that were provided during the state fiscal year for all hospitals described in subsection (a).

STEP TWO: For the total inpatient hospital services and the total outpatient hospital services identified in STEP ONE, the office shall calculate the total payments made under this article and under the state Medicaid plan to all hospitals described in subsection (a). A calculation under this STEP excludes a payment made under the following:

- (A) IC 12-15-16.
- (B) IC 12-15-17.
- (C) IC 12-15-19.

STEP THREE: The office shall calculate, under Medicare payment principles, a reasonable estimate of the total amount that would have been paid by the office for the inpatient hospital services and the outpatient hospital services identified in STEP ONE.

STEP FOUR: Subtract the amount calculated under STEP TWO from the amount calculated under STEP THREE.

STEP FIVE: Distribute an amount equal to the amount calculated under STEP FOUR to the eligible hospitals described in subsection (a) as follows:

- (A) As used in this clause, "Medicaid inpatient days" are the hospital's in-state paid Medicaid fee

for service and risk-based managed care days for the state fiscal year for which services are identified under STEP ONE, as determined by the office. Subject to the availability of funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(c) and remaining in the Medicaid indigent care trust fund under IC 12-15-20-2(8)(G) to serve as the nonfederal share of the payments, the amount calculated under STEP FOUR for a state fiscal year shall be paid to all hospitals described in subsection (a). The payments shall be made on a pro rata basis, based on the hospitals' Medicaid inpatient days or in accordance with another payment methodology determined by the office and approved by the Centers for Medicare and Medicaid Services.

(B) Subject to IC 12-15-20.7, if the entire amount calculated under STEP FOUR is not distributed following the payments made under clause (A), the remaining amount shall be paid as described in clauses (C) and (D) to a hospital that is described in subsection (a) and that is described as eligible under this clause. A hospital is eligible for a payment under clause (C) only if the hospital:

- (i) has less than sixty thousand (60,000) Medicaid inpatient days annually;
- (ii) was eligible for Medicaid disproportionate share hospital payments in the state fiscal year ending June 30, 1998, or the hospital met the office's Medicaid disproportionate share payment criteria based upon state fiscal year 1998 data and received a Medicaid disproportionate share payment for the state fiscal year ending June 30, 2001; and
- (iii) received a Medicaid disproportionate share payment under IC 12-15-19-2.1 for state fiscal years 2001, 2002, 2003, and 2004.

The payment amount under clause (C) for an eligible hospital is subject to the availability of the nonfederal share of the hospital's payment being provided by the hospital or on behalf of the hospital.

(C) For state fiscal years ending after June 30, 2007, but before July 1, 2009, payments to eligible hospitals described in clause (B) shall be made as follows:

- (i) The payment to an eligible hospital that merged two (2) hospitals under a single Medicaid provider number effective January 1, 2004, shall equal one hundred percent (100%) of the hospital's hospital-specific limit for the state fiscal year ending June 30, 2005, when the payment is combined with any Medicaid disproportionate share payment made under IC 12-15-19-2.1, Medicaid, and other Medicaid supplemental payments, paid or to be paid to the hospital for a state fiscal year.
- (ii) The payment to an eligible hospital described in clause (B) other than a hospital described in item (i) shall equal one hundred percent (100%) of the hospital's hospital specific limit for the state fiscal year ending June 30, 2004, when the payment is combined with any Medicaid disproportionate share payment made under IC 12-15-19-2.1, Medicaid, and other Medicaid supplemental payments, paid or to be paid to the hospital for a state fiscal year.

(D) For state fiscal years beginning after June 30, 2009, payments to an eligible hospital described in clause (B) shall be made in a manner determined by the office.

(E) Subject to IC 12-15-20.7, if the entire amount calculated under STEP FOUR is not distributed following the payments made under clause (A) and clauses (C) or (D), the remaining amount may be paid as described in clause (F) to a hospital described in subsection (a) that is described as eligible under this clause. A hospital is eligible for a payment for a state fiscal year under clause (F) if the hospital:

- (i) is eligible to receive Medicaid disproportionate share payments for the state fiscal year for which the Medicaid disproportionate share payment is attributable under IC 12-15-19-2.1, for

- a state fiscal year ending after June 30, 2007; and
- (ii) does not receive a payment under clauses (C) or (D) for the state fiscal year.

A payment to a hospital under this clause is subject to the availability of nonfederal matching funds.

(F) Payments to eligible hospitals described in clause (E) shall be made:

- (i) to best use federal matching funds available for hospitals that are eligible for Medicaid disproportionate share payments under IC 12-15-19-2.1; and
- (ii) by using a methodology that allocates available funding under this clause, Medicaid supplemental payments, and payments under IC 12-15-19-2.1, in a manner in which all hospitals eligible under clause (E) receive payments in a manner that takes into account the situation of eligible hospitals that have historically qualified for Medicaid disproportionate share payments and ensures that payments for eligible hospitals are equitable.

(G) If the Centers for Medicare and Medicaid Services does not approve the payment methodologies in clauses (A) through (F), the office may implement alternative payment methodologies that are eligible for federal financial participation to implement a program consistent with the payments for hospitals described in clauses (A) through (F).

(d) A hospital described in subsection (a) may appeal under IC 4-21.5 the amount determined by the office to be paid to the hospital under STEP FIVE of subsections (b) or (c). The distribution to other hospitals under STEP FIVE of subsection (b) or (c) may not be delayed due to an administrative appeal or judicial review instituted by a hospital under this subsection. If necessary, the office may make a partial distribution to the other eligible hospitals under STEP FIVE of subsection (b) or (c) pending the completion of a hospital's administrative appeal or judicial review, at which time the remaining portion of the payments due to the eligible hospitals shall be made. A partial distribution may be based on estimates and trends calculated by the office.

SECTION 131. IC 12-15-15-1.6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 1.6. (a) This section applies only if the office determines, based on information received from the ~~federal~~ **United States** Centers for Medicare and Medicaid Services, that payments made under section 1.5(b) STEP FIVE (A), (B), or (C) of this chapter will not be approved for federal financial participation. **This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.**

(b) If the office determines that payments made under section 1.5(b) STEP FIVE (A) of this chapter will not be approved for federal financial participation, the office may make alternative payments to payments under section 1.5(b) STEP FIVE (A) of this chapter if:

- (1) the payments for a state fiscal year are made only to a hospital that would have been eligible for a payment for that state fiscal year under section 1.5(b) STEP FIVE (A) of this chapter; and
- (2) the payments for a state fiscal year to each hospital are an amount that is as equal as possible to the amount each hospital would have received under section 1.5(b) STEP FIVE (A) of this chapter for that state fiscal year.

(c) If the office determines that payments made under section 1.5(b) STEP FIVE (B) of this chapter will not be approved for federal financial participation, the office may make alternative payments to payments under section 1.5(b) STEP FIVE (B) of this chapter if:

- (1) the payments for a state fiscal year are made only to a hospital that would have been eligible for a payment for that state fiscal year under section 1.5(b) STEP FIVE (B) of this chapter; and
- (2) the payments for a state fiscal year to each hospital are an amount that is as equal as possible to the amount each hospital would have received under section 1.5(b) STEP FIVE (B) of this chapter

for that state fiscal year.

(d) If the office determines that payments made under section 1.5(b) STEP FIVE (C) of this chapter will not be approved for federal financial participation, the office may make alternative payments to payments under section 1.5(b) STEP FIVE (C) of this chapter if:

- (1) the payments for a state fiscal year are made only to a hospital that would have been eligible for a payment for that state fiscal year under section 1.5(b) STEP FIVE (C) of this chapter; and
- (2) the payments for a state fiscal year to each hospital are an amount that is as equal as possible to the amount each hospital would have received under section 1.5(b) STEP FIVE (C) of this chapter for that state fiscal year.

(e) If the office determines, based on information received from the ~~federal~~ **United States** Centers for Medicare and Medicaid Services, that payments made under subsection (b), (c), or (d) will not be approved for federal financial participation, the office shall use the funds that would have served as the nonfederal share of these payments for a state fiscal year to serve as the nonfederal share of a payment program for hospitals to be established by the office. The payment program must distribute payments to hospitals for a state fiscal year based upon a methodology determined by the office to be equitable under the circumstances.

SECTION 132. IC 12-15-15-9, AS AMENDED BY P.L.218-2007, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 9. (a) For purposes of this section and IC 12-16-7.5-4.5, a payable claim is attributed to a county if the payable claim is submitted to the division by a hospital licensed under IC 16-21-2 for payment under IC 12-16-7.5 for care provided by the hospital to an individual who qualifies for the hospital care for the indigent program under IC 12-16-3.5-1 or IC 12-16-3.5-2 and:

- (1) who is a resident of the county;
- (2) who is not a resident of the county and for whom the onset of the medical condition that necessitated the care occurred in the county; or
- (3) whose residence cannot be determined by the division and for whom the onset of the medical condition that necessitated the care occurred in the county.

This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.

(b) For each state fiscal year ending after June 30, 2003, and before July 1, 2007, a hospital licensed under IC 16-21-2 that submits to the division during the state fiscal year a payable claim under IC 12-16-7.5 is entitled to a payment under subsection (c).

(c) Except as provided in section 9.8 of this chapter and subject to section 9.6 of this chapter, for a state fiscal year, the office shall pay to a hospital referred to in subsection (b) an amount equal to the amount, based on information obtained from the division and the calculations and allocations made under IC 12-16-7.5-4.5, that the office determines for the hospital under STEP SIX of the following STEPS:

STEP ONE: Identify:

- (A) each hospital that submitted to the division one (1) or more payable claims under IC 12-16-7.5 during the state fiscal year; and
- (B) the county to which each payable claim is attributed.

STEP TWO: For each county identified in STEP ONE, identify:

- (A) each hospital that submitted to the division one (1) or more payable claims under IC 12-16-7.5 attributed to the county during the state fiscal year; and
- (B) the total amount of all hospital payable claims submitted to the division under IC 12-16-7.5 attributed to the county during the state fiscal year.

HEA 1001 — CC 1+

STEP THREE: For each county identified in STEP ONE, identify the amount of county funds transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5.

STEP FOUR: For each hospital identified in STEP ONE, with respect to each county identified in STEP ONE, calculate the hospital's percentage share of the county's funds transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5. Each hospital's percentage share is based on the total amount of the hospital's payable claims submitted to the division under IC 12-16-7.5 attributed to the county during the state fiscal year, calculated as a percentage of the total amount of all hospital payable claims submitted to the division under IC 12-16-7.5 attributed to the county during the state fiscal year.

STEP FIVE: Subject to subsection (j), for each hospital identified in STEP ONE, with respect to each county identified in STEP ONE, multiply the hospital's percentage share calculated under STEP FOUR by the amount of the county's funds transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5.

STEP SIX: Determine the sum of all amounts calculated under STEP FIVE for each hospital identified in STEP ONE with respect to each county identified in STEP ONE.

(d) For state fiscal years beginning after June 30, 2007, a hospital that received a payment determined under STEP SIX of subsection (c) for the state fiscal year ending June 30, 2007, shall be paid in an amount equal to the amount determined for the hospital under STEP SIX of subsection (c) for the state fiscal year ending June 30, 2007.

(e) A hospital's payment under subsection (c) or (d) is in the form of a Medicaid supplemental payment. The amount of a hospital's Medicaid supplemental payment is subject to the availability of funding for the non-federal share of the payment under subsection (f). The office shall make the payments under subsection (c) and (d) before December 15 that next succeeds the end of the state fiscal year.

(f) The non-federal share of a payment to a hospital under subsection (c) or (d) is funded from the funds transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5.

(g) The amount of a county's transferred funds available to be used to fund the non-federal share of a payment to a hospital under subsection (c) is an amount that bears the same proportion to the total amount of funds of the county transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5 that the total amount of the hospital's payable claims under IC 12-16-7.5 attributed to the county submitted to the division during the state fiscal year bears to the total amount of all hospital payable claims under IC 12-16-7.5 attributed to the county submitted to the division during the state fiscal year.

(h) Any county's funds identified in subsection (g) that remain after the non-federal share of a hospital's payment has been funded are available to serve as the non-federal share of a payment to a hospital under section 9.5 of this chapter.

(i) For purposes of this section, "payable claim" has the meaning set forth in IC 12-16-7.5-2.5(b)(1).

(j) For purposes of subsection (c):

(1) the amount of a payable claim is an amount equal to the amount the hospital would have received under the state's fee-for-service Medicaid reimbursement principles for the hospital care for which the payable claim is submitted under IC 12-16-7.5 if the individual receiving the hospital care had been a Medicaid enrollee; and

(2) a payable hospital claim under IC 12-16-7.5 includes a payable claim under IC 12-16-7.5 for the hospital's care submitted by an individual or entity other than the hospital, to the extent permitted under the hospital care for the indigent program.

(k) The amount calculated under STEP FIVE of subsection (c) for a hospital with respect to a county may not exceed the total amount of the hospital's payable claims attributed to the county during the state

fiscal year.

SECTION 133. IC 12-15-15-9.5, AS AMENDED BY P.L.3-2008, SECTION 93, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 9.5. (a) For purposes of this section and IC 12-16-7.5-4.5, a payable claim is attributed to a county if the payable claim is submitted to the division by a hospital licensed under IC 16-21-2 for payment under IC 12-16-7.5 for care provided by the hospital to an individual who qualifies for the hospital care for the indigent program under IC 12-16-3.5-1 or IC 12-16-3.5-2 and:

- (1) who is a resident of the county;
- (2) who is not a resident of the county and for whom the onset of the medical condition that necessitated the care occurred in the county; or
- (3) whose residence cannot be determined by the division and for whom the onset of the medical condition that necessitated the care occurred in the county.

This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.

(b) For each state fiscal year ending after June 30, 2003, but before July 1, 2007, a hospital licensed under IC 16-21-2:

- (1) that submits to the division during the state fiscal year a payable claim under IC 12-16-7.5; and
- (2) whose payment under section 9(c) of this chapter was less than the total amount of the hospital's payable claims under IC 12-16-7.5 submitted by the hospital to the division during the state fiscal year;

is entitled to a payment under subsection (c).

(c) Subject to section 9.6 of this chapter, for a state fiscal year, the office shall pay to a hospital referred to in subsection (b) an amount equal to the amount, based on information obtained from the division and the calculations and allocations made under IC 12-16-7.5-4.5, that the office determines for the hospital under STEP EIGHT of the following STEPS:

STEP ONE: Identify each county whose transfer of funds to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5 for the state fiscal year was less than the total amount of all hospital payable claims attributed to the county and submitted to the division during the state fiscal year.

STEP TWO: For each county identified in STEP ONE, calculate the difference between the amount of funds of the county transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5 and the total amount of all hospital payable claims attributed to the county and submitted to the division during the state fiscal year.

STEP THREE: Calculate the sum of the amounts calculated for the counties under STEP TWO.

STEP FOUR: Identify each hospital whose payment under section 9(c) of this chapter was less than the total amount of the hospital's payable claims under IC 12-16-7.5 submitted by the hospital to the division during the state fiscal year.

STEP FIVE: Calculate for each hospital identified in STEP FOUR the difference between the hospital's payment under section 9(c) of this chapter and the total amount of the hospital's payable claims under IC 12-16-7.5 submitted by the hospital to the division during the state fiscal year.

STEP SIX: Calculate the sum of the amounts calculated for each of the hospitals under STEP FIVE.

STEP SEVEN: For each hospital identified in STEP FOUR, calculate the hospital's percentage share of the amount calculated under STEP SIX. Each hospital's percentage share is based on the amount calculated for the hospital under STEP FIVE calculated as a percentage of the sum calculated under STEP SIX.

STEP EIGHT: For each hospital identified in STEP FOUR, multiply the hospital's percentage share

calculated under STEP SEVEN by the sum calculated under STEP THREE. The amount calculated under this STEP for a hospital may not exceed the amount by which the hospital's total payable claims under IC 12-16-7.5 submitted during the state fiscal year exceeded the amount of the hospital's payment under section 9(c) of this chapter.

(d) For state fiscal years beginning after June 30, 2007, a hospital that received a payment determined under STEP EIGHT of subsection (c) for the state fiscal year ending June 30, 2007, shall be paid an amount equal to the amount determined for the hospital under STEP EIGHT of subsection (c) for the state fiscal year ending June 30, 2007.

(e) A hospital's payment under subsection (c) or (d) is in the form of a Medicaid supplemental payment. The amount of the hospital's add-on payment is subject to the availability of funding for the nonfederal share of the payment under subsection (f). The office shall make the payments under subsection (c) or (d) before December 15 that next succeeds the end of the state fiscal year.

(f) The nonfederal share of a payment to a hospital under subsection (c) or (d) is derived from funds transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5 and not expended under section 9 of this chapter.

(g) Except as provided in subsection (h), the office may not make a payment under this section until the payments due under section 9 of this chapter for the state fiscal year have been made.

(h) If a hospital appeals a decision by the office regarding the hospital's payment under section 9 of this chapter, the office may make payments under this section before all payments due under section 9 of this chapter are made if:

- (1) a delay in one (1) or more payments under section 9 of this chapter resulted from the appeal; and
- (2) the office determines that making payments under this section while the appeal is pending will not unreasonably affect the interests of hospitals eligible for a payment under this section.

(i) Any funds transferred to the Medicaid indigent care trust fund under IC 12-16-7.5-4.5 remaining after payments are made under this section shall be used as provided in IC 12-15-20-2(8).

(j) For purposes of subsection (c):

- (1) "payable claim" has the meaning set forth in IC 12-16-7.5-2.5(b);
- (2) the amount of a payable claim is an amount equal to the amount the hospital would have received under the state's fee-for-service Medicaid reimbursement principles for the hospital care for which the payable claim is submitted under IC 12-16-7.5 if the individual receiving the hospital care had been a Medicaid enrollee; and
- (3) a payable hospital claim under IC 12-16-7.5 includes a payable claim under IC 12-16-7.5 for the hospital's care submitted by an individual or entity other than the hospital, to the extent permitted under the hospital care for the indigent program.

SECTION 134. IC 12-15-16-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:
Sec. 6. (a) As used in this section, "low income utilization rate" refers to the low income utilization rate described in section 3 of this chapter.

(b) Hospitals that qualify for basic disproportionate share under section 1(a) of this chapter shall receive disproportionate share payments as follows:

- (1) For the state fiscal year ending June 30, 1999, a pool not exceeding twenty-one million dollars (\$21,000,000) shall be distributed to all hospitals licensed under IC 16-21 that qualify under section 1(a)(1) of this chapter. The funds in the pool must be distributed to qualifying hospitals in proportion to each hospital's Medicaid day utilization rate and Medicaid discharges, as determined based on data from the most recent audited cost report on file with the office. Any funds remaining in the pool referred to in this subdivision following distribution to all qualifying hospitals shall be transferred to

the pool distributed under subdivision (3).

(2) Hospitals licensed under IC 16-21 that qualify under both section 1(a)(1) and 1(a)(2) of this chapter shall receive a disproportionate share payment in accordance with subdivision (1).

(3) For the state fiscal year ending June 30, 1999, a pool not exceeding five million dollars (\$5,000,000), subject to adjustment by the transfer of any funds remaining in the pool referred to in subdivision (1), following distribution to all qualifying hospitals, shall be distributed to all hospitals licensed under IC 16-21 that:

(A) qualify under section 1(a)(1) or 1(a)(2) of this chapter; and

(B) have at least twenty-five thousand (25,000) Medicaid inpatient days per year, based on data from each hospital's Medicaid cost report for the fiscal year ended during state fiscal year 1996.

The funds in the pool must be distributed to qualifying hospitals in proportion to each hospital's Medicaid day utilization rate and total Medicaid patient days, as determined based on data from the most recent audited cost report on file with the office. Payments under this subdivision are in place of the payments made under subdivisions (1) and (2).

(c) **This subsection does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.** Other institutions that qualify as disproportionate share providers under section 1 of this chapter, in each state fiscal year, shall receive disproportionate share payments as follows:

(1) For each of the state fiscal years ending after June 30, 1995, a pool not exceeding two million dollars (\$2,000,000) shall be distributed to all private psychiatric institutions licensed under IC 12-25 that qualify under section 1(a)(1) or 1(a)(2) of this chapter. The funds in the pool must be distributed to the qualifying institutions in proportion to each institution's Medicaid day utilization rate as determined based on data from the most recent audited cost report on file with the office.

(2) A pool not exceeding one hundred ninety-one million dollars (\$191,000,000) for all state fiscal years ending after June 30, 1995, shall be distributed to all state mental health institutions under IC 12-24-1-3 that qualify under either section 1(a)(1) or 1(a)(2) of this chapter. The funds in the pool must be distributed to each qualifying institution in proportion to each institution's low income utilization rate, as determined based on the most recent data on file with the office.

(d) **This subsection does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.** Disproportionate share payments described in this section shall be made on an interim basis throughout the year, as provided by the office.

SECTION 135. IC 12-15-17-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:
Sec. 1. A disproportionate share payment shall be made to:

(1) a hospital licensed under IC 16-21;

(2) a state mental health institution under IC 12-24-1-3; and

(3) a private psychiatric institution licensed under IC 12-25;

that serves a disproportionate share of Medicaid recipients and other low income patients as determined under IC 12-15-16-1. However, a provider may not be defined as a disproportionate share provider under IC 12-15-16-1 unless the provider has a Medicaid inpatient utilization rate (as defined in 42 U.S.C. 1396r-4(b)(2)) of at least one percent (1%). **Subdivisions (2) and (3) do not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.**

SECTION 136. IC 12-15-19-2.1, AS AMENDED BY P.L.218-2007, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 2.1. (a) **This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.** For each state fiscal year ending on or after June 30, 2000, the office shall develop a disproportionate share payment methodology that ensures that each hospital qualifying for disproportionate share payments under

IC 12-15-16-1(a) timely receives total disproportionate share payments that do not exceed the hospital's hospital specific limit provided under 42 U.S.C. 1396r-4(g). The payment methodology as developed by the office must:

- (1) maximize disproportionate share hospital payments to qualifying hospitals to the extent practicable;
- (2) take into account the situation of those qualifying hospitals that have historically qualified for Medicaid disproportionate share payments; and
- (3) ensure that payments for qualifying hospitals are equitable.

(b) Total disproportionate share payments to a hospital under this chapter shall not exceed the hospital specific limit provided under 42 U.S.C. 1396r-4(g). The hospital specific limit for a state fiscal year shall be determined by the office taking into account data provided by each hospital that is considered reliable by the office based on a system of periodic audits, the use of trending factors, and an appropriate base year determined by the office. The office may require independent certification of data provided by a hospital to determine the hospital's hospital specific limit.

(c) The office shall include a provision in each amendment to the state plan regarding Medicaid disproportionate share payments that the office submits to the federal Centers for Medicare and Medicaid Services that, as provided in 42 CFR 447.297(d)(3), allows the state to make additional disproportionate share expenditures after the end of each federal fiscal year that relate back to a prior federal fiscal year. However, the total disproportionate share payments to:

- (1) each individual hospital; and
- (2) all qualifying hospitals in the aggregate;

may not exceed the limits provided by federal law and regulation.

SECTION 137. IC 12-15-19-6, AS AMENDED BY P.L.218-2007, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 6. (a) **This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.** The office is not required to make disproportionate share payments under this chapter from the Medicaid indigent care trust fund established by IC 12-15-20-1 until the fund has received sufficient deposits, including intergovernmental transfers of funds and certifications of expenditures, to permit the office to make the state's share of the required disproportionate share payments.

(b) For state fiscal years beginning after June 30, 2006, if:

- (1) sufficient deposits have not been received; or
- (2) the statewide Medicaid disproportionate share allocation is insufficient to provide federal financial participation for the entirety of all eligible disproportionate share hospitals' hospital-specific limits;

the office shall reduce disproportionate share payments made under IC 12-15-19-2.1 and Medicaid safety-net payments made in accordance with the Medicaid state plan to eligible institutions using an equitable methodology consistent with subsection (c).

(c) For state fiscal years beginning after June 30, 2006, payments reduced under this section shall, in accordance with the Medicaid state plan, be made:

- (1) to best utilize federal matching funds available for hospitals eligible for Medicaid disproportionate share payments under IC 12-15-19-2.1; and
- (2) by utilizing a methodology that allocates available funding under this subdivision, and Medicaid supplemental payments as defined in IC 12-15-15-1.5, in a manner that all hospitals eligible for Medicaid disproportionate share payments under IC 12-15-19-2.1 receive payments using a methodology that:

(A) takes into account the situation of the eligible hospitals that have historically qualified for Medicaid disproportionate share payments; and

(B) ensures that payments for eligible hospitals are equitable.

(d) The percentage reduction shall be sufficient to ensure that payments do not exceed the statewide Medicaid disproportionate share allocation or the amounts that can be financed with:

- (1) the amount transferred from the hospital care for the indigent trust fund;
- (2) other intergovernmental transfers;
- (3) certifications of public expenditures; or
- (4) any other permissible sources of non-federal match.

SECTION 138. IC 12-15-19-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:

Sec. 8. (a) **This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.** A provider that qualifies as a municipal disproportionate share provider under IC 12-15-16-1 shall receive a disproportionate share adjustment, subject to the provider's hospital specific limits described in subsection (b), as follows:

- (1) For each state fiscal year ending on or after June 30, 1998, an amount shall be distributed to each provider qualifying as a municipal disproportionate share provider under IC 12-15-16-1. The total amount distributed shall not exceed the sum of all hospital specific limits for all qualifying providers.
- (2) For each municipal disproportionate share provider qualifying under IC 12-15-16-1 to receive disproportionate share payments, the amount in subdivision (1) shall be reduced by the amount of disproportionate share payments received by the provider under IC 12-15-16-6 or sections 1 or 2.1 of this chapter. The office shall develop a disproportionate share provider payment methodology that ensures that each municipal disproportionate share provider receives disproportionate share payments that do not exceed the provider's hospital specific limit specified in subsection (b). The methodology developed by the office shall ensure that a municipal disproportionate share provider receives, to the extent possible, disproportionate share payments that, when combined with any other disproportionate share payments owed to the provider, equals the provider's hospital specific limits.

(b) Total disproportionate share payments to a provider under this chapter and IC 12-15-16 shall not exceed the hospital specific limit provided under 42 U.S.C. 1396r-4(g). The hospital specific limit for state fiscal years ending on or before June 30, 1999, shall be determined by the office taking into account data provided by each hospital for the hospital's most recent fiscal year or, if a change in fiscal year causes the most recent fiscal period to be less than twelve (12) months, twelve (12) months of data compiled to the end of the provider's fiscal year that ends within the most recent state fiscal year, as certified to the office by an independent certified public accounting firm. The hospital specific limit for all state fiscal years ending on or after June 30, 2000, shall be determined by the office taking into account data provided by each hospital that is deemed reliable by the office based on a system of periodic audits, the use of trending factors, and an appropriate base year determined by the office. The office may require independent certification of data provided by a hospital to determine the hospital's hospital specific limit.

(c) For each of the state fiscal years:

- (1) beginning July 1, 1998, and ending June 30, 1999; and
- (2) beginning July 1, 1999, and ending June 30, 2000;

the total municipal disproportionate share payments available under this section to qualifying municipal disproportionate share providers is twenty-two million dollars (\$22,000,000).

SECTION 139. IC 12-15-19-10, AS AMENDED BY P.L.2-2005, SECTION 49, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 10. **This section does not apply during the period that the office is assessing a hospital fee authorized by HEA 1001-2011.** For state fiscal years

beginning after June 30, 2000, the state shall pay providers as follows:

- (1) The state shall make municipal disproportionate share provider payments to providers qualifying under IC 12-15-16-1(b) until the state exceeds the state disproportionate share allocation (as defined in 42 U.S.C. 1396r-4(f)(2)).
- (2) After the state makes all payments under subdivision (1), if the state fails to exceed the state disproportionate share allocation (as defined in 42 U.S.C. 1396r-4(f)(2)), the state shall make disproportionate share provider payments to providers qualifying under IC 12-15-16-1(a).
- (3) After the state makes all payments under subdivision (2), if the state fails to exceed the state disproportionate share allocation (as defined in 42 U.S.C. 1396r-4(f)(2)), or the state limit on disproportionate share expenditures for institutions for mental diseases (as defined in 42 U.S.C. 1396r-4(h)), the state shall make community mental health center disproportionate share provider payments to providers qualifying under IC 12-15-16-1(c).

Sec. 3. A charter school is eligible for a one (1) time grant under this chapter in the first calendar year immediately following the calendar year in which the charter school is established and begins enrolling eligible pupils.

Sec. 4. A charter school's new charter school startup grant is equal to the result of:

- (1) the amount of basic tuition support determined for the charter school under IC 20-43-6-3 for the calendar year that immediately follows the calendar year in which the charter school is established and begins enrolling eligible pupils; divided by**
- (2) three (3).**

The grant shall be paid from the charter school facilities assistance fund established by IC 20-24-12.

SECTION 173. IC 20-26-11-13, AS AMENDED BY P.L.146-2008, SECTION 471, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2012]: Sec. 13. (a) As used in this section, the following terms have the following meanings:

- (1) "Class of school" refers to a classification of each school or program in the transferee corporation by the grades or special programs taught at the school. Generally, these classifications are denominated as kindergarten, elementary school, middle school or junior high school, high school, and special schools or classes, such as schools or classes for special education, career and technical education, or career education.

- (2) "Special equipment" means equipment that during a school year:
- (A) is used only when a child with disabilities is attending school;
 - (B) is not used to transport a child to or from a place where the child is attending school;
 - (C) is necessary for the education of each child with disabilities that uses the equipment, as determined under the individualized education program for the child; and
 - (D) is not used for or by any child who is not a child with disabilities.
- (3) "Student enrollment" means the following:
- (A) The total number of students in kindergarten through grade 12 who are enrolled in a transferee school corporation on a date determined by the state board.
 - (B) The total number of students enrolled in a class of school in a transferee school corporation on a date determined by the state board.

However, a kindergarten student shall be counted under clauses (A) and (B) as one-half (1/2) student. The state board may select a different date for counts under this subdivision. However, the same date shall be used for all school corporations making a count for the same class of school.

(b) Each transferee corporation is entitled to receive for each school year on account of each transferred student, except a student transferred under section 6 of this chapter, transfer tuition from the transferor corporation or the state as provided in this chapter. Transfer tuition equals the amount determined under STEP THREE of the following formula:

STEP ONE: Allocate to each transfer student the capital expenditures for any special equipment used by the transfer student and a proportionate share of the operating costs incurred by the transferee school for the class of school where the transfer student is enrolled.

STEP TWO: If the transferee school included the transfer student in the transferee school's ADM for a school year, allocate to the transfer student a proportionate share of the following general fund revenues of the transferee school for, except as provided in clause (C), the calendar year in which the school year ends:

- (A) State tuition support distributions.
- (B) Property tax levies under IC 20-45-7 and IC 20-45-8.
- (C) **The sum of the following** excise tax revenue (~~as defined in IC 20-43-1-12~~) received for deposit in the calendar year in which the school year begins:
 - (i) **Financial institution excise tax revenue (IC 6-5.5).**
 - (ii) **Motor vehicle excise taxes (IC 6-6-5).**
 - (iii) **Commercial vehicle excise taxes (IC 6-6-5.5).**
 - (iv) **Boat excise tax (IC 6-6-11).**
 - (v) **Aircraft license excise tax (IC 6-6-6.5).**
- (D) Allocations to the transferee school under IC 6-3.5.

STEP THREE: Determine the greater of:

- (A) zero (0); or
- (B) the result of subtracting the STEP TWO amount from the STEP ONE amount.

If a child is placed in an institution or facility in Indiana by or with the approval of the department of child services, the institution or facility shall charge the department of child services for the use of the space within the institution or facility (commonly called capital costs) that is used to provide educational services to the child based upon a prorated per student cost.

(c) Operating costs shall be determined for each class of school where a transfer student is enrolled. The operating cost for each class of school is based on the total expenditures of the transferee corporation for the class of school from its general fund expenditures as specified in the classified budget forms prescribed

by the state board of accounts. This calculation excludes:

- (1) capital outlay;
- (2) debt service;
- (3) costs of transportation;
- (4) salaries of board members;
- (5) contracted service for legal expenses; and
- (6) any expenditure that is made from extracurricular account receipts;

for the school year.

(d) The capital cost of special equipment for a school year is equal to:

- (1) the cost of the special equipment; divided by
- (2) the product of:
 - (A) the useful life of the special equipment, as determined under the rules adopted by the state board; multiplied by
 - (B) the number of students using the special equipment during at least part of the school year.

(e) When an item of expense or cost described in subsection (c) cannot be allocated to a class of school, it shall be prorated to all classes of schools on the basis of the student enrollment of each class in the transferee corporation compared with the total student enrollment in the school corporation.

(f) Operating costs shall be allocated to a transfer student for each school year by dividing:

- (1) the transferee school corporation's operating costs for the class of school in which the transfer student is enrolled; by
- (2) the student enrollment of the class of school in which the transfer student is enrolled.

When a transferred student is enrolled in a transferee corporation for less than the full school year of student attendance, the transfer tuition shall be calculated by the part of the school year for which the transferred student is enrolled. A school year of student attendance consists of the number of days school is in session for student attendance. A student, regardless of the student's attendance, is enrolled in a transferee school unless the student is no longer entitled to be transferred because of a change of residence, the student has been excluded or expelled from school for the balance of the school year or for an indefinite period, or the student has been confirmed to have withdrawn from school. The transferor and the transferee corporation may enter into written agreements concerning the amount of transfer tuition due in any school year. If an agreement cannot be reached, the amount shall be determined by the state board, and costs may be established, when in dispute, by the state board of accounts.

(g) A transferee school shall allocate revenues described in subsection (b) STEP TWO to a transfer student by dividing:

- (1) the total amount of revenues received; by
- (2) the ADM of the transferee school for the school year that ends in the calendar year in which the revenues are received.

However, for state tuition support distributions or any other state distribution computed using less than the total ADM of the transferee school, the transferee school shall allocate the revenues to the transfer student by dividing the revenues that the transferee school is eligible to receive in a calendar year by the student count used to compute the state distribution.

(h) Instead of the payments provided in subsection (b), the transferor corporation or state owing transfer tuition may enter into a long term contract with the transferee corporation governing the transfer of students. The contract may:

- (1) be entered into for a period of not more than five (5) years with an option to renew;
- (2) specify a maximum number of students to be transferred; and

(3) fix a method for determining the amount of transfer tuition and the time of payment, which may be different from that provided in section 14 of this chapter.

(i) A school corporation may negotiate transfer tuition agreements with a neighboring school corporation that can accommodate additional students. Agreements under this section may:

(1) be for one (1) year or longer; and

(2) fix a method for determining the amount of transfer tuition or time of payment that is different from the method, amount, or time of payment that is provided in this section or section 14 of this chapter.

A school corporation may not transfer a student under this section without the prior approval of the child's parent.

SECTION 206. IC 20-43-3-4, AS AMENDED BY P.L.182-2009(ss), SECTION 331, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2012]: Sec. 4. (a) ~~This subsection applies to calendar year 2009. A school corporation's previous year revenue equals the amount determined under STEP TWO of the following formula:~~

~~STEP ONE: Determine the sum of the following:~~

- ~~(A) The school corporation's basic tuition support for the year that precedes the current year.~~

~~(B) The school corporation's maximum permissible tuition support levy for calendar year 2008.~~

~~(C) The school corporation's excise tax revenue for calendar year 2007.~~

~~STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection (c); subsection (d); IC 20-10.1-2-1 (before its repeal); or IC 20-30-2-4.~~

~~(b) This subsection applies to calendar years 2010 and 2011. A school corporation's previous year revenue equals the amount determined under STEP TWO of the following formula:~~

~~STEP ONE: Determine the sum of the following:~~

~~(A) The school corporation's basic tuition support **actually received** for the year that precedes the current year.~~

~~(B) For calendar year 2010, the amount of education stabilization funds received by the school corporation in calendar year 2009 under Section 14002(a) of the federal American Recovery and Reinvestment Act of 2009 (ARRA).~~

~~(C) The amount of the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.~~

~~STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection ~~(c)~~ (b) or IC 20-30-2-4.~~

~~(c) (b) A school corporation's previous year revenue must be reduced if:~~

~~(1) the school corporation's state tuition support for special education or career and technical education is reduced as a result of a complaint being filed with the department after December 31, 1988, because the school program overstated the number of children enrolled in special education programs or career and technical education programs; and~~

~~(2) the school corporation's previous year revenue has not been reduced under this subsection more than one (1) time because of a given overstatement.~~

~~The amount of the reduction equals the amount the school corporation would have received in state tuition support for special education and career and technical education because of the overstatement.~~

~~(d) This section applies only to 2009. A school corporation's previous year revenue must be reduced if an existing elementary or secondary school located in the school corporation converts to a charter school under IC 20-24-11. The amount of the reduction equals the product of:~~

~~(1) the sum of the amounts distributed to the conversion charter school under IC 20-24-7-3(c) and IC 20-24-7-3(d) (as effective December 31, 2008); multiplied by~~

SECTION 251. IC 27-8-10-2.1, AS AMENDED BY P.L.1-2007, SECTION 186, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 2.1. (a) There is established a nonprofit legal entity to be referred to as the Indiana comprehensive health insurance association, which must assure that health insurance is made available throughout the year to each eligible Indiana resident applying to the association for coverage. All carriers, health maintenance organizations, limited service health maintenance organizations, and self-insurers providing health insurance or health care services in Indiana must be members of the association. The association shall operate under a plan of operation established and approved under subsection (c) and shall exercise its powers through a board of directors established under this section.

(b) The board of directors of the association consists of nine (9) members whose principal residence is in Indiana selected as follows:

- (1) Four (4) members to be appointed by the commissioner from the members of the association, one (1) of which must be a representative of a health maintenance organization.
- (2) Two (2) members to be appointed by the commissioner shall be consumers representing policyholders.
- (3) Two (2) members shall be the state budget director or designee and the commissioner of the department of insurance or designee.
- (4) One (1) member to be appointed by the commissioner must be a representative of health care providers.

The commissioner shall appoint the chairman of the board, and the board shall elect a secretary from its membership. The term of office of each appointed member is three (3) years, subject to eligibility for reappointment. Members of the board who are not state employees may be reimbursed from the association's funds for expenses incurred in attending meetings. The board shall meet at least semiannually, with the first meeting to be held not later than May 15 of each year.

(c) The association shall submit to the commissioner a plan of operation for the association and any amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation becomes effective upon approval in writing by the commissioner consistent with the date on which the coverage under this chapter must be made available. The commissioner shall, after notice and hearing, approve the plan of operation if the plan is determined to be suitable to assure the fair, reasonable, and equitable administration of the association and provides for the sharing of association losses on an equitable, proportionate basis among the member carriers, health

maintenance organizations, limited service health maintenance organizations, and self-insurers. If the association fails to submit a suitable plan of operation within one hundred eighty (180) days after the appointment of the board of directors, or at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall adopt rules under IC 4-22-2 necessary or advisable to implement this section. These rules are effective until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner. The plan of operation must:

- (1) establish procedures for the handling and accounting of assets and money of the association;
- (2) establish the amount and method of reimbursing members of the board;
- (3) establish regular times and places for meetings of the board of directors;
- (4) establish procedures for records to be kept of all financial transactions and for the annual fiscal reporting to the commissioner;
- (5) establish procedures whereby selections for the board of directors will be made and submitted to the commissioner for approval;
- (6) contain additional provisions necessary or proper for the execution of the powers and duties of the association; and
- (7) establish procedures for the periodic advertising of the general availability of the health insurance coverages from the association.

(d) The plan of operation may provide that any of the powers and duties of the association be delegated to a person who will perform functions similar to those of this association. A delegation under this section takes effect only with the approval of both the board of directors and the commissioner. The commissioner may not approve a delegation unless the protections afforded to the insured are substantially equivalent to or greater than those provided under this chapter.

(e) The association has the general powers and authority enumerated by this subsection in accordance with the plan of operation approved by the commissioner under subsection (c). The association has the general powers and authority granted under the laws of Indiana to carriers licensed to transact the kinds of health care services or health insurance described in section 1 of this chapter and also has the specific authority to do the following:

- (1) Enter into contracts as are necessary or proper to carry out this chapter, subject to the approval of the commissioner.
- (2) Subject to section 2.6 of this chapter, sue or be sued, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against participating carriers.
- (3) Take legal action necessary to avoid the payment of improper claims against the association or the coverage provided by or through the association.
- (4) Establish a medical review committee to determine the reasonably appropriate level and extent of health care services in each instance.
- (5) Establish appropriate rates, scales of rates, rate classifications and rating adjustments, such rates not to be unreasonable in relation to the coverage provided and the reasonable operational expenses of the association.
- (6) Pool risks among members.
- (7) Issue policies of insurance on an indemnity or provision of service basis providing the coverage required by this chapter.
- (8) Administer separate pools, separate accounts, or other plans or arrangements considered appropriate for separate members or groups of members.
- (9) Operate and administer any combination of plans, pools, or other mechanisms considered appropriate to best accomplish the fair and equitable operation of the association.

(10) Appoint from among members appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the association, policy and other contract design, and any other function within the authority of the association.

(11) Hire an independent consultant.

(12) Develop a method of advising applicants of the availability of other coverages outside the association.

(13) Provide for the use of managed care plans for insureds, including the use of:

(A) health maintenance organizations; and

(B) preferred provider plans.

(14) Solicit bids directly from providers for coverage under this chapter.

(15) Subject to section 3 of this chapter, negotiate reimbursement rates and enter into contracts with individual health care providers and health care provider groups.

(f) Rates for coverages issued by the association may not be unreasonable in relation to the benefits provided, the risk experience, and the reasonable expenses of providing the coverage. Separate scales of premium rates based on age apply for individual risks. Premium rates must take into consideration the extra morbidity and administration expenses, if any, for risks insured in the association. The rates for a given classification ~~may~~ **must be equal to**

(1) ~~not more than~~ one hundred fifty percent (150%) of the average premium rate for that class charged by the five (5) carriers with the largest premium volume in the state during the preceding calendar year. ~~for an insured whose family income is less than three hundred fifty-one percent (351%) of the federal income poverty level for the same size family; and~~

(2) an amount equal to:

(A) ~~not less than one hundred fifty-one percent (151%); and~~

(B) ~~not more than two hundred percent (200%);~~

~~of the average premium rate for that class charged by the five (5) carriers with the largest premium volume in the state during the preceding calendar year; for an insured whose family income is more than three hundred fifty percent (350%) of the federal income poverty level for the same size family.~~

In determining the average rate of the five (5) largest carriers, the rates charged by the carriers shall be actuarially adjusted to determine the rate that would have been charged for benefits substantially identical to those issued by the association. All rates adopted by the association must be submitted to the commissioner for approval.

(g) Following the close of the association's fiscal year, the association shall determine the net premiums, the expenses of administration, and the incurred losses for the year. Twenty-five percent (25%) of any net loss shall be assessed by the association to all members in proportion to their respective shares of total health insurance premiums as reported to the department of insurance, excluding premiums for Medicaid contracts with the state of Indiana, received in Indiana during the calendar year (or with paid losses in the year) coinciding with or ending during the fiscal year of the association. Seventy-five percent (75%) of any net loss shall be paid by the state. In sharing losses, the association may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for interim assessments against members of the association if necessary to assure the financial capability of the association to meet the incurred or estimated claims expenses or operating expenses of the association until the association's next fiscal year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums. Assessments must be determined by the board members specified in subsection (b)(1), subject to final approval by the commissioner.

(h) The association shall conduct periodic audits to assure the general accuracy of the financial data submitted to the association, and the association shall have an annual audit of its operations by an independent certified public accountant.

(i) The association is subject to examination by the department of insurance under IC 27-1-3.1. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the commissioner.

(j) All policy forms issued by the association must conform in substance to prototype forms developed by the association, must in all other respects conform to the requirements of this chapter, and must be filed with and approved by the commissioner before their use.

(k) The association may not issue an association policy to any individual who, on the effective date of the coverage applied for, does not meet the eligibility requirements of section 5.1 of this chapter.

(l) The association and the premium collected by the association shall be exempt from the premium tax, the adjusted gross income tax, or any combination of these upon revenues or income that may be imposed by the state.

(m) Members who, during any calendar year, have paid one (1) or more assessments levied under this chapter may include in the rates for premiums charged for insurance policies to which this chapter applies amounts sufficient to recoup a sum equal to the amounts paid to the association by the member less any amounts returned to the member insurer by the association, and the rates shall not be deemed excessive by virtue of including an amount reasonably calculated to recoup assessments paid by the member.

(n) The association shall provide for the option of monthly collection of premiums.

(o) The association shall periodically certify to the budget agency the amount necessary to pay seventy-five percent (75%) of any net loss as specified in subsection (g).

SECTION 252. IC 27-8-10-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:
Sec. 3. (a) An association policy issued under this chapter may pay an amount for medically necessary eligible expenses related to the diagnosis or treatment of illness or injury that exceed the deductible and coinsurance amounts applicable under section 4 of this chapter. Payment under an association policy must be based on one (1) or a combination of the following reimbursement methods, as determined by the board of directors:

(1) The association's usual and customary fee schedule in effect on January 1, 2004. If payment is based on the usual and customary fee schedule in effect on January 1, 2004, the rates of reimbursement under the fee schedule must be adjusted annually by a percentage equal to the percentage change in the Indiana medical care component of the Consumer Price Index for all Urban Consumers, as published by the United States Bureau of Labor Statistics during the preceding calendar year.

(2) A health care provider network arrangement. If payment is based on a health care provider network arrangement, reimbursement under an association policy must be made according to:

(A) a network fee schedule for network health care providers and nonnetwork health care providers; and

(B) any additional coinsurance that applies to the insured under the association policy if the insured obtains health care services from a nonnetwork health care provider.

(3) Reimbursement for an eligible expense in an amount equal to not less than the federal Medicare reimbursement rate for the eligible expense plus ten percent (10%).

(b) Eligible expenses are the charges for the following health care services and articles to the extent furnished by a health care provider in an emergency situation or furnished or prescribed by a physician:

(1) Hospital services, including charges for the institution's most common semiprivate room, and for

private room only when medically necessary, but limited to a total of one hundred eighty (180) days in a year.

(2) Professional services for the diagnosis or treatment of injuries, illnesses, or conditions, other than mental or dental, that are rendered by a physician or, at the physician's direction, by the physician's staff of registered or licensed nurses, and allied health professionals.

(3) The first twenty (20) professional visits for the diagnosis or treatment of one (1) or more mental conditions rendered during the year by one (1) or more physicians or, at their direction, by their staff of registered or licensed nurses, and allied health professionals.

(4) Drugs and contraceptive devices requiring a physician's prescription.

(5) Services of a skilled nursing facility for not more than one hundred eighty (180) days in a year.

(6) Services of a home health agency up to two hundred seventy (270) days of service a year.

(7) Use of radium or other radioactive materials.

(8) Oxygen.

(9) Anesthetics.

(10) Prostheses, other than dental.

(11) Rental of durable medical equipment which has no personal use in the absence of the condition for which prescribed.

(12) Diagnostic X-rays and laboratory tests.

(13) Oral surgery for:

(A) excision of partially or completely erupted impacted teeth;

(B) excision of a tooth root without the extraction of the entire tooth; or

(C) the gums and tissues of the mouth when not performed in connection with the extraction or repair of teeth.

(14) Services of a physical therapist and services of a speech therapist.

(15) Professional ambulance services to the nearest health care facility qualified to treat the illness or injury.

(16) Other medical supplies required by a physician's orders.

An association policy may also include comparable benefits for those who rely upon spiritual means through prayer alone for healing upon such conditions, limitations, and requirements as may be determined by the board of directors.

(c) A managed care organization that issues an association policy may not refuse to enter into an agreement with a hospital solely because the hospital has not obtained accreditation from an accreditation organization that:

(1) establishes standards for the organization and operation of hospitals;

(2) requires the hospital to undergo a survey process for a fee paid by the hospital; and

(3) was organized and formed in 1951.

(d) This section does not prohibit a managed care organization from using performance indicators or quality standards that:

(1) are developed by private organizations; and

(2) do not rely upon a survey process for a fee charged to the hospital to evaluate performance.

(e) For purposes of this section, if benefits are provided in the form of services rather than cash payments, their value shall be determined on the basis of their monetary equivalency.

(f) The following are not eligible expenses in any association policy within the scope of this chapter:

(1) Services for which a charge is not made in the absence of insurance or for which there is no legal obligation on the part of the patient to pay.

(2) Services and charges made for benefits provided under the laws of the United States, including Medicare and Medicaid, military service connected disabilities, medical services provided for members of the armed forces and their dependents or for employees of the armed forces of the United States, medical services financed in the future on behalf of all citizens by the United States.

(3) Benefits which would duplicate the provision of services or payment of charges for any care for injury or disease either:

(A) arising out of and in the course of an employment subject to a worker's compensation or similar law; or

(B) for which benefits are payable without regard to fault under a coverage statutorily required to be contained in any motor vehicle or other liability insurance policy or equivalent self-insurance. However, this subdivision does not authorize exclusion of charges that exceed the benefits payable under the applicable worker's compensation or no-fault coverage.

(4) Care which is primarily for a custodial or domiciliary purpose.

(5) Cosmetic surgery unless provided as a result of an injury or medically necessary surgical procedure.

(6) Any charge for services or articles the provision of which is not within the scope of the license or certificate of the institution or individual rendering the services.

(g) The coverage and benefit requirements of this section for association policies may not be altered by any other inconsistent state law without specific reference to this chapter indicating a legislative intent to add or delete from the coverage requirements of this chapter.

(h) This chapter does not prohibit the association from issuing additional types of health insurance policies with different types of benefits that, in the opinion of the board of directors, may be of benefit to the citizens of Indiana.

(i) This chapter does not prohibit the association or its administrator from implementing uniform procedures to review the medical necessity and cost effectiveness of proposed treatment, confinement, tests, or other medical procedures. Those procedures may take the form of preadmission review for nonemergency hospitalization, case management review to verify that covered individuals are aware of treatment alternatives, or other forms of utilization review. Any cost containment techniques of this type must be adopted by the board of directors and approved by the commissioner.

SECTION 253. IC 27-8-10-5.1, AS AMENDED BY P.L.3-2008, SECTION 213, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 5.1. (a) A person is not eligible for an association policy if the person is eligible for ~~Medicaid~~; **any of the coverage described in subdivisions (1) and (2)**. A person other than a federally eligible individual may not apply for an association policy unless the person has applied for:

(1) Medicaid; and

(2) coverage under the:

(A) preexisting condition insurance plan program established by the Secretary of Health and Human Services under Section 1101 of Title I of the federal Patient Protection and Affordable Care Act (P.L. 111-148); and

(B) Indiana check-up plan under IC 12-15-44.2;

not more than sixty (60) days before applying for the association policy.

(b) Except as provided in subsection (c), a person is not eligible for an association policy if, at the effective date of coverage, the person has or is eligible for coverage under any insurance plan that equals or exceeds the minimum requirements for accident and sickness insurance policies issued in Indiana as set forth in IC 27. However, an offer of coverage described in IC 27-8-5-2.5(e) (expired July 1, 2007, and

removed), IC 27-8-5-2.7, IC 27-8-5-19.2(e) (expired July 1, 2007, and repealed), or IC 27-8-5-19.3 does not affect an individual's eligibility for an association policy under this subsection. Coverage under any association policy is in excess of, and may not duplicate, coverage under any other form of health insurance.

(c) Except as provided in IC 27-13-16-4 and subsection (a), a person is eligible for an association policy upon a showing that:

- (1) the person has been rejected by one (1) carrier for coverage under any insurance plan that equals or exceeds the minimum requirements for accident and sickness insurance policies issued in Indiana, as set forth in IC 27, without material underwriting restrictions;
- (2) an insurer has refused to issue insurance except at a rate exceeding the association plan rate; or
- (3) the person is a federally eligible individual.

For the purposes of this subsection, eligibility for Medicare coverage does not disqualify a person who is less than sixty-five (65) years of age from eligibility for an association policy.

(d) Coverage under an association policy terminates as follows:

- (1) On the first date on which an insured is no longer a resident of Indiana.
- (2) On the date on which an insured requests cancellation of the association policy.
- (3) On the date of the death of an insured.
- (4) At the end of the policy period for which the premium has been paid.
- (5) On the first date on which the insured no longer meets the eligibility requirements under this section.

(e) An association policy must provide that coverage of a dependent unmarried child terminates when the child becomes nineteen (19) years of age (or twenty-five (25) years of age if the child is enrolled full time in an accredited educational institution). The policy must also provide in substance that attainment of the limiting age does not operate to terminate a dependent unmarried child's coverage while the dependent is and continues to be both:

- (1) incapable of self-sustaining employment by reason of mental retardation or mental or physical disability; and
- (2) chiefly dependent upon the person in whose name the contract is issued for support and maintenance.

However, proof of such incapacity and dependency must be furnished to the carrier within one hundred twenty (120) days of the child's attainment of the limiting age, and subsequently as may be required by the carrier, but not more frequently than annually after the two (2) year period following the child's attainment of the limiting age.

(f) An association policy that provides coverage for a family member of the person in whose name the contract is issued must, as to the family member's coverage, also provide that the health insurance benefits applicable for children are payable with respect to a newly born child of the person in whose name the contract is issued from the moment of birth. The coverage for newly born children must consist of coverage of injury or illness, including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities. If payment of a specific premium is required to provide coverage for the child, the contract may require that notification of the birth of a child and payment of the required premium must be furnished to the carrier within thirty-one (31) days after the date of birth in order to have the coverage continued beyond the thirty-one (31) day period.

(g) Except as provided in subsection (h), an association policy may contain provisions under which coverage is excluded during a period of three (3) months following the effective date of coverage as to a given covered individual for preexisting conditions, as long as medical advice or treatment was

recommended or received within a period of three (3) months before the effective date of coverage. This subsection may not be construed to prohibit preexisting condition provisions in an insurance policy that are more favorable to the insured.

(h) If a person applies for an association policy within six (6) months after termination of the person's coverage under a health insurance arrangement and the person meets the eligibility requirements of subsection (c), then an association policy may not contain provisions under which:

- (1) coverage as to a given individual is delayed to a date after the effective date or excluded from the policy; or
- (2) coverage as to a given condition is denied;

on the basis of a preexisting health condition. This subsection may not be construed to prohibit preexisting condition provisions in an insurance policy that are more favorable to the insured.

(i) For purposes of this section, coverage under a health insurance arrangement includes, but is not limited to, coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985.

SECTION 254. IC 27-8-27-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:
Sec. 6. A health insurance plan that provides coverage for early intervention services shall reimburse the first steps program for payments made by the program for early intervention services that are covered under the health insurance plan: **a monthly fee established by the division of disability and rehabilitative services. The monthly fee shall be provided instead of claims processing of individual claims.**
