

Ensuring that Indiana's priorities are funded today and tomorrow.

The Euna Grants Update: The Plan

Grant Seeker vs. Grant Maker

- **By June 30, 2026**, Indiana State Agencies that serve as **Grant Makers** (formerly "Grantors") will transition to a new platform: **Euna Grants powered by AmpliFund**.
- **Grant Seekers ("Grantees") will not be impacted by this transition.** Users will continue to manage both state and federal grants through Euna Grants - using the same login credentials, interface, and processes as before. No action is required on your part.

What to Expect Next

The transition to **Euna Grants powered by AmpliFund** will roll out in phases, with a focus on collaboration, standardization, and readiness. Here's how the plan unfolds:

Fall 2025: Discovery & Standardization

- **INDOT, ICJI, and IDHS** will partner with **Euna Solutions** for a **discovery process** to:
 - Map or update their existing grantmaking processes.
 - Identify opportunities to standardize workflows, forms, and templates across the state.

- These efforts will help define **statewide standards** that all agencies can adopt, ensuring consistency and efficiency.

Parallel Planning for Existing Programs in Euna Grants

- Once standards are finalized, **SBA will begin onboarding Euna Grant users** into the AmpliFund module.
- Agencies with programs already operating in **Euna Grants** will follow a **parallel transition timeline**.

2026: Statewide Launch & Training

- **Euna Solutions** will work with INDOT, ICJI, IDHS, and the remaining agencies currently not in Euna Grants to develop their **solicitations** in AmpliFund, targeting **readiness by June 30, 2026**.
- The transition will kick off with a **“Big Bang” statewide training event**, introducing users to the new platform.
- Before current Euna Grants users are added to the new system, **SBA will pre-build your existing programs** in AmpliFund - ready to copy forward for your next solicitation cycle.

Support for New Programs

- **For agencies trained in Euna Grants but not yet published:** SBA is ready and available to assist. If your agency has completed training but has not yet published a solicitation in Euna Grants, we're here to support you through the next steps of the process.

Thanks for attending the September 23 Webinar.
