NextLevel Grants Management

Hoosier Solutions…Today's Grants, Tomorrow's Results

December 2023: '23 Look Back & '24 Look Ahead

2023 Was a Busy Year!

Quick eCivis Facts:

⇒ **34** state agencies are using eCivis to manage federal grants

⇒ **289** agency users have logged into eCivis a combined **4,197** times

⇒ **421** grants have been entered into eCivis since "go live" on September 1

⇒ Agencies are now managing **$27 Billion** in grants in eCivis

⇒ FSSA has issued **5** subaward solicitations using the eCivis grantor functions

⇒ **123** active awards have been uploaded for the Family and Social Services Administration and the Department of Education

⇒ Customer Service portal has resolved **111** support requests

The last 6 months of 2023 saw a flurry of activity as NextLevel Grants Management and the implementation of eCivis got underway. Consider just a sampling of all that was done from July to December:

◊ Published **10** newsletters and **3** frequently asked questions (FAQs) documents with eCivis implementation information.

◊ Released and reported on **5** stakeholder surveys, which generated **250** responses from **2,443** recipients - a **10%** response rate!

◊ Conducted **44** training demonstrations of eCivis' grantee pre-award, grantee post-award, and grantor functions.

◊ Facilitated more than **150** one-on-one instruction sessions with agencies' eCivis users.

◊ Produced a suite of training resources, including **12** user guides, **20** quick reference sheets, and **22** videos.

◊ Facilitated **6** meetings of the NextLevel Grants Management Council.

But wait...there's more!

The Grants Management section of the State Budget Agency website is now live. The site is a "one-stop-shop" for grants management and eCivis resources, including:

→ eCivis implementation information;

→ Training materials;

→ Newsletters, FAQs, and schedule; and

→ Grants management forms and templates.

NextLevel Grants Management is an OMB/SBA-driven initiative to improve grants management in Indiana. We are on our way!

Grantor Upload Schedule Notes:

In the eCivis vernacular, when an agency distributes funding to subrecipients, that agency is acting as a **grantor**.

Family and Social Services Administration has completed its grantor upload. Department of Education will begin its grantor upload in January 2024 and finish in August 2024.

All agencies will use eCivis to make subawards to subrecipients.

The grantor upload schedule for the remaining agencies will be announced in early 2024.

Coming in 2024…

⇒ Quarterly newsletters with NextLevel Grants Management and eCivis implementation information.

⇒ Additional training resources, including quick reference sheets and videos.

⇒ Quarterly agency user check-in meetings.

⇒ Preparation of best practices documents for using eCivis and grants management.

⇒ Completion of grantee implementation with upload of remaining active awards.

⇒ Completion of Department of Education's implementation of grantor functions.

⇒ Beginning of implementation of grantor functions at remaining agencies.

⇒ Additional website content, including subaward agreement template.

Grantee active award uploads will continue through Summer 2024.

Grantee Active Award Upload Schedule
