**7. POLICY STATEMENT**

- A. The State provides reimbursement for business expenses which are: (1) necessary and incurred in process of conducting State business; (2) reasonable in nature; (3) properly documented and authorized; and (4) in accordance to this Policy.
- B. State employees are responsible for understanding and adhering to this Policy.
- C. Business travel arrangements to be reimbursed by the State must be arranged through the State's Travel Agency using preferred suppliers, except where alternatives are allowed within the Policy.

**8. POLICY EXCEPTIONS**

The State Budget Director and the Commissioner, or their respective designees, may authorize exceptions in writing, jointly, to this Policy. An Agency Head requesting an exception shall state the request in writing and submit it to the Department. Reasons for exceptions include, but are not limited to the following: emergency, loss or harm to the State or others.

**9. AGENCY MANAGEMENT**

Each agency must assign a Travel Coordinator. The Travel Coordinator is the key contact in the Agency that handles Travel approvals and processes on behalf of the Agency and is the key travel contact for all communications with the Department.

**10. IN-STATE TRAVEL OVERVIEW**

Agencies are to develop and maintain internal policies and procedures relating to In-State Travel for State Travelers. Such policies and procedures must be consistent with this Policy and must be approved by both the State Budget Director and the Commissioner, or their respective designees. Agencies are required to maintain all supportive records as indicated by the Auditor of State and State Board of Accounts. A State Traveler is required to fulfill all requirements noted within the Agency's Travel Policy before traveling on behalf of the state.

11. OUT-OF-STATE TRAVEL OVERVIEW

Unless otherwise approved by the Department, each Out-of-State Travel request must have all Agency approvals and then be approved by the Department before traveling on behalf of the State. The Travel Request must be approved in advance and in writing by the Commissioner, and the Agency Head, or their designees, as well as, by the Department. At the discretion of the Department or upon request from an Agency, additional approvals may be requested. Each Travel Coordinator is required to submit each Out-of-State Travel request to the Department as identified in this Policy as Section 12 titled: Out-of-State Travel Submission Request Process. Failure to receive proper approvals can result in denial of reimbursement for the expenses.

12. STANDARD OUT-OF-STATE TRAVEL REQUEST SUBMISSION PROCESS

General Out-of-State Travel Submission Criteria:

- A. All applicable criteria below must be complete at the time of submission to be considered for review and approval. Failure to submit all completed documentation requirements thirty (30) days before the Departure Date may result in the State Traveler not being approved by the Departure Date. If the Travel Coordinator is waiting specifically on the event's finalized agenda to finalize the Travel Request packet, the Department will accept substitute documentation for that particular item to illustrate an agenda will not be available until less than thirty (30) days before Departure.
B. State Travel is designed to reimburse a person's expenses when on State Business as compliant within this Policy and allowing up to one (1) day of travel time the day before and up to one (1) day of travel time the day after the meeting, depending on actual circumstances, as approved by the Department.
C. Travel status should not start prior to, or end after, the normally required periods of time necessary to complete the official State Business.
D. The primary purpose for travel must be State Business, but occasionally a person may be approved to take a trip that includes both personal time and business travel. The State Form 823 (SF 823) Authorization For Out of State Travel must indicate the complete period of time the person will be Out-of-State, including personal time. No Out-of-State Travel will be approved if it encompasses personal leave both before and after, or in the middle of the official State Business. A State Traveler shall exercise special care not to seek reimbursement for expenses that could be construed to be personal. If vacation leave or time off is combined with any trip, the lodging and subsistence for the extra days of travel time are not eligible for reimbursement.
E. Persons traveling to locations within four (4) hours drive time are generally expected to travel by automobile (example: from Indianapolis to Chicago). However, individual circumstances and time commitments before and/or after travel may necessitate airline use. Airline use in these circumstances must be approved by the Agency and the Department.
F. Normally side-trips are not approved in conjunction with State Travel. However, special calculations are required when the travel includes side-trips not required for State Business. If State Business requires the State Traveler to travel from city A to city B and the State Traveler actually travels to city C either before or after going to city B, the allowable reimbursement would be the prorated roundtrip commercial carrier fare actually paid between city A and city B, or the map mileage times two (2) if driving a personal vehicle.
G. When two (2) or more employees are traveling the same general route, the Department requires that only one (1) vehicle be driven if it is administratively feasible or otherwise appropriate. The Mileage Calculator provided on the State Travel website shall be used to compare and find the most cost effective mode of vehicle travel.
H. Prior to submitting the request for Out-of-State Travel, the Agency Travel Coordinator shall be contacted regarding reservations for lodging accommodations (i.e. hotel rates from website(s), hotel documents), airfare, or other travel arrangements. Estimates must be obtained by accessing the State Travel Vendor Booking Tool or contacting the State Travel Contract Vendor.

Out-of-State Travel Submission Process:

Regardless of Submission type, Agency Travel Coordinators must ensure that the following documents are included when applicable before submitting request:

Table with 2 columns: If trip requires: and Required documentation:
Rows include: Air Transportation (Flight details from State Travel Vendor website), Hotel (Pricing documentation or hotel confirmation), Vehicle Rental (Rental Pricing Documentation/Confirmation), Personal Vehicle (Driving Directions with shortest distance mileage from online Mapping Source), Conference or Training (Include Conference/Training agenda. If registration fees are applicable, include conference documentation identifying fee(s)), No-Cost Trip (Documentation stating how expenses will be covered).

A. Submission Option #1 - EMAIL:

Thirty days (30) days before the State Traveler's Departure Date, the Agency Travel Coordinator is required to submit a completed State Form 823 Authorization For Out of State Travel signed by all required Agency approvers to IDOATravel@idoa.in.gov in one master PDF that contains all applicable documentation, and reference the email subject line by including the Agency acronym, State Traveler's first/last name, and the Departure Date (subject line example: IDOC - John Doe - 02/28/2015). If multiple State Employees are being requested to attend the same event, the Travel Coordinator shall make best efforts to submit all Travel Requests at the same time.

- B. Submission Option #2 – PeopleSoft Travel & Expense (“T&E”):  
Thirty days (30) days before the State Traveler’s Departure Date, the State Traveler, Agency Travel Coordinator, or designee is required to complete all applicable data fields within the T&E module, and include all applicable documentation, to then be routed through PeopleSoft Workflow.

### 13. RUSH REQUESTS

- A A Rush Request refers to a Travel Request requiring attention prior to the thirty (30) day travel submission requirement when there is a unique situation that is in the State’s best interest to pursue that couldn’t have been provided to the Department thirty (30) days prior to the Departure Date. Examples of unique situations:
- Example #1: If a Travel Request was approved for State Traveler A, and State Traveler A can no longer attend, and State Traveler B can attend, and it would be in the best interest of the State to not lose any paid expense, then State Traveler B would need to work with their Travel Coordinator for a Rush Request to replace State Traveler A’s paperwork with State Traveler B.
  - Example #2: If the Agency needed to pick up special machinery in another state as an unforeseen circumstance, and this was in the best interest of the State.
- B See Section 14 titled: Emergency Travel to identify the difference between RUSH vs. Emergency Travel.
- C If Out-of-State Travel is generally submitted via EMAIL, instead of T&E, and requires attention less than thirty (30) days before the Departure Date, then the Agency Travel Coordinator shall mark the Travel Request as a RUSH on the SF 823 and include justification from the Agency Head detailing the RUSH reason on the SF 823. Additionally, the Travel Coordinator shall send a RUSH Request Email notification marked high importance to [IDOATravel@idoa.in.gov](mailto:IDOATravel@idoa.in.gov) with a subject line format of: “RUSH – Agency Acronym – State Traveler – Departure Date”, and include in the email body the Rush Request justification.
- D If submitting a RUSH Request via the PeopleSoft T&E Module, the Travel Coordinator shall send a RUSH Request Email notification marked high importance to [IDOATravel@idoa.in.gov](mailto:IDOATravel@idoa.in.gov) with a subject line format of: “RUSH – Agency Acronym – State Traveler – Travel Authorization number – Departure Date”, and include in the email body the Rush Request justification.
- E Airfare should be purchased within a minimum of twenty-one (21) days in advance of the Departure Date to take advantage of industry rates.

### 14. EMERGENCY TRAVEL

- A. Emergency Travel refers to travel involving State Business of safety and security requiring the response of the State Traveler to be immediate in nature.
- B. In circumstances requiring Emergency Travel, the Travel Coordinator will send EMAIL notification marked with high importance to [IDOATravel@idoa.in.gov](mailto:IDOATravel@idoa.in.gov) with a subject line format of: “EMERGENCY- Agency Acronym-State Traveler-Departure Date”. The email should outline the circumstances of the request, destination of travel, and dates of travel.
- C. Upon receipt, the Department will issue the required approval for travel.
- D. Once the emergency has passed, the Travel Coordinator will submit the SF 823 and required documentation as outlined in Submission Option #1 – EMAIL.

### 15. STATE CONTRACTS AND NON-STATE EMPLOYEES

- A. Agencies entering into contracts which provide for specific reimbursement of travel expenses must specify in the contract that travel reimbursement to persons under contract shall be consistent with this Policy and paid via their contract purchase order.
- B. Travel arrangements for all contractors and speakers are required to be made through the Agency Travel Coordinator. The options for booking will be to: 1) Use the State travel contract vendor online booking tool and 2) Work with the Department to determine when the State travel Contract vendor should be contacted directly, e.g., the State travel contract vendor may be contacted directly for assistance with lodging when lodging cannot otherwise be located.
- C. At the discretion of the Department or upon request from an Agency, additional approvals may be requested.
- D. Any State Employee traveling on behalf of a State Contract must follow all State Travel applicable details noted in this Policy.

Receipts satisfying the requirements of this Policy must be included with the claim for reimbursement.

## 21. MILEAGE

- A. State Traveler/TC completes and attaches Rental vs. Reimbursement calculator ([http://www.enterprise.com/car\\_rental/corporateClassIntro.do](http://www.enterprise.com/car_rental/corporateClassIntro.do)) to the Authorization/Request for Out of State Travel form ([SF 823](#)) or Travel and Expense TA if trip averages 110 miles per day. In order to receive government rates, the lodging establishment may require State Travelers to provide State government identification which may be in the form of a picture ID or a current payroll stub. The Department or Indiana State Budget Agency may disapprove full reimbursement if a good faith effort is not made to secure government or other reduced/reasonable rates or if the lodging expense exceeds the In-State lodging rate. - D. Allowable Reimbursements – Legally Required  
An Agency or State Traveler may not receive, accept, or retain State Travel expense, lodging, transportation, meal or any other good or service with respect to State Travel that is provided by another person or entity who is not legally obligated to do so unless such receipt, acceptance, or retention is legal, ethical, and does not raise the appearance of impropriety.
