#### End-of-Month Revenue Report Notes to the Report October 31, 2011

1. "Sales & Use" includes sales tax revenues deposited in the Public Mass Transportation Fund (PMTF) in prior years pursuant to a change in HEA 1001-2011, which provided the PMTF with a direct General Fund appropriation rather than a percentage of the sales and use tax.

# 2. As of October 2011 (in millions)

Total Cigarette Tax Revenue Deposited in the State General Fund and Dedicated Funds	\$ 161.9
Transfer to Healthy Indiana Plan per HEA 1678 - 2007, HEA 1001-2009 (ss), and HEA 1001-2011	
Check Up Plan Trust Fund	\$ 43.1
Retiree Health Benefit Trust Fund	\$ -
Medicaid Provider Reimbursements	\$ 3.9
Total Transfers to Healthy Indiana Plan Funds	\$ 47.0

The portion of the cigarette tax dedicated to the retiree health benefit plan is being redirected to the general fund for FY 2012 and FY 2013 only. These funds are being redirected to reimburse the General Fund for expenses incurred in prior years while ensuring the plan remains more than 100% actuarially funded.

- 3. Year-to-date revenues of motor vehicle excise taxes, commercial vehicle excise taxes, and financial institution taxes under HEA 1001-2008 totaled \$27.2 M. Due to the difficulty of determining the timing of these revenues, they are being deposited in a separate fund and will be reported as General Fund forecast revenue in June 2012.
- 4. The targets for the budget plan are based on the April 15, 2011, revenue forecast adjusted for the impact of legislative actions taken by the General Assembly in 2011.

<sup>\*</sup> Throughout the report, totals may not add due to rounding.
