The Lake County Sheriff's Department is proud to partner with the Indian Medical Association to distribute donations to area shelters. So far this season, at least half a dozen facilities have benefitted from this effort.

Our department reaches out to people in crisis throughout Lake County with our Police Assisted Recovery Initiative (P.A.R.I.). We help with people who are victims of violent crimes, those with mental health concerns or in need of addiction treatment, and so much more!

You can send a message to our team at P.A.R.I. through the Lake County Sheriff's Department app or by calling 219-755-3405.
