Subject: 2022-2023 Indiana Assessment Windows-Amended

The Indiana Department of Education (IDOE) is requesting State Board approval of the 2022-2023 Indiana Assessments Windows amendment. Due to low participation for students beyond grade 12 in this year's ISTEP+ administrations, ISTEP+ administration will end with the Spring 2022 administration. Students in the 2020-2022 graduation cohorts who have not yet met graduation requirements may participate in the Digital SAT School Day test administration during the 2022-2023 school year as the Graduation Qualifying Exam component to satisfy graduation requirements or waiver qualifications.

The 2022-2023 Assessment Windows reflects this change.
