Subject: 2023-2024 Indiana Assessment Windows

The Indiana Department of Education (IDOE) recommends the 2023-2024 assessment windows to the Indiana State Board of Education (SBOE) for approval. Information regarding updates to typical testing windows is outlined below:

- The ILEARN Biology End-of-Course Assessment (ECA) will be available for administration in winter and spring. The typical fall administration is removed for 2023-2024 while schools implement the new Indiana Academic Standards for Science and IDOE updates the assessment to measure the new standards.

- PSAT/NMSQT administration days are defined by College Board and will not be available until the end of 2022. IDOE will update the 2023-2024 Assessment Windows document with the published dates for PSAT/NMSQT once they are available.

- The IREAD-3 summer administration begins a week earlier than previous years and ends a few weeks earlier to enhance the reporting timeline and provide additional opportunities for schools to assess students at the end of the school year.

- The WIDA ACCESS administration begins on a Tuesday rather than a Monday due to a holiday on January 15, 2024.
