Subject: Extending State Accreditation – Indiana University Columbus

During its recent meeting on Sunday, April 27, the Accreditation Council of the Council for the Accreditation of Educator Preparation (CAEP) granted the following program continued accreditation at the initial-licensure level:

- Indiana University Columbus – Division of Education

The Indiana Department of Education (IDOE) congratulates the faculty, staff, and administration at Indiana University Columbus for their hard work and dedication to supporting our future educators.

Action Needed from the State Board of Education (SBOE): As provided in 511 Indiana Administrative Code (IAC) 13-1-1, IDOE requests that SBOE recognize the decision of CAEP and approve continued state accreditation for Indiana University Columbus. The next accreditation visit is scheduled for fall of 2031. Approval status is subject to the results of the ongoing science of reading review process (i.e., Indiana Code [IC] 20-28-3-3.1). Programs not meeting guidelines identified in this legislation will have their accreditation status revoked.
