- ISTEP+ Grade 10: July 23-August 17

Indiana Department of Education

Assessment Development

- I AM Passage Review: August 6-7
- I AM PLD Meeting: August 14-16

Test Security Training

- The annual Corporation Test Coordinator (CTC) Test Security & Integrity training will be available in early August.
  - The training provides an overview of the CTC role and responsibilities, other staff roles and responsibilities, test security resources, and test security guidance before, during and after testing
  - CTCs are required to complete this training
- NEW! All Staff Test Security & Integrity Training
  - Available in early August
  - Due to an increase in non-testing staff being involved in test security violations, effective 2018-2019, all staff must complete Test Security Training regardless of whether they will administer assessments
  - Agreements signed locally by September 30

Indiana Department of Education

Test Administrator Training (ILEARN and I AM)

- All Test Administrators are required to attend for certification.
- The trainings will guide educators through the testing process, the Test Delivery System, and required procedures.
  - ILEARN:
    - On-demand course accessed in the TIDE system.
  - I AM:
    - On-site training will be delivered in 14 different locations across the state beginning February 25 – March 21, 2019.
    - Cognitive lab study in 2018-2019 to investigate student behaviors during test administration. Videotaped portions of this study will be used during the Test Administrator training.
