**FROM: Melissa K. Ambre, Director
Office of School Finance**

DATE: June 27, 2017

SUBJECT: Amended Common School Loan Technology Advancement Request

The Office of School Finance received a request for an amendment to a common school technology loan approved in November 2016 for Oak Hill United School Corporation. The school received approval of \$170,343 for the purchase of 235 desktop computers. The purchase price of the computers came in under budget leaving \$26,090 available for another project.

Oak Hill United School Corporation requests an amendment to the original project to purchase 62 iPads for use by students at Converse Elementary School. The additional iPads will allow the school to provide an iPad for each incoming kindergarten student. The amendment does not increase the amount of the original project but amends the scope of the original project.

Based upon internal review of the project, we request approval of the amended project totaling \$26,090 for the purchase of iPads.
