MEMORANDUM

To: Indiana State Board of Education
 From: Dr. Nancy Holsapple, Director of Special Education
 Date: January 16, 2019
 Re: Special Education Child Count

Indiana Code 20-43-4-4 provides that the State Board shall monitor changes that occur in the number of students enrolled in programs for students with disabilities. The State Superintendent shall certify the December special education child count to the State Budget Committee no later than February 5.

This memo provides the count of students by primary disability in the tables below. The first table lists the unduplicated special education child count taken from the DOE-SE and DOE-SV data reported on November 30, 2018. The second table lists the preschool child count taken from the DOE-SE reported on November 30, 2018. Both tables provide comparisons to the totals between this year's counts and the counts taken on December 1, 2017.
