

Glenda Ritz, NBCT
Indiana Superintendent of Public Instruction

Revised 11-3-15

**ISTEP+ Spring 2015
IDOE Proposed Timeline for Release of Data**

#	Date(s)	Action
1	October 5-8	Cut Score Setting
2	October 14	SBOE cut score approval
3	Week of October 19	Individual Parent Invitation Code Letters printed and shipped to corporations. (Only hard copy; no electronic PDFs of the letters will be made available electronically in INORS.)
4	November 2	Release preliminary data file to Dr. Betebenner for growth concordance work to begin. In parallel, final quality checks (QC) on this file will be in progress by IDOE and CTB teams.
5	November 4	SBOE consideration of OL/PP mode effect adjustments
6	November 5-6	IDOE and CTB teams conduct Parent Network reporting quality checks and data quality checks.
7	November 9	Parent Network Invitation Code Letters from CTB should have been distributed by LEAs to parents by this date. Information displayed in the Parent Network beginning on November 9 will include scale scores, performance levels, and applied skills points possible/earned. A GRT data file containing this information will also be made available to schools on this date.
8	November 9 – November 13	Parent Rescore Request Window: Parents will be able to notify CTB of rescore requests via electronic request form.
9	November 16 – December 1	CTB conducts handscoring based on rescore requests.
10	December 2-9	CTB incorporates rescore results and OL/PP mode effect adjustments into data calculations.
11	December 7	IDOE and CTB teams conduct data quality checks on data file.
12	December 8	Release of final data file to Dr. Betebenner for growth concordance work to begin
13	December 8	Release of final results electronically (GRT data file only) to schools (<i>incorporates all data, including rescore request results and OL/PP mode effect adjustments</i>)
14	December 16-18	IDOE and CTB teams conduct online reporting quality checks.
15	December 22	Release of final results electronically (PN and INORS launch) to schools and parents (<i>incorporates all data, including rescore request results and OL/PP mode effect adjustments</i>)
16	Week of January 4	<i>Individual Student Report</i> copies and Labels delivered to corporations.
