Dear Indiana State Board of Education,

I am contacting you on behalf of Israel School of Excellence (D913). In July 2018, we were granted 5 year freeway accreditation for our school grades K-8. We were interested in adding 9th - 12th grades at one grade per year beginning 2019-20 school year. We request to be added to the next available consent agenda. Please let us know if we need to submit any further information.
