

MEMORANDUM

TO: Indiana State Board of Education

FROM: Scott Bogan, Director of Higher Education and Ed. Prep. Programs

DATE: July 18, 2018

SUBJECT: IU Southeast – Teachers of English Learners Program

Representatives from Indiana University Southeast (IUS) are seeking final approval to offer a *Teachers of English Learners* licensure addition program at the undergraduate and graduate level. For approximately the past 10 years, IUS has been providing English Learner (EL) licensure through a joint program with IU Bloomington. In response to the increasing need for qualified EL instructors within area school districts, IUS program faculty seek to offer a local option for teachers or teacher candidates seeking to add EL licensure.

It is the conclusion of a majority of the Indiana Educator Preparation Program Review Team (INPREP) and, pursuant to 511 IAC 13-1-1, Sec. 1, (d), the recommendation of the IDOE that the Indiana State Board of Education approve the following:

Indiana University Southeast – Teachers of English Learners Licensure Addition Program

The IDOE will continue to monitor the progress of the above program by reviewing all annual reports required of IUS, including candidate performance data submitted to the Council for the Accreditation of Educator Preparation, Teachers of English to Speakers of Other Languages (TESOL), and the IDOE.
