SUBJECT: Extending State Accreditation for University of Southern Indiana

The Accreditation Council of the Council for Accreditation of Educator Preparation (CAEP) recently granted the Pott College of Science, Engineering, and Education – University of Southern Indiana (USI) accreditation at the initial-licensure level. Accreditation status is effective between Spring 2018 and Spring 2024. This decision was based on the results of the Fall 2017 CAEP on-site visit.

SBOE action needed: As provided in 511 IAC 13-1-1, the IDOE requests the State Board of Education recognize the decision of CAEP and approve continued state accreditation status for the Pott College of Science, Engineering, and Education – USI. The next on-site visit will be in Fall 2023.
