

**MEMORANDUM**

**TO:** Indiana State Board of Education

**FROM:** Scott Bogan, Director of Higher Education and Educator Preparation Programs

**DATE:** July 8, 2020

**SUBJECT:** Extending State Accreditation – Indiana University Purdue University Indianapolis

After reviewing the accreditation history of Indiana University Purdue University Indianapolis (IUPUI), Council for the Accreditation of Educator Preparation (CAEP) staff determined the accreditation term for IUPUI was inadvertently shortened by one year. CAEP staff have since adjusted the accreditation term for IUPUI and added an additional year. The next CAEP onsite visit for IUPUI will be spring 2024 and national accreditation will expire fall 2024.

Because the Indiana Department of Education's July 2018 request for continued state recognition reflected the original dates granted by CAEP, we request the Indiana State Board of Education recognize the corrected dates and approve state accreditation status for the School of Education at IUPUI through fall 2024 instead of fall 2023.
