On October 25, 2016 the Accreditation Council of the Council for Accreditation of Educator Preparation (CAEP) granted the School of Education at the University of Evansville initial CAEP accreditation for seven years. The decision was based on the results of the spring 2016 onsite visit at the University of Evansville.

The IDOE would like to congratulate the faculty, staff, and administration at the University of Evansville for their hard work and dedication to our future educators.

SBOE action needed: As provided in 511 IAC 13-1-1, the IDOE requests the State Board of Education recognize the decision of CAEP and approve seven years of continued state accreditation status for the School of Education at the University of Evansville. The next onsite visit for the University of Evansville will be spring 2023.
