Extending State Accreditation – Huntington University Department of Education

During its April 26, 2021 meeting, the Accreditation Council of the Council for the Accreditation of Educator Preparation (CAEP) granted the following program probationary accreditation at the initial-licensure level:

Huntington University Department of Education

This probationary accreditation status is effective through spring 2023. CAEP and the Indiana Department of Education (IDOE) will conduct a joint visit in fall 2022 to review how data from multiple measures is being collected, analyzed, and utilized for continuous improvement. The results of this visit will be shared with the Indiana State Board of Education along with a recommendation from IDOE regarding continued state accreditation status.

IDOE would like to congratulate the faculty, staff, and administration at Huntington University for their hard work and dedication to our future educators.

SBOE action needed: As provided in 511 IAC 13-1-1, IDOE requests the Indiana State Board of Education recognize the decision of CAEP and approve continued state accreditation for Huntington University through spring 2023.
