

MEMORANDUM

TO: Indiana State Board of Education

FROM: Scott Bogan, Director of Higher Education and Educator Preparation Programs

DATE: December 9, 2020

SUBJECT: Extending State Accreditation – Martin University School of Education

Per its original recommendation for approval, the Indiana Department of Education (IDOE) required Martin University to begin the process of applying for membership and accreditation from the Council for the Accreditation of Educator Preparation (CAEP). IDOE is pleased to report that Martin University has successfully completed Phase II of the CAEP application process and is now eligible for CAEP accreditation with a site visit scheduled in spring 2022.

To ensure state recognition does not lapse, IDOE requests the state board grant continued recognition through fall 2022 for the following:

School of Education – Early Childhood Education and Elementary Education – Martin University

IDOE will monitor the status of the spring 2022 visit and will provide an update to the state board in fall 2022.
