

MEMORANDUM

To: Indiana State Board of Education

From: Scott Bogan, Director of Higher Education and Ed. Prep. Programs

Date: October 24, 2018

Subject: State Accreditation for Saint Mary's College

The Accreditation Council of the Council for the Accreditation of Educator Preparation (CAEP) recently granted the Saint Mary's College Education Department accreditation at the initial-licensure level with no areas for improvement. This decision was based on the results of the fall 2017 on-site visit.

The Indiana Department of Education would like to recognize the faculty, staff, and administration at Saint Mary's College for their hard work and dedication to our future educators.

SBOE action needed: As provided in 511 IAC 13-1-1, the IDOE requests the State Board of Education recognize the decision of CAEP and approve continued state accreditation status for the Saint Mary's College Education Department.
