

MEMORANDUM

To: Indiana State Board of Education

From: Scott Bogan, Director of Higher Education and Ed. Prep. Programs

Date: August 17, 2018

Subject: State Accreditation for the University of Indianapolis

The Accreditation Council of the Council for the Accreditation of Educator Preparation (CAEP) recently granted the School of Education at the University of Indianapolis accreditation at the initial-licensure level with no areas for improvement. This decision was based on the results of the fall 2017 on-site visit.

The IDOE would like to recognize the faculty, staff, and administration at the University of Indianapolis for their hard work and dedication to our future educators.

SBOE action needed: As provided in 511 IAC 13-1-1, the IDOE requests the State Board of Education recognize the decision of CAEP and approve continued state accreditation status for the School of Education at the University of Indianapolis.
