

INDIANA STATE BOARD OF EDUCATION

June 5, 2019

Resolution Regarding the Delegation of School Number Approval to Staff

WHEREAS, HEA 1630 amended IC 20-24-3-17 to read as follows (**bold** identifies new language):

SECTION 3. IC 20-24-3-17, AS AMENDED BY P.L.35-2014, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]:

Sec. 17. (a) The department shall, **with approval of the state board**, assign a school corporation identification number for each organizer granted a charter.

(b) If an organizer assigned a school corporation identification number under subsection (a) consists of more than one (1) charter school, the department, **with approval of the state board**, shall assign each charter school a separate school identification number.

(c) If an organizer assigned a school corporation identification number under subsection (b) consists of more than one (1) campus, the department shall assign each campus a separate school identification number.

WHEREAS, requests for new school identification numbers from organizers must be submitted to the Indiana Department of Education (“Department”) by September 1.

WHEREAS, requests for new school identification numbers for charter schools is a routine task involving a brief review to ensure the organizer has submitted the necessary related materials to receive an identification number.

NOW, THEREFORE, BE IT RESOLVED THAT, given the limited window during which time an organizer may request a school identification number from the Department, in conjunction with the fact that the Board only meets once per month, the Board now delegates its authority to approve new school identification numbers to Board staff.
