SUBJECT: Common School Loan Advancements for Construction and Technology Programs

The Office of School Finance received and evaluated applications for construction and technology advancements from the Common School Fund under I.C. 20-49-3 from September 12 through October 5, 2018. There is \$60,000,000 available for advancement for these programs. That amount was divided equally between construction and technology loans making available \$30,000,000 for each loan type.

The Treasurer of the State of Indiana administers Common School loan agreements and typically establishes the following repayment schedule:

- < \$20k repayment of 1 year
- \$20k to \$50k repayment up to 2 years
- \$50k to \$75k repayment up to 3 years
- \$75k to 100k repayment up to 4 years
- >\$100k repayment up to 5 years

TECHNOLOGY

The Office of School Finance received requests for common school technology loans from 33 corporations during the application period.
