**To: Members of the Indiana State Board of Education**

**From: Melissa K. Ambre, Director, Office of School Finance**

**Date: February 22, 2021**

**Subject: Common school loan amendments**

The following school corporation and career and technical education school request approval to extend the time frame to expend loan proceeds that were awarded in 2020.

**Northwestern School Corp (3470)** would like to amend their Spring 2020 technology award by extending the deadline that was initially extended until January 10, 2021 to March 3, 2021. The school was delayed due to Covid-19 factors with the supplier. Total expenditures would remain the same. In May 2020, the school corporation requested and received approval for a technology loan in the amount of \$186,500.

**Heartland Career Center (8065)** would like to amend their Spring 2020 construction award by extending the deadline for spending half of the funds from May 14, 2021 to December 31, 2021 and spending the remainder of the funds by May 14, 2022 to December 31, 2022. Total expenditures would remain the same. In May 2020, the center requested and received approval for a construction advance in the amount of \$1,000,000.

The following school corporation would like to amend the scope of the project previously approved as part of their 2020 School Technology Advance Application.

**Porter Township School Corp (6520)** would like to amend their 2020 STAA award, replacing web cameras that were purchased and returned for new lightbulbs for projectors, along with new projectors, clamps for iPads which will turn them into document cameras, and microphones. Total expenditures would remain the same. In August 2020, the school corporation requested and received approval for a school technology advancement loan in the amount of \$30,660.
