

# Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

**To: State Board of Education**

**From: Melissa K. Ambre, Director  
Office of School Finance**

**Date: December 1, 2021**

**Subject: Common School Loan Advancements for Construction and Technology Programs**

The Office of School Finance received and evaluated applications for construction and technology advancements from the Common School Fund under I.C. 20-49-3 from October 13, 2021 through November 12, 2021. There is \$80,000,000 available for advancement for these programs. That amount was divided equally between construction and technology loans making available \$40,000,000 for each loan type.

The Treasurer of the State of Indiana administers Common School loan agreements and typically establishes the following repayment schedule:

- <\$20k repayment of 1 year
- \$20k to \$50k repayment up to 2 years
- \$50k to \$75k repayment up to 3 years
- \$75k to \$100k repayment up to 4 years
- >\$100k repayment up to 5 years

## Technology

The Office of School Finance received requests for common school technology loans from 27 corporations during the application period. Based upon internal discussions regarding the 27 applications received and 27 reviewed by the Department, we request that you approve 27 requests at the December 15 meeting of the Board.

Technology requests reviewed totaled \$14,628,544.69 and we recommend approval of applications totaling \$14,625,155, as referenced below. Recommendation that are less than the amount requested were reduced to the maximum amount allowable by law.

Corp No.	Corp Name	Amount Requested	Amount Recommended
7205	South Bend Community School Corporation	\$1,505,192.00	\$1,505,192.00
0665	Lebanon Community School Corporation	\$332,600.00	\$332,600.00

Thirteen school technology loans listed are within the lowest 40% of assessed valuation per ADM. There were fourteen school technology loan requests that were outside the 40% of assessed value per ADM. Because additional dollars were available, the Department recommends approval of all technology loans requested even though the assessed value to ADM falls outside of forty percent. The following brief project descriptions were taken from the applications.

**South Bend Community School Corporation (7205)** – The project includes the following:

- Purchase 2,605 new Chromebooks to support continuation of 1 to 1 program
- Purchase replacement parts, cases, and computers to supplement current repair, service, and operations of existing fleet of computers
- Purchase 56 Chromebook carts to replace obsolete carts no longer receiving OS updates
- Purchase 175 Chromebooks for stock replenishment

**Lebanon Community School Corporation (0665)** – The project includes the following:

- Purchase 2,850 iPads for K-8 students

Lebanon Community School Corporation will use curricular fees and future common school technology loan for the remainder of the cost of the project.
