Subject: Common School Loan Advancements for Construction and Technology Programs

The Office of School Finance received and evaluated applications for construction and technology advancements from the Common School Fund under I.C. 20-49-3 from October 5, 2022, through November 10, 2022. There is \$100,000,000 available for advancement for these programs. That amount was divided equally between construction and technology loans making available \$50,000,000 for each loan type.

The Treasurer of the State of Indiana administers Common School loan agreements and typically establishes the following repayment schedule:

- <\$20k repayment of 1 year
- \$20k to \$50k repayment up to 2 years
- \$50k to \$75k repayment up to 3 years
- \$75k to \$100k repayment up to 4 years
- >\$100k repayment up to 5 years

Technology

The Office of School Finance received requests for common school technology loans from 27 corporations during the application period. Based upon internal discussions regarding the 27 applications received and 27 reviewed by the Department, we request that you approve 26 requests at the December 7 meeting of the Board. We are awaiting additional information on the one application and will present it later.

Technology requests reviewed for the 26 applications presented totaled \$13,030,276 and we recommend approval of applications totaling \$13,030,212 as referenced below.

Recommendations that are less than the amount requested were reduced to the maximum amount allowable by law.
