Dr. Katie Jenner, Secretary of Education

**To: State Board of Education**

**From: Melissa K. Ambre, Department Director, Office of School Finance**

**Date: April 26, 2023**

**Subject: Common School Loan Advancements for Construction and Technology Programs**

The Office of School Finance received and evaluated applications for construction and technology advancements from the Common School Fund under I.C. 20-49-3 from March 1, 2023, through April 14, 2023. There is \$60,000,000 available for advancement for these programs. That amount was divided equally between construction and technology loans making available \$30,000,000 for each loan type.

The Treasurer of the State of Indiana administers Common School loan agreements and typically establishes the following repayment schedule:

- <\$20k repayment of 1 year
- \$20k to \$50k repayment up to 2 years
- \$50k to \$75k repayment up to 3 years
- \$75k to \$100k repayment up to 4 years
- >\$100k repayment up to 5 years

## Technology

The Office of School Finance received requests for common school technology loans from 35 corporations during the application period. Based upon internal discussions regarding the 35 applications received and 35 reviewed by the Department, we request that you approve 35 requests at the May 10 meeting of the Board.

Technology requests reviewed for the 35 applications presented totaled \$15,004,206 and we recommend approval of applications totaling \$15,003,603 as referenced below.

Recommendations that are less than the amount requested were reduced to the maximum amount allowable by law.
