Subject: 2021-2022 Indiana Assessment Windows

The Indiana Department of Education requests approval for the 2021-2022 assessment windows. Please note the following considerations:

- The test windows follow the standard durations provided for the historical administrations.
- ISTEP+ Winter and Spring Retest windows continue to be offered for adult education students and cohort 2022 to fulfill graduation requirements.
- ISTEP+ Summer Retest is no longer offered.
- The SAT is the new federal accountability assessment for high school and will be administered to cohort 2023.
 - CollegeBoard avoids testing on Mondays. Therefore, there will be no testing on April 18, 2022.
