**Subject: Common school loan amendment**

The following school corporation requests approval to reallocate funds for loan proceeds that were awarded on December 9, 2020 in the amount of \$156,700. The school requests to reallocate funds originally designated for monitors, document cameras, projectors, web cameras and servers to focus on maintaining the 1:1 student Chromebook distribution and allocate remaining funds to Chromebooks and parts for repairing Chromebooks. This reallocation is needed because of difficulty purchasing these items due to availability and inflated pricing. No additional funds are being requested. The project total remains the same. We respectfully request your approval of the request.

**River Forest Community School Corp (4590) – The project includes the following:**

- 12 Teacher Chromebooks
- 288 Student Chromebooks
- 115 Teacher Monitors
- 60 Document Cameras
- 53 Projectors
- 115 Web Cameras with Microphone
- Domain Controller Server Upgrade/Network Infrastructure
