

Glenda Ritz, NBCT

Indiana Superintendent of Public Instruction

MEMORANDUM

TO: Indiana State Board of Education

FROM: Scott Bogan, Coordinator of Educator Preparation

DATE: May 21, 2015

SUBJECT: Extending State Accreditation for Marian University and Taylor University

Educator preparation institutions in Indiana are eligible for state accreditation of their preparation programs if they meet the requirements of 511 IAC 13-1-1. Indiana preparation programs receive national accreditation by meeting the standards of the National Council for Accreditation of Teacher Education (NCATE) and are granted national recognition by its governing body. State accreditation status, however, requires final approval from the SBOE. Institutions meeting national accreditation by the National Council for Accreditation of Teacher Education (NCATE) also meet the professional standards required for Indiana accreditation (511 IAC 13-1-1, Sec. 1, (b), (6), (A)) and are not required to undergo a separate state review process.

At its April 26-30, 2015 meeting in Bethesda, Maryland, the Continuous Improvement Commission of the Council for the Accreditation of Educator Preparation (CAEP) decided to continue the NCATE accreditation at the initial teacher preparation level for the following institutions:

- Marian University Educator Preparation Program (Next Visit – Fall 2020)
- Taylor University Department of Education (Next Visit – Fall 2021)

We also congratulate Marian University for receiving no “areas for improvement” relevant to any of the standards.

The DOE would like to congratulate the faculty, staff, and administration at both institutions for their hard work and dedication to our future educators.

SBOE action needed: IDOE requests the State Board of Education recognize the decision of NCATE/CAEP and approve continued state accreditation status for the teacher preparation programs at Marian University and Taylor University as provided in 511 IAC 13-1-1.
