Re: Clinton County Vote Center Plan Amendment

Dear Directors:

Please accept the following vote center plan amendment on behalf of the Clinton County Election Board.

It is the intent of the Clinton County Election Board to modify plans dated August 21, 2016 to allow absentee voting at the Michigantown Community Library for General Election of 2016. The General Election Day of 2016 and all future elections, including absentees, primary and general will be held at the Michigantown Christian Church. The Clinton County Election Board has determined that in order to meet expected additional turnout for the 2016 Presidential General Election, and future Presidential elections only, to add the Clinton County 4-H building as a voting site.

Thank you,

Sherri N. Crews
Clinton County Clerk
