Dear Directors,

Please accept the following vote center plan amendment on behalf of the Pulaski County Election Board. This is amendment #3 for Pulaski County.

It is the intent of the Pulaski County Election Board to modify the original Vote Center Plan as needed to better serve the voters of Pulaski County.

We have included two Resolutions from the Board of Elections removing a satellite location that has never been in service and establishing a new satellite location that also serves as a vote center location. Also enclosed are 3 resolutions from the Pulaski County Commissioners removing a satellite location, adding a new satellite location and designating an area to be used for early voting as an Annex of the Pulaski County Clerk's office.

Please let me know if you have any questions or concerns regarding any of our documentation.

Respectfully submitted,

Christina L. Hoffa
Clerk of Courts
